PERSONAL PROPERTY SUMMARY

File No. 12265

Fujimatsu TERANISHI

Reg. No. 07073

In his declaration to the Custodian, on August 14, 1942, this man reported the following:

One fishing boat "Yata"- this vessel carried the identification "F.T.679", which was the number of the codfish licence issued in 1941 to Fujimatsu TERANISHI. This identification was accepted as reasonable proof that the vessel had been owned by this man, as there was, as far as we have been able to discover, no gas-boat licence for this boat. She was sold for the total sum of \$50.00, which was credited to the account of Fujimatsu TERANISHI. The sale price was based on the value placed on the vessel by John Gould, appraiser for the Custodian, in August, 1942.

The vessel had, either because of extreme difficulty encountered by Naval Service in keeping her afloat or because she would not stay afloat, been sent to Star Shipyard for repair. Repair work to the value of \$132.98 had been done before she was examined by the appraisers and surveyor for the Japanese Fishing Vessels Disposal Committee. When examined it was found that the hull was old and tored, eaten, the ribs perished and the pilot house in need of rebuilding, in fact the hull was valueless. The only value was in the engine, according to the reports of these men, and although they placed a possible value of \$100.00 on the engine, the only offer received by the Committee was \$25.00 "as is, where is". This offer was either withdrawn or refused. As a result of the reports of the appraisers and surveyor the repairs were discontinued as it was considered less expensive to condemn the vessel and pay the owner reasonable compensation for the boat than to pay for extensive repairs in view of the improbability of receiving from the sale anything close to the cost of repair work. The vessel was not removed from the shipyard and was sold from there in March, 1943. No claim for additional compensation has been received from the owner.

A quantity of fishing line, lead line, fish-hooks, rope and catgut, to a total value of \$60.00, left at the residence of Chotaro MAIKAWA, 980 Stewart Ave., Nanaimo. According to file 1698, Chotaro MAIKAWA, none of this fishing gear was found in these premises at the time of the inventory taken by Mr. E. W. Forward, on June 29, 1942. It is probable that this gear was stolen.

No agent was appointed at Nanaimo until about two weeks after the Japanese had left the district. From the Nanaimo general file, it would appear that the houses of Japanese were broken into at will. Many chattels declared by Nanaimo Japanese are not accounted for due to the delay in having some one look after this property, to the fact that the houses could not be adequately locked up to prevent the entrance of thieves and vandals, and possibly because Nanaimo chattels were not properly looked after. It is possible that TERANISHI or MAIKAWA may file a claim for missing chattels.

The sum of \$14.45 was received from the Dominion Government and credited to this account. This was in settlement of claim filed by TERANISHI with the Japanese Fishing Vessels Disposal Committee for refund of expenses incurred in delivering his vessel to Naval Service at Steveston, in December, 1941.

This file reveals no other personal property of any kind.

This file reveals no real property interest.

January 8, 1946.

This summary is certified to be in accordance with information on file.

MEMORANDUM To File 1696

January 8, 1946.

Re: Chiyotaro NAKAHARA, Reg. No. 97878.

With reference to fishing gear reported on this file as having been left at the former residence of Chiyotaro NAKAHARA, in Session, it should be noted that Fujimatsu TERASHITA, File 12263, declared the following articles to be stored at the home of NAKAHARA.

Good fish line	\$10.00
Lead line 140 lbs.	No value placed on this
Cat gut	\$20.00
Fish hook	\$ 5.00
Rope	\$23.00

These appear to be the same articles as are reported by NAKAHARA, in some cases.

Fishing gear left in these premises were not found at the time Mr. E. W. Forward inventoried chattels on June 29, 1942, and it would appear that these were stolen.

In the event of any compensation being made for this loss, the interest of Fujimatsu TERASHITA in this fishing gear should not be overlooked.
