CHATEL SUMMARY

Files Nos. 12902 & 10473

19th November, 1947.

Re: Pitt Meadows Japanese Farmers' Association
Tsuru MIZUNO (Mrs. Shinchiro) - Regn. No. 14284

Our fieldmen inspected this property on the 13th November, 1942 and made an inventory of the chattels (as per attached schedule) in the hall building and cottage. Some of these goods were the property of Tsuru MIZUNO, who was occupying the cottage on the property of the above Association, prior to evacuation, and were declared by her on her JP Form 9th June, 1942, and in additional information sent in from Hastings Park, 31st August, 1942, advised us that she had moved most of her chattels into storage in the basement of the Hall, and added a few other goods not already declared.

The cottage contained a few articles which the tenant, Mr. Wm. Walker in a letter dated 8th Sept. 1942, stated he had paid Mrs. Mizuno the sum of \$12.00 for their use, and there is also a note on the bottom of Mr. Moryson's inventory of 13th Nov. 1942, that certain articles had been sold by Mrs. Mizuno prior to being evacuated. (Mrs. Mizuno was not evacuated from Hastings Park until March 30/43.)

On the 23rd July, 1943, Mr. Ray Bouffard signed his responsibility for a list of chattels made out by Mr. Moryson (File 12902), but this man apparently did not remain on the property for long as there is no further reference made to him on the file with the exception of a letter from a Mrs. Owens, Oct. 1943, stating that she had permission from Bouffard to live in the basement.

No chattels were declared by members of the Japanese Farmers' Ass'n but some of the chattels inventoried must have been their property, as a letter dated 28th March 1944, addressed to Mr. Menzies from Senjuro SAITO, was forwarded to this office by Mr. Menzies, in which SAITO asked for shipment of 5 doz. rice bowls. There is nothing on file to show whether these were shipped or not. A further letter from SAITO to Mr. Menzies dated 23rd Jan. 1946, asking for shipment of chinaware was forwarded to this office. SAITO was advised 4th April, 1946, that shipment could not be made at that time.

The property was sold as of 27th July, 1946, and at that time the chattels were considered to be of insufficient value to warrant the expense of handling, and are therefore still on the property. Mrs. MIZUNO was advised of this 28th Sept. 1947.

The above summary is certified to be in
accordance with the information on the files.

Dear Madam:

We wish to acknowledge receipt of your letter received 21st March, and which we regret was overlooked. No chattels left in the house or stored in the basement of the Japanese Hall at Pitt Meadows were sold by the Custodian.

At the time this Hall was sold it was considered that the chattels remaining on the property were of little sale value and would not warrant the expense of handling.

Yours truly,

Office of the Custodian.

your letter of the 14th Oct, but I was away on

In regards to the Carpet that Mrs Miyano
says she left, she came out here the Saturday
before she left the Park & took some things
with her including the Carpet as she
said that the floor of her room there was
cold & that is why I never mentioned it in
the list I gave you. But perhaps she
meant the Oil Cloth on the floor & if she
did it is still here.

Dear Madam:

You will recall declaring to a representative of this office at Hastings Park that you left, in the care of Mr. Walker, one carpet, one sofa and one small table.

On communicating with Mr. Walker he advises that apparently there has been a misinterpretation regarding the carpet as he has no such article in his possession but states he has oil-cloth flooring and presumes this is what you mean by carpet.

May we ask to have you confirm this statement so that this office will have a correct inventory of your belongings left in the protected area of British Columbia.

Dear Sir:

I recall my declaration to the representative of the custodian at Hastings Park that I left, in the care of Mr. Walker, one carpet, one sofa and one small table.

As you informed me, I had made a misinterpretation regarding the carpet. I used to call the oil-cloth flooring "carpet" by misinterpretation. Mr. Walker is right.

I left, in the care of Mr. Walker, besides those things mentioned above, one heater stove which I should like to register as my possession. I had forgotten to register it before. I thank you very much for the trouble.
