Dear Sir:

Re: Motor Vehicles.

Upon receiving your letter of January 15, I read that my International Truck has been sold for \$900. I would like to know why I was not consulted about the matter before the car was sold. Would it not of been the right thing to ask me at first if I would be willing to sell it for although I had surrendered the car to the Custodian I think I had some right to it.

I would also like to know in full details what the Administrative Expense of \$55.40 was used for I can not think of any expenses that would have been needed

for the car was still new and I took
it to Hastings Park on the specified day
for handing it over to the Custodian.
We are in great need of money and
I would like to know if I may have
the money which is placed to my
credit.

Hoping to hear from you at the earliest
date possible I remain.

Yours truly,
Isidori Maeda.

Mr. Tokichi Maeda,
Registration No. 05790,

Slocan, B. C.

Dear Sir:

We have received a number of inquiries requesting further particulars in connection with recent statements covering disposition made of motor vehicles and we are, therefore, sending you this general letter of explanation.

The Custodian decided it would be in the best interests of the owners to sell Japanese motor vehicles due, not only to the rapid deterioration of paint, batteries and tires, but also because of storage and other charges which were accumulating.

Appraisals of all cars were obtained by the Custodian through competent and unbiased experts.

Deductions made for liens on said cars are self-explanatory.

The administration expenses deducted covered only insurance and storage charges incurred in each case for each car between the time said vehicle was impounded until date of sale of said vehicle.

The proceeds remaining thereafter were transferred by the Custodian to the credit of your account in this office.

Yours truly,

Specified Articles Department.

Re Tokichi MAEDA #05790

Attached is a copy of a letter sent by the above named to the office of the Custodian.

It would be appreciated if you would get in touch with this man and advise him that he will have to pay any dental expenses for his family from his income.

In May the family income was \$151.11 and in June it was \$128.14. Since there are now only three in this family remaining in the Project there is no reason why MAEDA cannot provide for the necessary dental work out of his income.

We are sending a copy of this letter to the Custodian to show why we consider any remittance from his credit balance, which is far beneath the rehabilitation reserve, unnecessary.

Dear Sir:

We enclose herewith Custodian cheque in the sum of \$317.31, and as this is your total credit with this office, we are accordingly closing your file.

We have received a letter from Mr. B. HYESUGI cancelling the debt of \$600.00 which you reported you owed him, and we have changed our file records accordingly.

As you were previously advised, your truck was sold for the net sum of \$877.60 and this sum credited to your account with this office.

We received two cash surrender value cheques on your two policies with the Crown Life Insurance Company in the sums of \$83.50 and \$196.45 respectively, and these cheques were remitted to you on January 12th, 1945.

After refunding the sum of \$70.29 to the B.C. Security Commission for money advanced to you and sending you remittances totalling \$490.00, there is now a balance in your account of \$317.31 as mentioned above.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this and acknowledge the cheque, we are enclosing a stamped addressed envelope for convenience in replying.

Yours truly,

G. B. Spain
