CHATELAIN

The chattels were removed from the above address to Willards auction room where they were included in Vancouver auction No. 518.

This place represented a very difficult moving operation. The chattels were congested and mixed with tenants things in a dark inaccessible basement. Mrs. Buss proved quite irresponsible.

The foregoing report is necessary in explanation of any difference which may occur between the articles signed for by Mrs. Buss, and the goods sold at auction.

Re: 973 W. 7th Ave.

Himnosuke Fujii declared no effects and his wife only a bed and three boxes. However, on July 3rd, 1942, Peabertons gave us a list signed by the tenant, Mrs. May Buss, copy of which is attached. It seems that some of this was shipped by Mr. Boucher, Manager of the Davis Street Branch of the Royal Bank but he did not advise us of what went forward.

Would you kindly see what you can find and report on this in the usual way, if necessary contacting Mr. Boucher.

Re: Mr. & Mrs. Rinnosuke FUJII

Further to ours of July 24th and the telephone conversation the writer had with you the other day, it will be quite in order to ship to the above Japanese any effects you still have on hand for them.

For our own records, we would state that there are still some of their belongings at 973 West 7th Avenue in the care of the tenant, Mrs. Russ.

Dear Madam:

We have been in communication with
Mrs. Fell at 1691 West 41st Avenue, and she
informed us that she shipped your chattels to
you some time ago.

It would appear that you have no
chattels remaining in the Protected Area of
British Columbia requiring our attention.

If you still have anything requiring
protection, please advise us promptly by return
mail.

Re: FUJII, Mrs. Yaye #04891, Sandon

Received a Custodian Release for a number of articles of above to be shipped from Vancouver recently, and returned same to our Supervisor to secure a deposit to cover the charges. I am in receipt of a letter from him, dated August 17th, reading as follows:

"In reply to yours of 12th concerning our Custodian Release and letter of August 6 for the shipment of dishes and kitchen utensils, we beg to inform you that these goods arrived in Sandon on yesterday's train as they apparently had been shipped directly by the Custodian through the efforts of some friend of the above-named, therefore, our worries in this respect are over. We are, therefore, destroying Custodian Release which you returned to us here."

Some of the goods seem to have belonged to MORI, Mrs. Sute #00057, Mrs. FUJII's mother. Cannot give further particulars, but a previous shipment of some goods to this woman was sent January 18th from 1691 West 41st Ave., tenant Mrs. Fell, Tel. Kerr. 0050. Thought you might want the information.

Dear Sir:-

Re: Mr. & Mrs. Rinnosuke FUJII

Confirming the telephone conversation the writer had with you yesterday, it will be in order to arrange for the shipment to this man (recently interned but now released and proceeding to Ontario) and his wife, any kitchenware, personal effects, etc. etc. he requires from his house at 973 West 7th, at present in the c/o Mrs. M. Buss. We should be grateful if you would let us know approximately what is shipped and if necessary, we can send a representative to check this at the time packing is done. As we should also like to know what remains and have not recently taken a check of this, perhaps this could be arranged at the same time or shortly afterwards. For this purpose perhaps you would be so kind as to telephone Mr. Spain, Pacific 6131, between 8:30 a.m. and 9:00 a.m. if you require our representative the same day, otherwise any time up to 4:15 p.m.

We are at present holding a credit balance of nearly \$60.00 in this man's account and could reimburse for any reasonable packing or shipping expense. Please, however, keep this as low as possible.

Re: Mr. & Mrs. Rinnosuke FUJII
Our File 10634. Int. 372

From our file 10634 herewith, Pemberton's letter of July 3rd, I see that this lady has some effects left on the premises at 973 West 7th Avenue which apparently belong to her husband, Rinnosuke Fujii, now interned. One of these lists^{*} appears to be signed for, possibly by the present tenant. Would you be so good as to let me know whether this is in fact the case and whether these effects are in safe custody? If the house is vacant, may the effects of the wife, the evacuee property, there remain in safety until such time as you wish to rent the premises?
