PERSONAL PROPERTY SUMMARY

File No. 12498

Jan. 13/47

RE: Jiro OIYE, Reg. No. 03166

This file reveals that OIYE owned no real property in any protected area of B.C. and did not carry Fire Insurance.

CHATELS: Chattels as shown on Chattel Schedule were sold for the net sum of \$91.74 and this sum credited to the account of OIYE. Full details are given on Chattel Schedule and Chattel Summary on file.

SPECIFIED ARTICLES: OIYE surrendered the following cameras to the R.C.M.P. on Mar. 7/42:

- 1 Folding camera #116 and leather case
- 1 Univex model AF camera and leather case

He requested shipment of these first in Dec. 9/42 but cameras were not being shipped at that time. He asked again on Sept. 11/44. On Sept. 19/44 he sent us \$1.00 for mailing charges and the cameras were mailed to him on Sept. 28/44. The cost of packing and mailing was 36¢ leaving the sum of \$.64 to be credited to his account. This together with credit derived from sale of his chattels leaves a balance of \$92.38 in his account.

MONEYS RECEIVABLE: His account was credited with the sum of \$8.11, being a refund of 1½ wage deductions for the first six months of 1941. This was remitted to him on March 18/43.

He declared an interest in a petroleum and natural gas lease on property in Alberta. He stated that the taxes amounted to \$40.00 a year and that each of the four holders of the lease paid \$10.00 yearly to meet the taxes. He stated the money was collected by Mr. Henry Gernaey, 367 Water St. We heard from Mr. Gernaey, Assistant Sales Manager of Kelly, Douglas & Co. on Dec. 9/42 and he confirmed that OIYE had a share in a forty acre oil lease in the province of Alberta. He advised that the cost at the time to Mr. OIYE was \$300.00 with a yearly tax of \$10.00 per year from 1941. The lease was held in the name of Mr. Gernaey. He further advised that in order to hold this lease in good standing they were trying to incorporate it in with some company who owned what is known as a "Drilling Right" for the province of Alberta. If it was not possible for them to do this they would have to relinquish their hold on the lease. Mrs. MacArthur advised Mr. Gernaey in her letter of Dec. 12/42 that we were not interested with property of this nature. Nothing further has been heard from Mr. Gernaey in the matter.

LIFE INSURANCE: Mr. OIYE declared a policy with the Manufacturer's Life Insurance Co. in the sum of \$1500.00, the beneficiary being his wife, Sadako. This was not brought under the control of the Custodian.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

CHattel SUMMARY

File No. 12498

Jan. 13/47

RE: Jiro OIYE, Reg. No. 03166

OIYE made his declaration to the Custodian on Aug. 24/42 and was evacuated on Aug. 25/42. He declared chattels at 661 Keefer St. as shown on Chattel Schedule on file.

Goods at this address were inventoried by the Custodian on Sept. 30/42 as shown on the Schedule on file. The window curtains declared by OIYE do not appear to have been removed from the windows at 661 Keefer St. These may have been badly soiled and not considered worth removing. The small table inventoried by the Custodian was not sold, but a stool was discarded. This might possibly have been the small bedroom table inventoried. The kitchen linoleum was discarded as being of no value and another small stool. Certain articles declared by OIYE were considered fixtures, namely, blinds, screen door and screen windows. A coal basket and shovel, mop, pails and a box of flower pots, were not sold as such, but may have been sold under sundries. A broom and curtain dryer declared by OIYE were not inventoried by Custodian. They may have been considered of no value and not worth moving.

The balance of the chattels declared by OIYE are accounted for and were sold at auction for the net sum of \$91.74 and this sum credited to his account with the Custodian.

The above summary is certified to be in accordance with the information on file.
