FROM: Protection Department

RE: Dr. Akira ISHIWARA
Greenwood Hospital

Crone Storage telephoned and requested permission to ship to Greenwood certain packages received from Mr. James Booth, 1395 Gordon Ave., West Vancouver. The file makes no reference to such chattels. I therefore interrogated Mrs. Booth by telephone and ascertained that Dr. ISHIWARA and Mr. Booth, through a mutual interest in tropical fish, arranged to leave some packages of silverware, chinaware and similar personal articles with Mr. Booth.

I granted permission to Crone's to effect shipment, all charges collect from Dr. ISHIWARA.

Dear Sir:-

Re: Akira ISHIWARA

Thank you for yours of November 23rd which we regret not having answered more promptly. We are sending you an extra copy of this letter which you may care to send to Dr. Ishiware. As far as we know, the B. C. Security Commission will not permit radios to be shipped anywhere within British Columbia even if the short-wave part is removed. However, Dr. Ishiware could easily find out with reference to the Greenwood Supervisor and should then put his application direct to the Security Commission where Mr. Des Brisay is handling these matters.
