PERSONAL PROPERTY SUMMARYRe: NISHI, Soyo (Mrs. Tomegoro) -Reg. No. 01716 (Dec'd).

A declaration was made by the daughter of the above, Mrs. Joseph HOMMA, on June 22, 1942 as her mother was in the hospital. She was evacuated on June 2, 1942 (?). She died at New Denver on December 13, 1945.

CHATELS: She declared a quantity of chattels at 8870 Selkirk Street. A list of chattels appears on file immediately after the J. P. Form, but it is not clear as to when it was taken or by whom. These goods were removed to Mr. Willards Auction Rooms and there sold by auction on August 10th. and 17th, 1944. It is to be noted that 8870 Selkirk Street was owned by Kanao NISHI son of Mrs. Soyo and that other members of the family left goods there. This has made identification of the chattels extremely difficult especially as several of them declared the same goods. An attempt was made to clarify the situation after the death of Mrs. NISHI by sending the Auction Sheets to the different members of the family. Finally they agreed that some items belonged to Joseph HOMMA and the proceeds thereof were transferred to his file. A few books were also sold on December 21, 1945.

The proceeds remaining in the account of Mrs. NISHI were used to settle the claim for her funeral expenses \$80.00. The balance, \$30.65 was remitted to the youngest child, Sueko, after the other children had agreed to that procedure.

LIFE

INSURANCE: In the memorandum of particulars in connection with the estate of Mrs. NISHI completed by Kanao NISHI, a Prudential Life Insurance Policy, No. 413 117 121 is listed. We have written repeatedly to Kanao to obtain the name of the beneficiary but to date have received no reply.

This file reveals no other property.

This summary is certified to be in accordance with the information on file.

Mr. Kanao NISHI,
Reg. No. 00612,
Box 718,
Revelstoke, B. C.

Dear Sir:

Re: Estate of Soyo NISHI, Deceased.
Registration No. 01716.

Since writing to you on January 10, 1946, as you are aware, the matter of chattels belonging to your mother and the rest of the family has been adjusted, with the result that a credit of \$110.65 is at present in your mother's account. As far as this office is aware, and as indicated by you on the Memorandum of Particulars form, no assets other than chattels were left by her in the Protected Area of British Columbia.

On January 23, 1946, we received, from the Department of Labour, a claim for recovery of the sum of \$30.00 from the Estate of your mother to cover the cost of her funeral which was paid by the Department. It is requested that sufficient funds be deducted from her account to satisfy this claim and we are sure that it will be in order for this bill to be paid through this office. This will leave a balance of \$30.65, disposition of which will have to be made.

Furthermore, the Memorandum of Particulars form which you completed indicates the existence of a Prudential Life Insurance Policy but there is no information as to the amount or beneficiary. If there is a beneficiary named in the policy, the Insurance Company will require a release from Succession Duties, but the benefits will be payable to the beneficiary named.

As far as the \$30.65 is concerned, unless the matter of your mother's estate has already been referred to a Solicitor or Official Administrator as suggested in our letter of January 10, we think, since the amount is so small, it would be desirable for your family to arrange among yourselves to whom you wish the money paid. Since one of your sisters is, apparently, too young to be able to relinquish her interest, we might suggest that the rest of you, who are capable, sign a relinquishment in her favour. It would be sufficient, as far as this office is concerned, if a letter, signed by the surviving members of your family, is written requesting that this money be paid to your sister, Sueko.

Mr. Kahao NISHI

November 19, 1946.

This matter will be held in abeyance until we are advised regarding the benefits payable under the life insurance policy.

Yours truly,

AGM/AC
