PERSONAL PROPERTY SUMMARY

File No. 10897

Dec. 10/46

RE: Bunjiro UYEDA, Reg. No. 01290

This file reveals that Bunjiro UYEDA owned no real property in any protected area of B. C. and did not carry any Fire Insurance.

CHATELS: Bunjiro UYEDA made his declaration to the Custodian on June 19/42 and was evacuated on June 26/42. He declared the following at 2996 W. 29th Ave.: (This real property registered in the names of his children)
10 sets of chinaware books
Japanese dolls, etc.

The property at 2996 W. 29th Ave. was being administered by Pemberton's Realty and they advised us in their letter of Nov. 3/42 that the tenant was using 2 electric heaters and a shower curtain which they considered as fixtures. They also advised that with the exception of a few articles stored in a locked room of the basement, Mr. UYEDA had stored his other possessions at Johnston's National Storage.

Mr. Spain went out and inspected this property and in his memo of March 7/44 he advises that Mrs. Friday, the tenant, states that all that is left in the house belonging to Mr. UYEDA are two Japanese dolls in glass cases and he left them there as he considered they were not worth the cost of moving. We advised Mr. UYEDA that this was all that we found in the house and asked him what disposition he wished made of the dolls and he told us in his letter of March 22/44 to leave them there. It would therefore appear that the chinaware and books must have been taken with them or stored with the other goods at Johnston's Storage.

He did however disagree with our decision that the electric heaters were fixtures and should be sold with the house.

In accordance with the request of Mr. UYEDA an electric range which was stored with Johnston's was moved to Tyldesley & Co., 1263 Granville St. and sold at auction there for the net sum of \$9.00. This sum was remitted by them to this office and credited to the account of Mr. UYEDA. The cost of moving this range from Johnston's storage to 1263 Granville St. plus accrued storages owing to Johnston's, were paid on April 25/44 from funds standing to the credit of Mr. UYEDA. Amount paid was \$7.35.

SPECIFIED ARTICLES: His Auburn car was sold for \$30.00 and administrative expenses amounted to \$26.98, leaving a net credit to UYEDA of \$3.02.

His General Electric radio was sold for the net sum of \$24.45 and this sum was remitted to him on Jan. 28/46.

ACCOUNTS RECEIVABLE: His account was credited with the sum of \$18.00, being a refund of 1% wage deductions for the first six months of 1941.

SHARES: According to a memo on file dated July 16/43 Mr. UYEDA had shares in the Strand Theatre and the National Biscuit Co.

SHARES He declared one of 100 shares in Yamato Silk Ltd. (He was manager of this company). P. S. Ross and Sons are administering this company.

BONDS: He declared \$5000.00 in Victory Bonds in his own possession and \$17000.00 North Pacific Railroad bonds (American), also in his possession. These were not brought under the control of the Custodian.

BANK ACCOUNT: He declared a savings account in the Royal Bank of Canada, Robson St. branch, in the sum of \$3000.00. This was not brought under the control of the Custodian.

LIFE INSURANCE: He declared the following insurance:

Sun Life Co. \$11,500.00	)	All in safety deposit box at Royal Bank.
Monarch Life \$ 6,000.00	)	
Canada Life \$ 1,500.00	)	

We received a letter from the Canada Life Insurance Co. dated Feb. 15/43 stating that Policy No. 422,189 in the name of Bunjiro UYEDA has now matured for the sum of \$1500.00, but that Mr. UYEDA had assigned the policy in favour of his son, Yutaka. They asked our permission to remit this sum to Yutaka UYEDA. This permission was given in our letter of March 9/43.

On March 21/45 the Sun Life Assurance Co. advised us that policies 670615 and 670616 in the name of Bunjiro UYEDA had matured and that it was the desire of the assured to leave the total proceeds of the two policies on deposit with the company under a supplementary contract. We advised them that we had no objection to this arrangement.

