H. W. Harding, Esq.,
Government Agent,
Alberni, B.C.

Dear Sir:

Re: "Morishita" - Port Alberni, B.C.

Your letter of April 16th addressed to the Custodian of Enemy Property at Ottawa, has been forwarded to us for attention.

You do not indicate the full name of the Morishita you wish to contact. We have files for a considerable number of Morishitas but most of them were resident in the Steveston area before evacuation.

The only file we have of any Morishita in the Port Alberni district is that of Yasaku Morishita. Might this be the particular Japanese in question? This man registered with us on the 16th of October 1942 and before being removed from the protected area he stated that he resided at Port Alberni. However, he did not declare ownership to any property and we did not become aware of any property belonging to him with the exception of a bicycle. On March 30, 1944 we wrote to Yasaku Morishita, c/o Darling & Co. Ltd., P.O. Box 97, Chatham, Ontario, enclosing cheque for \$32.50 being the proceeds from the sale of this bicycle.

Even if this is the man you require, we have no knowledge of whether he may still be residing at Chatham, and since the removal of the restrictions on the movement of Japanese in Canada and the closing of the office of the Department of Labour, Japanese Division, we know of no source of information to which you can refer.

We have on occasion advertised for addresses of Japanese in "The New Canadian" which is a small newspaper printed in English and Japanese and published on Wednesdays and Saturdays of each week, the office being located at 479 Queen St. West, Toronto, and you may wish to try this medium if necessary.

If this is not the particular Japanese about whom you are enquiring, and if you could give us the full name of the one you want, we would be glad to check our files again.

H. W. Harding, Esq.

April 23, 1951.

The books of the M. Furuya Company showed an account of \$12.70 against Iogo MORISHITA, whose address before evacuation was given as P.O. Box 145, Port Alberni. However, we were unable to locate any such person at the time of evacuation in 1942 and would assume that he had either died or may possible have returned to Japan prior to the outbreak of war.

Yours very truly,

F. G. Shears,
Director.
