CHATTEL SUMMARY

File No. 10228 Nov. 29/46

RE: Yonesaku FUJIOKA, Reg. No. 06316

Yonesaku FUJIOKA made his declaration to the Custodian on June 1/42 and was evacuated on Sept.3/42. He declared chattels as shown on the Chattel Schedule on file at 8828 Selkirk St. and stated that the key would be left with Mr. SUZUKI.

In a memo dated Nov. 3/42 Mr. Spain states that chattels marked with the name of "FUJIOKA" are stored in a shed at 8814 Selkirk St. He goes on to say that this shed is piled to the roof and most of the chattels are of such a poor quality as not to justify the expense of moving them out and making an inventory. He recommends that everything here be allowed to remain undisturbed as left by Mr. FUJIOKA.

On Oct. 15/44 FUJIOKA wrote and asked for shipment of certain chattels left in a shed at the rear of 8814 Selkirk St. How the chattels got from 8828 Selkirk St. to 8814 Selkirk is not revealed, but it is likely that FUJIOKA moved them there himself prior to his evacuation. It is noted in this letter that fishing gear is included in goods asked for, although he did not originally declare any.

There is no inventory of goods taken from this shed on file, but Mr. Spain advises FUJIOKA in his letter of Nov. 9/44 that all chattels have been moved from this place to auction. In a memo to Mr. Green dated Nov. 20/44, Mr. Spain advises that these chattels were moved from the shed direct to Willard's auction room, with the exception of the personal goods, such as clothing, etc., which were moved to storage at 992 Powell St.

In a memo to file dated Nov. 9/44, Mr. Spain advises that 4 boxes containing fish nets, weights, floats and one pair of oars, were sent to Mr. Harris at Steveston to be sold there. Small pieces of nets and fishing gear from these boxes were sold for the sum of $13.00 and this sum credited to the account of Mr. FUJIOKA. A few pieces of net were apparently unsaleable and were discarded. The oars were still at Steveston warehouse in October, 1945, but were apparently unsaleable at auction and were abandoned. An old propeller was sold for the sum of $ .63 and this sum credited to the account of FUJIOKA.

The goods moved to Willard's auction room were sold for the net sum of $34.07 and this sum credited to the account of FUJIOKA. Although there is no list of discarded goods, it is likely the mattresses, stove pipes, and pike poles were discarded. A desk, heater, ice box, electric toaster and gas stove were not found by the Custodian. As the goods were in this shed for some time before being moved to auction, it is quite possible that some of the chattels were stolen. (The file does not give the date on which goods were moved to auction, but it would appear to have been late in 1943.

The above summary is certified to be in accordance with the information on file.

RE: Yonesaku FUJIOKA, Reg. No. 06318

All trunks and personal belongings in storage at Steveston were opened and inspected in October, 1945. Goods of no value were discarded; clothing of no saleable value were turned over to U.N.R.R.A.; saleable articles were auctioned and any personal photographs or goods of a personal nature are stored at the Buddhist Temple at Steveston ready for shipment at the request of the Japanese. Our representative Mr. Howe advised us that since this time the warehouse has been broken into repeatedly and that the goods are now in such a chaotic condition that it would be impossible to identify them.

There are chattels marked with the name "Fujioka" stored in a shed at 3819 Selkirk Street. It is recommended that everything here be allowed to remain undisturbed as left by the Japanese.

We are trying to determine the ownership of several fishing nets found in the shed at the rear of 8814 Selkirk Street.

In your registration with the Custodian, you declared your chattels stored at 8828 Selkirk Street, but you did not declare any fishing nets.

Mr. & Mrs. Sueki UCHIYAMA, also in Slocan declared 2 sockeye and 1 spring net moved from 8770 Selkirk Street to the 8814 Selkirk Street place.

Please advise us promptly as the nets and fishing equipment are now being sold.

Dear Sir:-

In your letter of Dec. 2nd you said you found several fishing nets in the shed at the rear of 8814 Selkirk Street. I do not know how much net Mr. Taeki Uchiyama had there, but I had stored -

4 sockeye nets - 600 fathoms - 40 meshes
1 cohoe net - 150 fathoms - 30 meshes deep
2 spring nets - 8½" - 150 fathoms each - 26 meshes
1 lead line - 600 fathoms
1 cork line with corks and also an Ignition coil + timer.

I was sure I had registered my nets with my other property with the custodian but if not they must of been left out.

I had my name on all my nets and they were stored in the same room as my other properties. Hoping this will clarify matters and thanking you for all your trouble

In the same shed I had stored some household goods of which I have received no word, if they are being sold, or are sold would you please let me know h how much cash we have to our credit with your department.

We find we have overlooked replying to your letter of June 18th and hasten to give you some information regarding your personal property stored in the shed at the rear of 8814 Selkirk St.

We are enclosing three sales sheets showing proceeds of sales at our auctions Nos. 517, 519 and 521.

As regards the nets, owing to the perishable nature of such articles it is difficult to recover good prices. We sold some of your nets, floats and lines for a total of $13.00 and understand that no buyers were obtainable for the balance of your things.

The shed at 8814 was found to be in an open condition; furthermore articles belonging to others were all piled in together, causing us great difficulty in separating the chattels.

NEW DENVER, B.C.

Dear Sir:

On August 3, 1945, we sent you three auction sheets showing net proceeds of $32.30 from sale of goods removed from the building at the rear of 8814 Selkirk Street, and identified as belonging to you. We also advised you at that time that some of your fishing nets and equipment had been sold for the sum of $13.00, but that no buyers could be found for the remainder.

Since that date a few miscellaneous articles identified as belonging to you have been sold for the sum of $2.40 and this sum credited to your account with this office. Your total credit balance is therefore $47.70 and we now enclose Custodian cheque for this amount.

Kindly acknowledge receipt of this cheque.

Yours truly,

F. Matheson
Office of the Custodian