A cheque covering interest on these two policies in the sum of \$122.38 was received from the Sun Life Co. and remitted to Mr. UYEDA on Oct. 4/45. A further cheque covering interest on the same two policies was received from the company and remitted to him on April 1/46. This cheque was for the same amount as the first.

Mr. UYEDA apparently put the real property in the names of his three children, Lily Yuriko, Mariko and Yutaka, and rents and sale of property are dealt with on their respective files.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

Dear Sir,

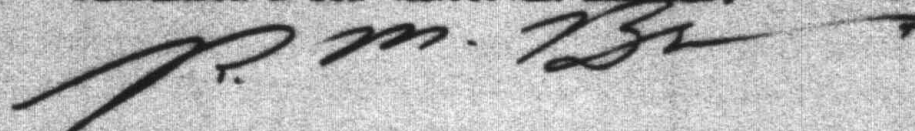

We have been approached by Mr. B. Uyeda to recommend a list of investments up to an amount of \$40,000. Mr. Uyeda is, we understand, a Japanese citizen and while resident in Canada for many years is not naturalized.

We have checked with the Foreign Exchange Control Board who say they have no objection to Mr. Uyeda making such an investment through us. We would appreciate getting similar approval from you. If you desire a list of the investments purchased we would, of course, be pleased to supply it on request.

An early reply would be appreciated.

Dear Sirs:-

Re: UYEDA, Bunjiro

UYEDA, Lily Yuriko
UYEDA, Yutaka

Kindly refer to your report of June 25th
and our acknowledgement of July 9th.

Although none of the three sisters declared
any effects, we see from your report that some were to
be left for the use of the tenant and some removed
to commercial storage. Please let us know what
happened about this and send us an inventory acknowledged
by the tenant of what he is holding.

The father, our file 10897, declared ten
sets of chinaware, books, Japanese dolls etc., left
in the basement of 2996 West 29th and we have no
doubt that these things would be put in the basement
room retained by the owner for storage, which was to
be locked and of which no inventory was to be taken.
With this arrangement we should not, at least for the
time being, interfere and trust that the tenant agrees
to it.

Yours truly,

Dear Sirs:

We have your letter of October 30th in connection with the above property. The only goods now used by the tenant are the two electric heaters which are a permanent fixture of the house, and one shower curtain.

The other goods as itemized in our report with the exception of the goods stores in the basement have been removed to the Johnston's National Storage on instructions from B. UYEDA. The goods in the basement are locked in a small room which has not been disturbed by us or the tenant, the key of which is in our possession. We do not have an inventory of these articles.

As the heaters and shower curtain are a fixture, kindly let us know if you wish us to have the tenant acknowledge that they have the use of same.

Dear Sir:-

In your registration form of June 19th you declared ten sets of chinaware, books, and Japanese dolls, left in the basement of 2906 West 29th Avenue. This house is now rented by Messrs. Pemberton Realty Corporation Ltd.

They report to us that the only effects left for the use of the tenant are two electric heaters and a shower curtain which are permanent fixtures.

Some items of furniture you have stored at the Johnston's National Storage and to this, of course, the Custodian has no objection. A number of things have been locked up in the basement of the house. Messrs. Pemberton Realty Corporation Ltd. hold the key and neither they nor the tenant have disturbed these. If this is satisfactory to you, we shall not interfere with this arrangement at least for the time being and the only point is whether any Fire Insurance should be written on this. Please let us know what your wishes are, assuming that is, that your policy on the house does not cover the furniture.

Finally, thank you for your letter of October 28th addressed to Mr. Spain asking about power sewing machines. We are afraid we see little prospect of finding one for you. Mrs. Gunki Sanniya is only willing to sell her sewing machines as a unit and will not sell them piece-meal. We are afraid it will be very difficult to find any others as they are in great demand everywhere, but you might make enquiries of other Japanese at Kaslo.

Dear Sir:

Thank you very much for your kind advice
in your letter of November 10th. Regarding the
matter of insuring the items we have left in
the basement of 2996 West 29th Avenue, I am
writing to Pemberton Corp'n. Realty about it.

