LIABILITY SUMMARY

File No. 10632

June 6/47

RE: Shinichi MAYEBA, Reg. No. 01864

The following claims have been filed against Shinichi MAYEBA:

Workmen's Compensation Board \$8.00

This claim was found to be against the Taiyo Printing Co., File 13104, and there is a letter on that file from the Workmen's Compensation Board dated Oct. 1/42 stating that this claim has been paid in full.

MAIKAWA LTD. \$42.17

MAYEBA claimed that this account had been settled by a contra account owing by MAIKAWA LTD. This was confirmed by S. MAIKAWA in his letter of June 4/43.

Kikujiro TANAKA \$60.77

MAYEBA claimed that this account had been settled by a contra account owing by Kikujiro TANAKA to Taiyo Printing Co. We advised TANAKA of this in our letter of June 2/43 but he has not replied. We will therefore take no further action regarding this claim.

M. FURUYA CO. 57.42

MAYEBA advised us on May 31/43 that this account was to be paid by Denkichichi MACHIDA, the largest shareholder in the Taiyo Printing Co., of which MAYEBA was Manager. It would therefore appear that the claim should have been against the Taiyo Printing Co. However MACHIDA is now deceased, and his wife, the Administratrix of the Estate, denies this claim. We are taking no further action with regard to this claim.

The above summary is certified to be in accordance with the information on file.

PERSONAL PROPERTY SUMMARY

FILE No. 10632

July 31, 1947

Re: Shinichi MAEBA, Reg. No. 01864

This man was the manager of Taiyo Printing Co., 230 Alexander Street. He was residing at 336 Alexander Street, premises owned by Denkichi MACHIDA, File 8861, who also owned 230 Alexander Street and was principal shareholder in Taiyo Printing Co. Ltd. Denkichi MACHIDA is now deceased.

Shinichi MAEBA was evacuated on March 7, 1942. On December 15, 1945, he stated that he was given only a day's notice and had not had time to wind up his affairs. He did not make a report to the Custodian prior to his evacuation. This office would not have been well organized in March 7, 1942, and it would appear that the various means by which it was endeavored to reach each individual before his evacuation would have come into effect at a later date. It was not until July 6, 1943, that MAEBA signed a declaration in regard to his property, although as early as June 18, 1942, this office had been in communication with him in an endeavour to obtain his declaration.

Mrs. Miho MAEBA, File 9759, wife of this man, had signed a declaration on May 21, 1942, listing chattels. However, on July 6, 1942, Kiyoshi IKUTA had reported that all the furniture belonging to Mrs. MAEBA had been sold. This information was sent to Mrs. MAEBA and on August 7, 1942, she informed this office that she had given Mr. IKUTA power to sell her goods, and that if he had given this office information that all was sold, then it would not be necessary for the Custodian to be responsible for her belongings.

However, in his report of July 6, 1943, Shinichi MAEBA stated that the goods listed in the Chattel Schedule had been left at 336 Alexander Street and 230 Alexander Street. Quite a number of the items are similar to those declared by Mrs. MAEBA. The files concerned give no information that would clear up the inconsistencies in the reports of Mrs. MAEBA, Kiyoshi IKUTA (File 3150) and Mr. Shinichi MAEBA. The most likely interpretation is that IKUTA sold some of the effects and stored the remainder at 336 Alexander and 230 Alexander, and that the situation regarding his chattels given by Mr. MAEBA on July 6, 1943, is in accord with information in his possession on that date. -See letter of December 1, 1942, re obtaining information from his friend.

On July 2, 1943, the Custodian moved from 336 Alexander Street, the goods shown in the second column of the Chattel Schedule. These were identified at that time as the property S. Maeba. Of the goods removed in the name of MAEBA the following are not accounted for:

1 Studio Couch

1 Cardboard Wardrobe

Of the goods declared by MAEBA the following were not shown on the list of goods removed:

1 Book Case

1 Tall Bureau

2 Cloth Cabinets

1 3/piece Chesterfield Set

1 Japanese Sword

These may have been identified as the property of Mr. & Mrs. Denkichi MACHIDA at the time of removal and at the time of sale. A memorandum has been placed on files 8861 and 3205, in regard to MAEBA's missing chattels.

In regard to the articles reported to have been left in the premises of Taiyo Printing Co., these have no doubt been dealt with as property of that company. A memorandum in regard to MAEBA's missing goods has been placed on the file of the company, File 13104.

It is possible that when the files of Mr. & Mrs. Denkichi MACHIDA and Taiyo Printing Co. are reviewed, some of MAEBA's goods may be located.

July 31, 1947

In his declaration of July 6, 1943, MAEBA reported no property other than his chattels.

