Dear Sirs:

We are sorry about the delay in answering your enquiry re the goods claimed by Yeiji Mori to be stored at Sunnyside Cannery, but we have just received an answer to same.

We enclose herewith a cheque for the sum of thirty dollars (\$30.00) being payment for one spring net web sold and quote from a letter from Sunnyside Cannery:

"We have no record of any other gear belonging to this man. We might say that when the Japanese left here they were specifically told that anything that was left in the houses or at the float the company could not and would not be responsible for. As far as we know, everything that was sold by Sunnyside was duly paid to the Japanese and we would be pleased if you will advise the Commission of this so there will be no more confusion.

The following is the list of the Jap nets that are in the Sunnyside net loft at the present time. Our net boss advises that these are rags and no one would buy them. We would be pleased if you will have these shipped someplace so we can get them out of our net loft.

Reg. No. 00483,
Tashme, B. C.

Dear Sir:

Your letter to the Japanese Fishing Vessels Disposal Committee in regard to the mortgage on your vessel "Y. M." NW 097-H has been handed to this office.

The Japanese Fishing Vessels Disposal Committee had nothing whatever to do with fish nets, and could not deduct the value of the fish nets, which you say were left at Sunnyside Cannery, from the amount of the mortgage due British Columbia Packers Ltd.

Will you kindly file with this office details regarding these fish nets?

Yours very truly,

F. Matheson,

of State and/or Custodian.