Re Power sewing machines

I did not fully explain myself in my first
letter so I will give more details this time.
I have been permitted, by the B. C. Security Com-
mission, to manufacture ladies' wear under the
name of Supermaid Manufacturing Company. For
that reason I require all kinds of machines,
such as sewing, cutting, button hole, and hem-
stitching machines, etc. Therefore, I can buy
in one unit the property of Mrs. Samiya if the
price is reasonable. Would you kindly communi-
cate with her as soon as possible?

I am enclosing a separate statement. I
wonder if you could collect these payments. It
was business done under Yamato Silks Limited,
460 Granville Street. I would much appreciate it
if you undertook these troublesome things.

Thanking you in advance, I am,

With reference to the 2nd paragraph in your letter received November 17th, we enclose herewith an inventory of the equipment owned by Mrs. Sanmiya.

We understand from our agent that this machinery for the most part uses one motor and the sewing machines all operate from this one motor. If you are interested in the purchase of this equipment we would ask you to kindly submit a bid to this office so that we may refer the matter to Mrs. Sanmiya for her decision.

Thanking you in anticipation of your reply, we remain,

Dear Sir:

Thank you so much for your reply of the 20th

of Mrs. Samiya. Among them we can not use :

- 1 brick furnace stand
- 1 sawdust furnace
- 1 built in shelves and drawer

We can use the balance except we are doubtful about
1 cutting table - 36" by 3". Whether we take it or
not will depend on the cost of transportation. I do
not know the value of the stock as I have not seen
them and I do not know how old they are. I would

would sell her stock with the exception of the above
mentioned ones. *5156*

We have a declaration from the assured advising us that his son, Assignee of the Policy, is over the age of 21 years.

Dear Sir:

Re: Mr. I. AZUMI

We have not yet been successful in identifying the Mr. I. Azumi whose address was given as 460 Granville Street, Vancouver and who is described as the assessed owner of Lot 14, Block 22, Re Subdivision of Blocks 6 to 21, District Lot 328, Map 2396, District of New Westminster.

As your name is associated with 460 Granville Street, Vancouver, it occurs to us that you may be in a position to provide us with information regarding Mr. Azumi's full name and present address.

Taxes on the property for 1941 and previous years have been paid, but taxes for 1942 and 1943 amounting in all to a little under \$15.00 are outstanding.

Any assistance you can give us in identifying Mr. Azumi who may possibly be Mr. Isaburo Azumi will be very much appreciated indeed.

Yours truly,

R. P. Alexander,
Manager.

Attention Mr. H. E. Green

Dear Sirs:

I received your letter dated March 10 in which you explained about our belongings.

Please leave the two dolls as is, as they would not be worth the trouble of moving them. ✓

Regarding the two electric heaters: I told Mr. Johnston of Pemberton Realities Limited more than a half dozen times that they do not belong to the house, and therefore, to sell them at \$50.00 if anyone wished to purchase them. He agreed to this matter. It is natural that, although furniture may belong to a house for rent, it is not part of a house for sale. For these reasons I cannot accept your statement concerning the electric heaters and the shower curtain.

Yours truly,

B. Uyeda

P. S. I wrote on February 5 about storing our electric range with Tyldesley & Company but have not received an answer as yet.

Dear Sir:-

Thank you for yours of March 22nd. We notice that you do not consider the dolls worth moving and presume, therefore, that you will either make arrangements direct with Mrs. Friday, the tenant, or else abandon them. Unless we hear from you to the contrary, we shall not take any further action.

We do not think we can comment further on the electric heaters and shower curtain as both Messrs. Pembertons and our own representative confirmed that they are fixtures.

Finally, we have written to Johnston National Storage about moving your electric range to Messrs. Tyldesley & Company. We assume that you have been in touch with them about the storage or sale of this article.

