Dear Sir:-

Re: OSUMI, Kanpei--Reg. No. 00175

Further to our letter of January 12th, we hesitate to trouble Mr. Kenyon further, but hear from the above Japanese that a number of items are missing from the shipment made recently to him --- see your release of September 14th.

We very much doubt if Mr. Kenyon can throw any light on this matter as the missing articles might easily have been removed en route to the owner but if you think this is worth following up, perhaps you would send him a copy of this letter. The Japanese has written direct to Mr. Kenyon giving all particulars.

Yours truly,

Dear Sir:-

Thank you for your letter of January 5th from which we are sorry to see that you have not yet received your carpenter tools. Our records show that you first applied through the Security Commission in September and that a copy of the Custodian release form was sent by Mr. Fisher to the Mayo Lumber Company on October 6th. We have all along found Mr. Kenyon, the manager there, very helpful and cannot understand how the tools have not reached you as we know that he would have sent them if they could have been located.

We understand that you also wrote to Mr. Kenyon in September and this letter was sent by him to this office and received here on November 5th. On that date we again wrote to the Security Commission and asked them to make the necessary arrangements for shipment.

We are sending a copy of this letter to the Security Commission here and requesting them to make further enquiries.

Yours truly,

Dear Sir:-

Re: OSUMI, Kanpei--Reg. #09175

We have received presumably from Mr. Kenyon of Paldi, the following letter.

"Since my departure to the interior I am well as ever and am now at Slocan City, B. C. busily building houses. I find it very hard to ask for your favor during your busy hours but trust that you will give it your approval.

"As you are aware I have two boxes and one package of Carpenter tools, (package containing two only sawer bits) under your care and as tools up here are not sufficient I have made up my mind to have all of it sent to me here at Slocan City. If it is at all possible kindly forward via C. P. R. collect at Slocan City. I have already informed the Supervisor here, Mr. Walter Hartley, to write you in regards to this matter and am sure it will be reaching you in due course."

From another letter we are sending today, you will see that the Mayo Brothers Lumber Company have been put to some trouble making shipment of these things and we are not sure whether you will wish to make this application or not. If you do, we are sending you this letter in duplicate and one copy of it will doubtless be sufficient for Mr. Kenyon who has already helped us to a very considerable extent.
