GENERAL SUMMARY

File No. 12125

3rd October, 1946.

RE: Takashi SENDA - Reg. No. 11633 (Deceased)

The above Japanese declared he had no assets or liabilities when he sent his registration form to this office on the 1st Nov. 1943. At that time he was a patient at Tranquille Sanatorium.

The Collector of Institutional Revenue filed a claim of \$9750.00 against him, but as Maschi SENDA had been admitted to the hospital at the age of 17, in 1935, the claim was referred to the father, File 5578.

Takashi SENDA died 22nd February, 1945, and a claim of \$80.00 was filed by the B.V. Security Commission. They were advised that SENDA had no assets, and were notified that collection would have to be made from the father. No claim however was filed by them against the father, Kaichi SENDA.

Kaichi SENDA settled the Hospital claim for \$580.00 as accepted by the Collector of Institutional Revenue.

This file needs no further administration and may now be closed.

The above summary is certified to be
in accordance with the information
on file.

Confirming our conversation of yesterday, the Assessment Committee is prepared to accept one-third of the proceeds of the farm which you are selling belonging to the above named patient's Father, in payment of the maintenance account for the hospitalization of the above named at the Tranquille Tuberculosis Unit.

The patient was admitted to the Tranquille Sanatorium on May 7th, 1935. At that time he was seventeen years of age and his Father is responsible for his maintenance up to the time he reached twenty-one years. No payment has been received on account of his maintenance.

At the time of his admittance, the family were not in a financial position to contribute.