The information supplied by the RCMP states that MAEBA was the owner of a 1936 Ford car. Our records give no indication that a car was surrendered by MAEBA. No car identified as his property was sold through this office.

This file reveals that MAEBA held one share in the Taiyo Printing Co. Ltd. No funds have been paid to his account from the liquidation of this company. It is possible that funds will come in from this source later.

The chattels identified as the property of MAEBA were sold for the net sum of \$48.23. This sum was sent to MAEBA on June 6, 1947, but has been refused and returned for redeposit. In returning the cheque MAEBA stated that he had been given only 24 hours notice to leave the protected area; that his family had been able to take only 150 pounds of goods. So that most of his personal property had been left in Vancouver, and he could not understand such a small cheque.

It should be pointed out, however, that from June 18, 1942, to July 6, 1943, the Custodian wrote repeatedly to MAEBA in an effort to obtain from him information regarding his property. Neither MAEBA, nor the other shareholders of Taiyo Printing Company have been at all helpful in connection with the administration by the Custodian of the affairs of that company.

No other property of any kind is revealed by this file? EXCEPT 2 ALBUMS at 604 E. Cordova.

This summary is certified to be
in accordance with information
on file.

GENERAL SUMMARY

File No. 9799

July 31, 1947

Re: Miho MAEBA, Reg. No. 01537

This woman is the wife of Shinichi MAEBA, File No. 10632. She signed a declaration to the Custodian on May 21, 1942. She was evacuated on June 3, 1942.

In her declaration, Mrs. MAEBA reported chattels located at 230 1/2 Alexander Street, Vancouver. This was the residence of Mrs. MAEBA. The premises were the property of Mr. Machida, 332 Alexander Street, File 8861. The chattels reported by Mrs. MAEBA were,

3 Piece Chesterfield Suite x	Ice Box	2 Carpets
Bookcase x	Gas Stove	Double Bed
Lounge x	Wooden Wardrobe x	Case containing clothing
2 Tables x	2 Dressers (1)x	& chinaware
6 Chairs	Cedar Wardrobe x	Case of Books xx
2 Cases Dolls x	10 Picture Frames	Closet
Camp Stove	Big Bathtub	1 Hose

On July 6, 1942, Kiyoshi IKUTA, Reg.No. 13450, reported to this office that all the furniture belonging to Mrs. MAEBA had been sold. This information was sent to Mrs. MAEBA, on July 20, 1942, and On August 7, 1942, she wrote this office stating that when she left Vancouver she had given Kiyoshi IKUTA power to sell any goods he was able to, and that if he informed this office that these had been sold, it would not be necessary for the Custodian to be responsible for her belonging in the protected area. However, on July 6, 1943, Shinichi MAEBA reported to the Custodian that he had left at 336 Alexander Street, the articles marked x in the above list., while the case of books shown above was listed as two cases of books at 230 Alexander Street. Shinichi MAEBA has expressed dissatisfaction regarding the handling of his chattels. From this it would seem that instead of selling the goods as reported, Kiyoshi IKUTA had moved the greater part of the chattels to 336 Alexander Street. Goods identified as the property of Shinichi MAEBA were found at 336 Alexander Street. Other goods without identification found at 336 Alexander Street and 230 Alexander Street were assumed to be the property of Denkichin MAEBA and of Taiyo Printing Co. respectively. Some of the goods without identification may be the property of Shinichi MAEBA.

Mrs. MAEBA declared no property other than the chattels, and no other property is revealed by her file.

The file of Mrs. MAEBA reveals no liabilities.

This summary is certified to be in accordance with information on file.

Re: Goods found in premises of Taiyo Printing Company, 230 Alexander Street

On July 6, 1943, Shinichi MAEDA, File 10632, former manager of the above-named company, reported that he had left in Taiyo Printing Co. shop, 230 Alexander St.

1 Box of Japanese paper (size 8 1/2 x 11) copy paper each bundle cost 35¢ (500 sheets) contain about 200 bundles, 2 boxes of Japanese books and English books, 1 automobile spotlight (brand new) and one Abacus (solo ban).

On September 11, 1943, F.S. Ross & Sons reported that several cases of books which appeared to be of a personal nature had been found. These appear to have been moved to storage on September 14, 1943, in the name of Taiyo Printing Co. Place of storage was 992 Powell St. There is no record on File 13104 of the disposition of these.

The paper no doubt was considered to belong to the company, and would probably be included in the company stock sold. The spotlight and abacus do not seem to appear at all in the file of Taiyo Printing Company.

