PERSONAL PROPERTY SUMMARY

File No. 10480

Sept. 27/46

RE: Kyutaro SHIMANO, Reg. No. 05363

This file reveals the above owned no real property in any protected area of B.C., and did not carry any Fire Insurance.

CHATELS:

The above was a fisherman and formerly resides in a 2 storey wooden frame house at Eburne, which was owned by his son, Keishiro SHIMANO, File 1739.

The above, who made his declaration to the Custodian on June 9/42 and was evacuated on Sept. 17/42, declared fishing nets at the Terra Nova Cannery and a fishing vessel in custody at New Westminster.

All nets found tagged with the name of the above at the Terra Nova Cannery were inventoried by Custodian agent, C.C. Robinson. One was sold direct to the Cannery for the sum of \$40.00. Two were given Custodian numbers 2156 and 2157 and were sold to private individuals for \$50.00 and \$100.00 respectively. The total sum from the sale of nets in the amount of \$190.00 was credited to the account of the above with this office. 3 nets were not found by the Custodian, these may have been sold and credited to Net Suspense account because nets were not tagged or tags were missing.

Although the above declared no chattels a shipment of silverware, 2 mantle clocks, chinaware and 3 electric irons was sent to him as per Custodian Release on file dated May 27/43. This shipment was made on June 17/43 and the cost of cartage and freight in the sum of \$4.34 was deducted from the account of the above. A further shipment was made to him on July 11/44 of a washing machine (electric) which he had left with a Mr. L. Jamieson at the Terra Nova Cannery. The cost of crating, cartage and freight on this in the sum of \$8.96 was deducted from the account of the above. A shipment was also made on May 12/44 and charges in sum of \$11.52 were charged to above account.

SPECIFIED ARTICLES:

The fishing vessel the "K.S." declared by the above was sold through the Japanese Fishing Vessel Disposal Committee for the net sum of \$284.60 and this sum was paid over to the Custodian and credited to the account of the above with this office. Full details are given on Specified Articles Summary on file.

A cheque for the net proceeds from sale of this vessel was remitted to the above through the B.C.S.C. on Aug. 10/44 but this cheque was returned to us by the B.C.S.C. as a rehabilitation amount in the sum of \$520.00 was to be reserved for the above and his wife.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

STATUS SUMMARY

Re: Keishiro SHIMANO

Reg. No. 04933

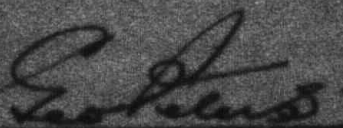

Executed April 21/42

EXPLANATION: Ryutaro Shimano, the father, living at Torva Nova, P. C., declared no chattels, with the exception of a few fishing nets which are being dealt with on his file - No. 10480. His son, Keishiro Shimano, File No. 1739, who was the owner of real property in Steveston, declared chattels, another son, Matsuo Shimano, File No. 699, declared chattels left with his father, a third son, Shogoro Shimano, File No. 1743, declared carpenters' tools left in care of his father, and a daughter, Sumiko (Mrs. Hidetoshi) Yasunaka, declared chattels stored at Torva Nova. It was found, however, that the son, Keishiro, was the only owner of a house situated in that district, so we must assume that all the chattels were stored in his house.

When the goods were removed from Keishiro's house on March 11, 1943, they were all removed under his name and it was impossible for this office to identify goods removed or auctioned as claimed by the Shimano family.

All goods sold at auction were credited to Keishiro's account. However, on April 2, 1943, Hideo, a brother, was allowed into the Protected Area and sold certain goods - see Schedule. The goods left with Mr. Jamieson are covered by a blue note, dated October 9, 1944. The proceeds from the auction sales credited to Keishiro, are being sent to him and we are writing to each member of the Shimano family to make their arrangements between them for settlement of these funds.

The above Summary is certified to be in accordance with the information on files

Office of the Custodian.

Re: Kyutaro SHIMANO
Reg. No. 05363

The following list of fishing equipment was sold direct to the B. C. Packers Co. Ltd., by the Japanese fishermen, or credited to their accounts for money owing to the Cannery.

In accordance with arrangements made with the Cannery these lists were obtained direct from them on February 14, 1946, by the Custodian and the original records remained with the B. C. Packers Co. The Custodian had no information from the Japanese fishermen of their selling or receiving money direct from the Cannery.

The above two lists were under the name K. Shimano, and as there are two Shimanos with this initial who left fishing equipment with the B. C. Dear Sir:

Your file has now been completely reviewed, and we are enclosing herewith our cheque in the amount of \$1,386.00, being the entire balance of your account with the Custodian.

Upon evacuation, your brothers, Shigoro and Matsuo, and your sister, Sumiko, declared certain chattels which were to be left in your father's home. However, this house was situated on property owned by you, and the only chattels found were those situated in your house.

Your brother, Hideo, was allowed in the Protected Area in April, 1943, and he sold a tractor, a cultivator, a disc cultivator and tiller, and a set of 2 section harrow, in the amount of \$400.00. This was credited to his account and has been forwarded to him. He also took away with him a number of articles.

Hideo left with Mr. Jamieson, of the Terra Nova Cannery, a washing machine, a bicycle and sewing machine, and he left another sewing machine with Mr. E. House. We understand from Mr. Jamieson that these articles have been shipped to your family with the exception of a bicycle, which was auctioned.

Although your brother, Yoshio, and sister, Chisako, declared no chattels in the Protected Area as noted by their files, that they have made enquiries with reference to their chattels. It appears that you are acting as a family group and as we cannot identify the goods removed and auctioned, we have credited all the proceeds from the sales to your account and we would ask you to make arrangements as to the division amongst your family.

Goods were also shipped to your father on his request. A separate cheque is going to your father, covering fishing pots, etc., which were found in his name.

P.T.O.

Kindly acknowledge receipt of the afore-mentioned cheque.

Dear Sir:-

Concerning your inquiry of Nov 30, I am writing to you to inform that my two sons' possessions were left in my house which was registered under my other son's name "Keishiro".

Because we were living together and though their belongings were registered separately, we left them all together in a room. My belongings which are under "Keishiro's" name was not registered separately because, in a Japanese way, I am still the head of the household and sole owner of the house property.

The two sons got part of carpenter's tools, but there are many more remaining. So if you could send them over, I wish you to send them to me.

This, with the proceeds of sale of your fishing vessel (\$284.60), gives you a credit in our books of \$474.60. Re Kyutaro SHIMANO #05363
Custodian File #10480

We regret having to return cheque No.1535 in the amount of \$284.60 made payable to the above named, but it is not the policy of this Commission to release funds in this manner to Japanese residing within our Projects.

The rehabilitation amount to be reserved for Mr SHIMANO and his wife is \$520.00. As their credit balance is beneath that amount, we will ask you to hold it intact unless first recommended by this Commission.

Yours truly,

M.L. Brown

Rosebery, B. C.

Dear Sir:-

As requested by your son on August 2nd, we are sending you herewith a statement of nets sold and credited to your account. This, with the proceeds of sale of your fishing vessel (\$284.60) gives you a credit in our books of \$474.40. From this we have deducted cartage and freight bills on shipment to you of \$24.82, leaving a balance of \$449.78. After sending you this cheque we will still have \$165.18 to the credit of your account.

Yours truly,
