Dear Sir:

Further to ours of August 25th and in answer to yours of August 21st, we regret to advise that we have been quite unable to trace the net that was unaccounted for. It was never received by this office from the Terra Nova Cannery and as the B. C. Packers do not accept responsibility for Japanese-owned equipment left in their care, we fear there is nothing more we can do.

Yours File: #10103

Dear Sir:

Thank you kindly for your letter of August 30, with regard to my fishing net which has been assumed as unaccounted for.

In the above letter you have stated as "It was never received by this office from the Terra Nova Cannery and as the B. C. Packers do not accept responsibility for Japanese-owned equipment left in their care, we fear there is nothing more we can do."

However, on April 20, 1942, immediately before my evacuation here, the tallyman of Terra Nova Cannery gave me a detailed list of the nets which I have trusted to that Cannery and in it the net in question as assumed unaccounted for is described, (#2, 5/10/ 5 7/8/ 50/ 210 Fathom; 1 year; \$150.00) and on that tally sheet, Mr. M. L. Jamison, one of your agent, signed as accepted the whole chattel for the custody by your Institution.

With the above reason I am desirous to have it recorded that the above net of \$150.00 worth must have been under your responsibility for the safe keeping.

Yours very truly,

We are in receipt of your letter of September 9th. We request you to forward to us this document or a certified copy of same so that we may make further investigations, in which event we would return the tally sheet and report our findings to you.

MEMORANDUM

File No.: 10103

October 6th, 1944.

To: Mr. H. F. Green

From: Mr. G. M. Harris

Re: Ukichi NISEIMOTO

In reply to your memorandum of September 27th, this man's chattels were in House 17 Terra Nova, which had several other Japanese' chattels stored and had been badly pilfered.

On going over the net books with Mr. Jamieson, Net #2 on Talley Sheet shows as having been taken by C. C. Robinson. Blue stone tank would be hard to move, probably of little value.

Mr. Ukichi NISHIMOTO,
Reg. No. 06654,
Minto City, B. C.

Dear Sir:-

Thank you for yours of September 21st which we have not been able to answer more promptly due to the absence of the writer and the time taken in making investigations.

With regard to the missing net No. 2 (5/50 x 5 1/2 x 50 x 210) the net books show that this was handed to our representative. We regret, however, that he has been unable to account for it and it would therefore appear that you have a claim for this missing item. We have recorded this but as no decision has yet been come to as to how matters of this sort will be dealt with, there is nothing further that we can say for the time being.

Turning to the few effects declared by you, we regret that the only effects found tagged in House #17 at the Terra Nova Cannery bore the names of the Koyanagi family and of Mrs. Iichi Negoro. We have examined their inventories but with the possible exception of a buck-saw stored on behalf of the latter, are unable to recognize any items similar to those shown on your Tally sheet. For our records we would state that these are the same as those appearing on your Registration of May 27th, 1942.

We are returning herewith as requested, your Tally sheets and suggest you retain them carefully. We will continue to look out for your effects and will advise you should we be able to identify any, but meanwhile suggest that further correspondence is not called for.

Yours truly,

On September 21st 1944 I have enquired about my fishing net, $5/50 \times 5 \frac{7}{8} \times 50 \times 210$, valued at \$150.00, which seems to be missing while it was in your custody.
