Dear Sir:

Re: Miss Masao Muraki
Reg. No. 15593

I am in receipt of your letter of August 13th in which you tell us that the estate of Miss Muraki's father is so small that it will be difficult to pay the bill for \$24.50.

In consideration of the above circumstances, this account has been very carefully checked by our bookkeeper and Miss Muraki has only been charged for the papers which she has actually had corrected.

Accordingly, the bill has been reduced to \$17.96, and it is hoped that this adjustment will make a settlement possible.

Re: Miss Jones' Report, No. 1000

Dear Madam:

We are in receipt of your statement of account, dated
the 10th ultimo, in connection with the above mentioned, and wish
to advise you that we have paid your account for the sum of \$10.00 with
the official acknowledgment, Mr. Samuel L. Jones, Vancouver, who is
administering the estate of the deceased father of Miss Jones.

This notice is so small that it is doubtful if the full
amount of your account for \$10.00 will be paid and we are therefore
not forwarding your account for the larger amount to him.

Re: Estate of William H. Davis, Dec'd

Dear Sir:

With reference to our letter of the 25th instant, we wish to advise you that it has now been brought to our attention that the amount of Mr. H. V. Davis is for \$17.50 only, and not \$17.00. Mr. Davis rendered his original statement for \$17.00, but when your son was paid, he rendered the amount to \$17.50, and this amount was forwarded to this office. This, therefore, accounts for the discrepancy involved.

In view of the above, we believe you will have no difficulty now in arranging a settlement of this estate. It is quite possible that the Department of Education will be pleased to give a concession regarding their amount, under the circumstances.

Dear Sir:

With reference to our previous correspondence and recent telephone conversation in connection with the above Estate, we wish to advise you that Mrs. Tom Kawaii, widow of the above deceased, and all members of the family, according to information received from the Department of Labour, Japanese Division, have been repatriated to Japan.

The only funds we have available in connection with the deceased are in the account of the above Estate, and the credit balance amounts to \$132.50.

We have recorded on the file of the deceased the following

claims:

As stated in our letter to you, dated May 18, 1945, Mrs. Kawaii and the eldest son both agreed that fees in connection with the account of the Department of Education should be paid from the account of the deceased.

Dear Sir:

Your letter of May 2nd, in regard to the radio and cameras surrendered by Miss Eiko Muraki on behalf of her father, has been received.

The radio has already been sold, but the cameras are in the hands of the Custodian and these will be held to give you an opportunity to make arrangements for shipment.

It will be necessary to have the permission of your mother to have this shipped, or to supply proof that the cameras are your property.

We suggest that you write the British Columbia Security Commission, supplying proof of your ownership of the cameras, and also the receipt from the police. At the same time you can arrange for payment of the shipping and packing charges.

We will write your sister in regard to ownership of the radio and cameras. If she and your mother advise us that these are your property, we shall pass your request for shipment on to the British Columbia Security Commission.

Dear Madam:

We have received a letter from Kiyoshi MURAKI, Reg. #03964, of Port Credit, Ontario, in which he asks to have his cameras sent to him and asks us to hold his radio until he is able to have it shipped.

These cameras and radio are the articles that were surrendered by you on behalf of your father.

The radio has been sold. The funds are in your account but will be held until we receive from you and your mother the name of the owner of the radio.

If the cameras are the property of Kiyoshi Muraki, would you kindly write us and tell us so. If you and your mother will sign, we believe this will settle the question and enable us to release these cameras to your brother. If the cameras were the property of your father, but you wish to have these shipped to your brother, we know of no reason why this can not be done, if your mother gives her permission.

Will you kindly let us hear from you in regard to what your mother wishes us to do with the cameras and with the money received from the radio. A stamped, self-addressed envelope is enclosed for your reply.

Yours very truly,

F. Matheson,

Dear Madam:

In reply to your letter of May 17th, we wish to advise that we understand cameras are released only to owners residing outside the housing settlements. However, we suggest that you get in touch with the British Columbia Security Commission supervisor, who will be able to tell you if there is any chance of your obtaining release of your camera.

In order that the camera may be shipped to your brother it will be necessary to send to the Commission the receipt received from the police. As the Custodian also requires this receipt in order that the money received from the sale of radios or cameras may be released, we suggest that you send the receipt to the Custodian, and advise the Commission that we have the receipt.

If you find that you cannot have your camera, you could advise the Commission that you wish both cameras shipped to your brother. The supervisor at Slocan will be able to advise you of what arrangements are necessary in order to have shipment made.

When we have received the receipt given to you by the police, the question of remitting funds from the proceeds of the sale of the radio will be taken up with the department handling funds.

Mr. DesBrisay has advised that the cameras have been damaged, one of them is probably now valueless, as a result of water dripping into them while in our warehouse.

They are being held to enable Custodian representative to examine them before they are shipped and to see if it would not be advisable to keep them here.

With reference to the cameras requested for shipment to Kiyoshi Muraki, we now find that while they were stored at 992 Powell Street, a faulty toilet leaked through the ceiling and damaged the cameras. Our records show that the camera, serial #25665, was appraised at \$5.00 and the 3-A Autographic Kodak, Serial #339540, as of no value. Under these circumstances, it seems clear that not much value has been lost, and perhaps you will advise the Japanese of what has happened when you tell him that shipment is going forward.

We are in receipt of a letter dated September 13th signed by "Eiko - Masae" and as it is not clear who has written the letter we are addressing our letter to both of you.

You enclosed an account for \$17.50 from Dr. H. K. Barnes but there is already a claim on file for Professional Services to Miss Masae Muraki for \$20.00. Is this \$17.50 in addition to the \$20.00, making a total of \$37.50? Please advise us on this point by return and to facilitate your reply we enclose a stamped and addressed envelope.

You are aware that the affairs of your late father, Tajiuro Muraki, are in the hands of Samuel A. Moore, Official Administrator, and we have so far been unable to get his agreement to any payments from the credit standing in your late father's account, namely \$132.50.