Dear Sir:

As instructed we herewith enclose our statement
and cheque on behalf of Mr. B. Uyeda.

" Mr. Uyeda expected approximately \$40 for this
range, but some time ago we wrote to him and told him that
it would be impossible for us to get that price due to its
being an old fashioned high oven type range. However, we
have held on to it for some time now, and to be frank, we
are pleased it is out of the way. It was sold by auction
in our rooms yesterday for \$14.00, and we think that it was
worth no more.

Dear Sir:-

Further to the last paragraph of ours of April 5th, we have now received from Messrs. Tyldesley & Co. the enclosed statement together with a cheque for \$9.00 being selling price of your electric range less commission and cartage. You will note that the price is low in which connection, Messrs. Tyldesley & Co. write as follows:

"Mr. Uysda expected approximately \$40.00 for this range, but some time ago we wrote to him and told him that it would be impossible for us to get that price due to its being an old fashioned high oven type range. However, we have held on to it for some time now, and to be frank, we are pleased it is out of the way. It was sold by auction in our rooms yesterday for \$14.00, and we think that it was worth no more."

"We believe you would have done better to entrust this to the Custodian auctions; in any case, you could scarcely have done worse. The net proceeds have been credited to your account."

An enquiry has been received by the Custodian which indicates that the T. Maikawa Stores Limited owe a small sum of money to the Yamato Silks Ltd. The Custodian's file on the latter Company does not show any money owing to them by the T. Maikawa Stores Limited. However, before taking any further action we thought it advisable to consult you as to whether you had any knowledge which would confirm this supposition.

Please advise us by return if you know anything about a debt owing to the Yamato Silks Ltd. by the T. Maikawa Stores Limited, and if so, what it amounts to.

Dear Sirs:

Attention to Mr. F. Matheson.

Please find enclosed cheque which you sent me, dated December 12th, and which can not be accepted, because of the sum of \$3.02, being net proceeds from the sale of my car. This action on your part was contrary to your promise and against my will, and you never received permission to sell my car. It is a ridiculously cheap price. The car was in very good condition and kept so carefully, for my private use only, and did not run up a big mileage. I had just bought a new 1942 license for the car for \$25.00 and used it only a couple of days. Therefore, you or the B.C. Government must refund the license fee to me. This is entirely unfair treatment on your part.

I trust you can understand this situation.

Dear Sir:

We enclose herewith Custodian cheque in the sum of \$22.67, being your entire credit balance with the Custodian. This sum is made up of the following amounts.

On October 29, 1942, your account was credited with the sum of \$18.00, being a refund of 17 wage deductions for the first six months of 1941.

As you were advised on January 12, 1943, your account was credited with the sum of \$3.02, being the net proceeds from sale of your car.

At your request the electric range you had in storage at Johnston's National Storage was moved to Tyldesley & Company, 1263 Granville Street. Moving and storage charges in the sum of \$7.35 were paid to Johnston National Storage from funds standing to your credit with this office. The range was sold by Tyldesley & Company for the sum of \$14.00. From this they deducted \$5.00 representing commission and cartage and remitted the balance of \$9.00 to this office to be credited to your account.

The \$24.45 from sale of your radio was remitted to you on January 28, 1946.

The two Japanese dolls in glass cases which you left at your former home at 2996 West 29th Avenue, were left there in accordance with your instructions.

As there are no assets or other property belonging to you now under the control of the Custodian, we are closing your account and your file.

Kindly acknowledge the receipt of this cheque.

Payments of nearly all the awards recommended by the Honourable Mr. Justice Henry Bird have now been made. However, in checking our records we find that among the few payments outstanding, is one in your favour for \$20.00.

This amount is available and can be paid if the Form of Release required by Ottawa is signed and sent to this office. This should be attended to without delay as it is anticipated that all matters connected with the Claims Commission will be terminated in the near future.

In case the original Form of Release has been misplaced, we enclose another copy which should be properly executed and returned. If, for any reason, it is not your intention to accept the award, kindly advise us so that our records can be closed.

