Mr. Hideho MIYAMOTO,
Registration No. 11452,
New Denver Sanitorium,
New Denver, B. C.

Dear Sir;

As the administration of your affairs is now being completed, it is in order to supply you with a brief summary.

In your Declaration with the Custodian, you certified that you had no property of any kind whatsoever in any protected area in British Columbia. It was found, however, that you had a 50 per-cent interest in Part 3, more or less, of Section 3 and 4, Block 3 North, Range 7 West, as shown and outlined in red on Sketch 8149, in the Municipality of Richmond, in the District of New Westminster, with your father, Mantaro MIYAMOTO. Prior to your father's evacuation, he entered into an agreement with Mr. W. H. Thompson to rent this property for \$50.00 per year. In a letter to the Custodian dated November 20, 1943, your father confirmed that this money was paid direct to him. This property was sold to The Director, Veterans' Land Act for the amount of \$663.00, less a Registration Fee of \$3.00, making the net amount of \$660.00. As the adjustment date of this sale was January 1, 1943, the \$50.00 rent collected by your father was refunded to the Director. You will note in the attached general statement that the amount of \$2.00 was deducted for the Land Registry Office, Certificate of Encumbrance, \$15.00 for legal fees, allowing to the joint account of your father and yourself, the net amount of \$593.00. As your interest is 50 per-cent, the net amount of \$296.50 is credited to your account from the sale of the property.

With reference to personal property, it is noted that in a letter received from you on March 17, 1943, you stated that you had personal property at your father's house, 15 Broadway Street, Steveston, B. C. Permission was granted by the Custodian for you to visit your home and on March 18, 1943 you were given a letter by this office to

File No. 10056

March 4, 1946.

Page 2.

Mr. K. S. Logan to permit you to pick up any articles that you require. We must assume, therefore, that you had taken all your personal belonging out of the protected area.

It would appear that we have accounted for all the property of every kind found in your name in the protected area which was vested in the Custodian. In order that you may confirm this and acknowledge the amount of \$296.50 credited to your account, a stamped self-addressed envelope is enclosed for your convenience in replying.

Yours truly,

George Peters,

Dear Sir:

Re: 7th Ave., at foot of Broadway, Steveston, B. C.

Range 7 West as shown and outlined red on sketch deposited
8149, District of New Westminster, Mun. of Richmond,
C. of B. 21661.

You have previously been advised that a sale of lands in rural districts was entered into between this Department and The Director, The Veterans' Land Act.

Due to the size of this transaction, the arrangements for same and the completion of the transfer have taken a considerable time. Negotiations were started in the early part of 1943 and were based upon valuations made by qualified appraisers and on the basis of a sale effective as at January 1st of that year. This means that the 1943 revenues from the property were for the benefit of the purchasers, but that taxes, fire insurance and other operating charges were assumed by them.

The following is a statement showing the sale price and adjustments:

Sale price of above described property	\$ 663.00
Add:	
Unexpired insurance premium as at January 1st, 1943	663.00
Less:	
Tax arrears to December 31st, 1942	\$
Registration fee	3.00
Encumbrance—Principal	
—Interest	3.00
Net proceeds of sale	\$ 660.00

joint

This amount has been placed to your credit and a statement of your account is endorsed hereon showing the present balance on our books. A small amount for legal fees in connection with the conveyance to the Veterans' land will be charged later.

Yours truly,

F. G. SHEARS,
Director.

Dear Sir:-

On receipt of yours of August 31st, we sent a copy of your personal effects, as recorded in this office (and included in your lease dated April 15th, 1942), to our Steveston representative and asked him to report. We now hear from him that your belongings are all intact and being properly taken care of.

Mr. Logan still maintained that he is within his rights in using the bedroom for the use of his daughter and in the absence of any written agreement to the contrary, we do not think there is anything that we can do about this. Mr. and Mrs. Logan seem to be fully responsible people and we hope this will satisfy you.

Please refer to Mr. Federal letter of August 1st and your reply of the 13th. This Japanese writer is now that he is disappointed to learn about Mr. Logan's attitude and wishes to know how his personal affairs stand in the view that is now being held, are saved for. He requests that we take a further inventory of his belongings.

In the absence of any exact information as to the original arrangement, this seems reasonable and I request that you do so as soon as you conveniently can. I notice that the items drawn by Mr. King on April 1st last year specified articles left in Mr. Logan's care as my employee and I think you should satisfy yourself that these are all of the previous. Incidentally, these are signed for by Mr. Logan as the tenants are, in any case, responsible.
