Re: Your file No. 18375

Dear Sirs:

Allow 3 1/2% off of paid
(am) by check 5/43

Referring to your letter of Feb. 15th,
I inform you herewith that I have
instalment payment to be made to
Woodwards Ltd for the amount of
\$46 ⁵⁰ at this date at the rate of
\$6 ⁵⁰ per month payable at the early
part of the month according to the agree-
ment made with Woodward's Ltd at
the time of the purchase of the goods
involved. The purchase was made
under the name of Thomas Goshida.
The payment of \$6 ⁵⁰ per month has
been carried out punctually at the
beginning of every month since I evacuated
from Vancouver in last March. No
question was raised on this practice
on either party up till now.

I would like to know, therefore,
why do I have to pay the balance in
a lump sum to your office contrary
7-2-43

to the agreement I made with Woodward's Ltd. In my opinion whether I pay in monthly instalments or in a lump sum depends on my decision and not to be forced upon.

Besides the balance of the payment include the carrying charges. Therefore in case I pay in a lump sum, there should be a little reduction in the amount.

I have the sum of £7²⁰ credited in my account in your books and the said amount should be forwarded to me or to be applied to the payment to Woodward's Ltd.

Therefore kindly inform me on the following matters as soon as possible upon receipt of your answer I will inform you of my decision.

1. The exact amount of the balance to be paid to Woodward's Ltd at the beginning of March after deducting the carrying charges on the balance.

2. What will you do about the sum of £7²⁰ credited in my account in your book?

3
Thank you
Yours Truly
T. Yoshida
