HISTORY OF
ADMINISTRATION:

As the above evacuee did not declare this property when leaving the
protected area, the Custodian's representative made no original report.
However, it is found on lists supplied by the municipalities that the
evacuee owned the above described property. It was found that on
October 21, 1942 the Japanese had leased his property to Mr. J. E. Webb
at the rate of \$1.00 per month and payment of taxes as of May 1, 1942.
This arrangement continued until the sale of the property. This
property was sold as of April 13, 1944 in the amount of \$687.00;
adjustments as of January 1, 1943. A credit for unexpired insurance
premium amounting to \$13.93 is added making a total of \$700.93 less
\$3.00 registration fee; the amount credited to the Japanese being
\$697.93 as of that date. Later, however, legal fees amounting to
\$15.00 were charged against this amount.

A statement of this sale was forwarded to the above evacuee in April
of 1944. The full amount of the sale of real property and chattels
was sent to the evacuee on March 29, 1945 (\$600.00) and May 1, 1945
(\$101.12).

Title delivered to the Director of Veterans Land Act in December 1943.

PROTEST:

The only protest from the above evacuee is contained in his letter of
March 26, 1943 - "I really don't want to sell it now so please let me
know whether I have to sell it now or not."

GENERAL SUMMARY

Re: Yoshitaro HASHIMOTO
Ref. No. 05726

It is noted that an offer was made by Stanley Sopel on March 15, 1943, in the amount of \$1770 for the property of the above Japanese. This amount was crossed off and the amount of \$1200 penned in. We can assume that this was changed by telephone to the amount of \$1200. The amount of \$1770 was submitted to the Japanese and he replied on March 26, 1943 mentioning the price as \$1770 and stating: "I really don't want to sell it now so please let me know whether I have to sell now or not." On April 1, 1943 a correction was sent to him stating that the amount offered was \$1200.

This land was sold to the Director of the Veterans Land Act in the amount of \$687; adjustments made as of January 1, 1943. We might mention that this adjustment date was made retroactive.

Dear Sir:

Lot 3, Block "A" of Sec. 12, Block 3 North,
Range 7 West, Map 2794, District of New West-
minster, C. of B. 90553.

You have previously been advised that a sale of lands in rural districts was entered into between this Department and The Director, The Veterans' Land Act.

Due to the size of this transaction, the arrangements for same and the completion of the transfer have taken a considerable time. Negotiations were started in the early part of 1943 and were based upon valuations made by qualified appraisers and on the basis of a sale effective as at January 1st of that year. This means that the 1943 revenues from the property were for the benefit of the purchasers, but that taxes, fire insurance and other operating charges were assumed by them.

The following is a statement showing the sale price and adjustments:

Sale price of above described property	\$ 687.00
Add:	
Unexpired insurance premium as at January 1st, 1943	13.93
	\$ 700.93

Less:

Tax arrears to December 31st, 1942	\$
Registration fee	3.00
Encumbrance—Principal	
—Interest	\$ 3.00
Net proceeds of sale	\$ 697.93

This amount has been placed to your credit and a statement of your account is endorsed hereon showing the present balance on our books. A small amount for legal fees in connection with the conveyance to the Veterans' land will be charged later.

Yours truly,

F. G. SHEARS,
Director.

Farm Appraisal ReportHASHIMOTO, Y.

Remarks: This property has very limited acreage; is well located on a good paved road within a mile of Steveston. The soil is a good clay loam over clay and growth indicates a good state of fertility exists.

The property is leased to J.E.Wells of Steveston who did not obtain operation of property until July 4th and by this date the weed situation was apparently beyond control in the cropped area.

The buildings are old, of poor type and construction, and in very poor condition. Foundation of the dwelling is wood and in poor state of repair whilst all rooms are separated by semi V.joint partitions.

In general the buildings could be classed as shack-like.

Lessee pays \$1.00 per month to Japanese owner plus taxes, light and water and term of lease is for duration of war.

CHATEL'S SUMMARY

Re: Yoshitaro HASHIMOTO
Reg. No. 05728

The above Japanese did not declare any property whatsoever in the protected area when evacuated. However, on the request of the Custodian he filed registration Form on February 8, 1943.

When chattels were removed by the Custodian on March 2, 1944 it must be assumed that everything that was on the property at that time was picked up. Also it must be assumed that the Custodian sold all chattels of any value by public auction, the balance being discarded as of no value.