MEMORANDUM TO FILES 8861 and 3205

Real Chattels found at 336 Alexander Street, Vancouver, B. C., & 230 Alexander Street

Please note that Shinichi MAEDA, File 10632, former manager of Taiyo Printing Co. Ltd., reported on July 6, 1943, that he had left at 336 Alexander Street, in the care of Mr. MACHIDA, a large quantity of goods. The goods reported and those accounted for in MACHIDA's file are as follows:

<u>Reported left at</u> <u>336 Alexander St.</u>	<u>Sold</u>	<u>Not Accounted For</u>
2 Boxes of Dolls ✓	1 Box	1 Box
1 Book Case ✓		1 Book Case
3 Piece Chesterfield ✓		3 Piece Chesterfield Set

1 Box, containing long } rubber boots, } fishing rod, etc. }	Some articles sold	
1 Box, containing } 1 Kodak lens } 1 Paper Cutter } Other equipment }		None of the items listed were sold
1 Box all kind of old rags	Possibly accounted for in sale	
1 Japanese Sword		1 Japanese Sword
1 Round Table ✓	1 Table	
1 Small Round Table ✓	1 Dropleaf Table	
1 Tall Bureau ✓		1 Tall Bureau
2 Cloth Cabinets ✓	1 Cabinet	1 Cabinet
1 Gramophone	1 Gramophone	
Other Small Stuff	May be among the small goods sold	

In addition Mr. MAEDA reported that he had left the following at Taiyo Printing Co. Ltd., 230 Alexander Street

- 1 Box of Japanese Paper size 8 1/2 x 11, copy paper each bundle cost 35¢ (500 sheets) contain about 200 bundles.
- 2 Boxes of Japanese Books and English Books ✓
- 1 Automobile Spot-light (brand new)
- 1 Abacus (Soloban)

None of the goods which Mr. MAEDA states were left at Taiyo Printing Co. Ltd. have been accounted for in his file.

Have all the chattels removed from 336 Alexander St. and 230 Alexander St. been proven to be the property of Denkichir MACHIDA or Take MACHIDA. It would seem possible that the goods of Shinichi MAEDA may have been mixed with goods belonging to the MACHIDA family. Would you please check into this when summarizing the chattels in these files?

When my family left there, they could

Dear Sir:- Re:- Claim \$57.42 - M. FURUYA CO.

In your May 1943 letter you indicated that the above claim was to be paid by Denkichi MACHIDA now deceased. We wrote to him at the time, without apparently receiving any reply. More recently we wrote to Mrs. Take MACHIDA, Administratrix of the Estate of Denkichi MACHIDA and have received a reply from her as follows:-

"Re a claim of \$57.42 by M. FURUYA CO, please be advised that I am not responsible for this sum. Mr. Maeba was the Manager of Taiyo Printing but we had no such agreement, and I certainly cannot pay for other people's purchases. I will not pay for this, because I had nothing to do with it. I cannot be responsible for what others buy".

Her address is 4910 Sherbrooke St, Westmount, Montreal 6, P.Q., and it might be well if you would take the matter up with her, explaining why this is an indebtedness of her late husband.

Let us have your reply as soon as possible.

Mr. Alder:

I am very sorry to trouble you so much just because I did not send any answers to the Custodian office.

I think I had a letter about the beginning of December, since then I tried hard to write but I could not. As a matter of fact, I cannot write letters in English, besides, I cannot concentrate my mind to write anything, even Japanese letters.

Will you please try to find out some information from the following letter, which I am going to write, and send answer to the department.

Re: Taiyo Printing Co. Ltd.

Contract No 13104

I think it was the time I was making out Income Tax report, when I got a notice to leave Vancouver, from M.P. I had one day's time to leave, so I requested them to let me have a few days to regulate booking and may other things, because I was the only man in the office of the company, however, I was refused. So, I worked hard until a few hours before leaving Vancouver and mailed Income Tax Report that day. I think it was to the Provincial Income Tax.

I was sent to Decoghn road camp, and since then I never had a chance to see my old company's office, nor printing shop.

I never heard anything about the printing company's matter from anybody until today. In the letter which I had this time, it states that company was liquidated, but I did not know when this had happened. I was a manager and director of the company, and I was the only man who looked after the business (Mr. N. Lock knows very well).

When I left road camp I only had a few dollars in my pocket and could not leave any money to my family - after I had worked many years in this company.

Mr. D. Machida, president of the company had passed away last year, but I did not hear anything about company's liquidation from other shareholders.

When I became a manager, the company was in very bad shape, and Columbia Paper Co. and Smith Davidson & Wright Co. had garnished the Taiyo Printing Co. for paper account. Besides this, company owed few hundred dollars to Mrs. Kado for house rent. So shareholders had conference - D. Machida, S. Suzuki, and E. Morii - these three men were shareholders.

They had discharged former manager (Mr. Tsujimura) and asked me to become a new manager to look after the business. Mr. Suzuki and Mr. Morii had given their shares to Mr. Machida at that time, with understanding that if company was restored, that he pay some amount of money.