BENJAMIN UYEDA, the claimant herein, being
first duly sworn, testified as
follows:

DIRECT EXAMINATION BY MR. GUINET:

Q Mr. Uyeda, you are the claimant in this case,
are you? A: Yes, sure.

Q Would you take communication of a personal chattels
claim for \$270.00, original claim \$300.00, credit
to Custodian \$30.00, leaving a net claim of \$270.00.

A That is right.

10 Q Would you identify your signature and file this claim
after identification as Exhibit 1?

A Yes.

MR. GUINET: The original claim, my lord, is not amended.

(STATEMENT MARKED EXHIBIT NO. 1).

Q Would you take communication of a letter dated
December 10th, 1946, signed F. Matheson on behalf
of the Office of the Custodian addressed to you
and file this letter as Exhibit 2?

A Yes.

20 Q You did receive that letter? A: That is right.

Q I understand in answer to that letter you sent a
letter yourself to the Custodian on December 26th,
1946? A: Yes.

MR. GUINET: I would ask my learned friend to tender
the original of this letter if he has it.

Well, seeing that my learned friend doesn't have
in the official file the original of the letter
forwarded by Mr. Uyeda, I believe he wouldn't have
any objection to my filing a copy of same.

30 MR. HUNTER: May I see it?

5
R. Nyden,
In Chief.

MR. QUINCY: That is to complete the record.

It is sending back a cheque for \$2.00.

MR. HUNTER: I will admit this is probably a copy of the original, my lord. I know the cheque was returned.

MR. QUINCY: Q Would you take communication of a copy of an original letter forwarded by you to the Guardian on December 26th, 1946, in reply to the former exhibit, and file this original copy of the original, or a true copy of the original as

MR. QUINCY: Shall we make this one Exhibit 2-A, my lord?

THE COMMISSIONER: Yes, all right.

(LETTERS MARKED EXHIBIT NO. 2).

10 THE COMMISSIONER: Incidentally, there is no reason why the claimant should not receive payment of that cheque. It does not embarrass him in any recovery he may make as a result of this investigation.

MR. QUINCY: I take it when the cheque was forwarded back, the Claimant was not aware there would be a Commission appointed and wanted to protect his rights. I will ask him the question if you like.

THE COMMISSIONER: This has happened frequently before. I have no doubt that is the situation.

20 MR. QUINCY: The cheque hasn't been returned to him by the Custodian.

THE COMMISSIONER: You might make a note of it, Mr. Hunter, and ask him to send it back to him. I would like to have it explained to the witness.

MR. QUINCY: Q: Under a reserve of your rights, you may accept the cheque for \$3.02 which would not take away any rights of claiming the balance?

A I should take it.

Q You are ready to accept it under reserve of your rights. No further questions, my lord.

claim as Exhibit 3.

(ANALYSIS MARKED EXHIBIT NO. 3).

THE COMMISSIONER: Could you declare your defense?

MR. HUNTER: I am sorry, my lord. It is admitted that this vehicle was sold for its fair market value.

I file the R.C.M.P. appraisal of vehicle receipt, rather, dated March 9th, 1942. That shows that this was a 1928 Auburn sedan, that the mileage was 86618. It appears to be in fair condition.

(R.C.M.P. RECEIPT MARKED EXHIBIT NO. 4).

MR. HUNTER: This vehicle, as your Lordship will observe from Exhibit 3, was appraised at \$25.00 by Mr. Cruise who was the appraiser of the Consolidated Motor Company, Limited.

THE COMMISSIONER: Is there anything more to add?

MR. HUNTER: No. It was advertised for sale and the highest tender of \$30.00 was accepted. It is entirely a question of valuation.

MR. QUINCY: Is there anything else you wish to add, Mr. Uyeda?

THE WITNESS: No, nothing else.

THE COMMISSIONER: That is all, Mr. Uyeda.

THE WITNESS: Thank you very much.
