Dear Sir:- Re:- Radio and Life Insurance Premiums

We are in receipt of your letter of the 3rd instant in reply to ours of the 31st ultimo.

We are returning to you herewith premium due notices and premium receipt books received from you in yours of the 17th ultimo, as we are unable to make payment of the premiums from any funds on hand here. From your letter of the 17th ultimo apparently you intended that we pay them from funds derived from the sale of two row boats but which funds had been credited to Yoshise KOBAYAKAWA. When we referred to radio funds on hand you then wanted us to pay the premiums from these funds, but they were not available as we required to have the R.C.M.P. receipt on hand before releasing same. This receipt you have failed to send to us though we have requested it at least twice.

Even though we receive the R.C.M.P. radio receipt we shall require to have authority signed by the KOBAYAKAWA who has for his registered number 06591 before the funds may be released. The signature to the letters of the 17th ultimo, 25th ultimo and the 3rd instant is not the same as the signature of the party registered as No. 06591.

Please take this matter up with the Supervisor at Slocan in order that the matter may be straightened out, and these funds be made available.

Your early attention is requested.

Dear Sir:

RE: #9942/13119

I am in receipt of your letter of 31st ultimo., regarding radio, boats and Life Insurance Premiums.

I would like to have my Life Insurance Premiums paid immediately before the due date, however, my son who is at present employed by Rogers Lumber Company, Rogers, B. C. has the R.C.M.P. receipt for the radio. Therefore, would you pay the Insurance Premium from my fund from the sale of radio and in the meantime, if the receipt is necessary, I shall contact my son and ask him to forward the receipt to you promptly. I trust that you will act quickly as the Insurance Premium date due will expire.

As to the boat sold by Francis Millerd & Co. Ltd. There seems to be some mistake in identity as Yoshizo KOBAYAKAWA, is my brother and he was already at Road Camp at the time when I made arrangements with Millerd as to the disposal of the boat. However, I am writing to my brother today and settle this matter with him.

Dear Sir:-

We are in receipt of your letter of the 25th instant regarding radio, boats and Life insurance premiums.

Re:- Radio

You did not forward the R.C.M.P. receipt as requested of you in our letter of the 22nd instant. We shall require this receipt before releasing the funds derived from the sale of the radio.

Re:- Boats

You did not declare any boats in your registration form dated May 23rd, 1942 on file in this office, and your file does not indicate that you have written to this office about boats since that time until this letter of the 25th instant. We telephoned Mr.Millerd of Francis Millerd & Co. Ltd., and Mr. Millerd stated that he was quite sure that you were not the one who left the boats with his Company to sell. Back in February 1943 that Company wrote to us, a copy of which letter we enclose herein. By this letter you will see that the party leaving the two row boats was Yoshizo KOBAYAKAWA. On receipt of the $55.90 referred to in that letter, we credited the account of Yoshizo KOBAYAKAWA and did likewise when we received the $56.00 in July, 1945.

While Millerd & Co. wrote to you about these credits, it evidently was an error on their part, as the letter enclosed herein as well as our telephone conversation with Mr. Millerd indicates that Yoshizo KOBAYAKAWA is the rightful one to receive these proceeds. If you have any evidence to the contrary and will submit it to us, we shall be glad to give the matter further consideration. Otherwise we shall allow the credits to remain on our books as at present.

Re: Life Insurance Premiums

In the meantime we are unable to make payment of the Life Insurance premiums as you request in your letters of the 17th and 25th instant, unless you forward the radio receipt we have no funds from which we can make these payments. You should therefore act quickly and reply by return mail.

Dear Sir: **RE: File #9942**

I am in receipt of your letter of 22nd inst., regarding the Life Insurance Premium remittance which I wish you to pay from my account.

In your letter, you have stated that you cannot used the fund on hand in my credit as they are derived from the sale of my radio, and that I must forward the receipt to you before you can consider my payment to the Insurance Co.

I would not like to have the premium paid from the sale but however from the sum of money forward to you to my account from Francis Millerd & Co., Ltd., Vancouver, B. C., for the sale of my boats.

I enclose herewith, a copy of a letter sent from Millerd & Co, stating that they have forward to my account, the sum of $101.90. Therefore, I trust that there must be enough money in my account to pay Insurance premium without touching the sum from the sale of my radio.

Your prompt attention is greatly appreciated.

Your letter of June 27 to hand. On February 26, 1943 we forwarded a cheque fro $55.90 to the Custodian of Alien Property, this was for one rowboat sold at that time. We would suggest that you get in touch with them as I believe you will find you have some money there.