I was a business manager of The Canada Daily News (Japanese newspaper) by that time, and I had good connection with Japanese Merchant Ass'n and other Japanese people, so my hard task, after I entered Taiyo Printing was well rewarded. Old debt was gradually getting small and I thought I could clean up everything in the future, but unfortunately this war had started. So everything had been in vain. The business became very bad since war broke out.

I think you can advise them that, they can get a copy of Income Tax report at Provincial Collector at Vancouver, and at the same time I did not transfer my share to anybody.

About Deportation

I understand that the people who signed to go back to Japan will leave early next year.

My wife had new baby yesterday that makes five children in my family. Now I wonder if I can ask you that you would put us on the last boat for my wife's health and baby's sake. If it is possible, can I secure a permit to carry a

quantity of powder milk or few cases of can milk with us. I know it is very hard to obtain milk in Japan. My wife has no breast milk.

again

While I was living in Slocan City for past three years I borrowed \$300.00 from my friend, besides my earnings, for living purposes. Before we leave for the old country I wish I could buy my children some clothes and shoes, but it seems very hard to do, so I wonder if I can get something from what I have left in Vancouver. This was personal property. I do not know what Custodian has done with them. They might have sold them for a very low price, or they might state that someone had stolen them. They cost me so much and they were worth so much. I wish you would find out what kind of help I can get from the government.

Dear Sir:- **Re:- Shinichi MAEDA,**
 Reg. No. 01864

We are enclosing to you herewith copy of a letter of even date that we are writing to MAEDA. Our reason for this enclosure is that he has not answered any of our letters since his evacuation. We are very desirous of obtaining all the information we can from him in respect to the Company named and as outlined in our letter. We are endeavouring to close the file of the Company referred to, and shall therefore be obliged if you will take the matter up with him, through your Slocan representative, so that we can be sure of an early reply.

Thanking you in advance, we remain,

Dear Sir:- Re:- TAIYO PRINTING COMPANY LTD.

We are endeavouring to close the file in respect to the above named Company. It is noted that you were the Manager of this Company and that you had a share interest in same. The assets of the Company have been liquidated, but the funds derived from the liquidation cannot be disbursed in view of a possible claim by the Dominion Income Tax Department in respect to profits, if any, from January 1st, 1941 to the date the business was discontinued.

We are writing to you at this time to ascertain if you can supply this office with a Trial Balance and Balance Sheet of the Company's affairs as of December 31st, 1941, which you would likely have prepared about that time. If you can do this, or advise us where the information can be obtained, we could then perhaps satisfy the Tax Office as to whether or not there were any taxes payable by the Company, for the year ending December 31st, 1941. We have not found any Company records that would assist us in this respect.

You might also advise if you still own one share in the Company and if not to whom you transferred the same.

Please reply as soon as possible so that this matter can be brought to a conclusion without further delay.

Yours truly,

BRD/DE.

Mr. K. Kimura called on us yesterday in connection with a letter he had received from you. He has left with us a brief summary of your letter on which we comment as follows:

1. Registration with the Custodian.

We have repeatedly requested you to register with the Custodian but you have ignored all of our requests to date. We now understand that you have no assets whatsoever in the Protected Area and we are, therefore, enclosing a yellow 'no property' declaration card and ask that you sign it, have your signature witnessed, and return it to us without delay.

2. Accounts Payable.

See R.P.A. letter

We sent you the necessary forms, to enable you to file a claim, attached to our letter dated February 9, 1942, the letter being sent by Mr. G. W. (b) Canada Daily News

We understand that there is an account receivable but that you do not know the amount. We are writing to the controllers of the Canada Daily News for verification.

Please indicate by return mail whether these accounts receivable are claimed by you as personal accounts receivable or represent monies owing to the Taiyo Printing Company, Ltd. in which one share out of 10,000 shares is registered in your name.

4. Stencil Papers.

Your request for shipment to you of stencil paper left on the premises of the Taiyo Printing Company, Ltd. has been noted. Please indicate whether the paper belongs to you or to the Taiyo Printing Company, Ltd.

In summary, we suggest that in the interests of economy of time and effort you provide us with full facts, that you register with the Custodian, that you get in touch with Mr. Denkichichi Machida and ask Mr. Machida to write to us in connection with the M. Furuya Company claim, in connection with the stencil paper, and, if he is prepared to do so, authorizing the Custodian to forward to you personally any net credit balance standing in the name of the Taiyo Printing Company, Ltd. Your attention is drawn to the fact that the Custodian has received no registration covering the Taiyo Printing Company, Ltd., and you may wish to bring this to the attention of Mr. Denkichichi Machida also.
