CHattel SUMMARY

File No. 12859

Jan. 21/47

RE: Margaret Chiyoko (Mrs. Tadaharu) UWATE
Reg. No. 06701

Mrs. UWATE made her declaration to the Custodian on Sept. 10/42 and was evacuated on Sept. 29/42. She declared chattels as shown on Schedule at 245 E. 12th Ave. in care of Mrs. Docherty and some in care of Mr. Detman at 7506 Ontario St.

She kept changing the lists of the articles at these two places from time to time in her letters until we finally requested her to tell us exactly what was stored at each place and in her letter of Jan. 2/43 she gives in detail goods stored at each place and this is the list I have based the Schedule on.

On the file of the husband, there is a receipt for the following articles signed for by Consolidated Truck, for shipment to Mr. UWATE:

1 bed, spring and mattress	1 wardrobe	3 cedar chests
1 vanity and 1 vanity bench	1 bed table	

In a letter of Nov. 7/42 Mrs. UWATE states that her husband sold the 3 piece chesterfield prior to his evacuation and that the cedar chest declared to be stored with Mr. Detman, had been moved to the home of a friend.

The major portion of the chattels from the two places mentioned in paragraph one, were sold at auction on April 25/45 and credited to the account of Mr. UWATE, who did not declare any chattels. Mrs. UWATE in her letter of Oct. 24/45 stated that she did not wish the proceeds from sale of these chattels credited to her husband, as the goods of her sisters had been left with her and were included with chattels sold in the name of her husband. The proceeds from sale of Vancouver Auction #44, of April 25/45, in the sum of \$256.51, were therefore transferred to the account of Mrs. UWATE. The plant stand and the 2 bed lamps were removed from the home of Mrs. Docherty on Aug. 17/46 and sold at auction for the net sum of \$1.57 and this sum credited to the account of Mrs. UWATE. A trunk and 3 pans were sold in Vancouver auction #58 in the name of Mr. UWATE and the net proceeds in the sum of \$7.55 credited to his account. I am sending a memo to Miss Girard requesting transfer of these funds to the account of Mrs. UWATE. The total from the three auctions is \$265.63.

On Oct. 20/45 copies of Vancouver Auction #44, April 25/45, were sent to Mr. UWATE, so that Mrs. UWATE would have had a chance to study these before she wrote us on Nov. 23/45 in reply to ours of Nov. 21/45. Mr. Douet wrote to her asking her to confirm that all her chattels left in Vancouver had either been sold at Auction #44 or shipped to her by Consolidated Truck on May 21/45. She signed this confirmation but added a footnote to the effect that the following were still unaccounted for:

a metal fern stand, bedroom lamps, silex coffee maker and some books at 245 E. 12th Ave. and one walnut fern stand at 7506 Ontario St.

The fern stand and bedroom lamps were removed from 245 E. 12th Ave. on Aug. 17/46 and sold at auction for the net sum of \$1.57 and this sum credited to the account of Mrs. UWATE. The books and silex were not found. (I have placed "percolator" opposite silex on Chattel Schedule, but it is quite possible that these are not the same article). The walnut fern stand supposed to be at 7506 Ontario St. was not found by the Custodian. According to Mrs. UWATE then the only articles missing are the silex, books and fern stand. My Schedule would indicate that one chiffonier and one vanity bench were not found, but as Mrs. UWATE did not mention these it would appear that she had declared more furniture than was actually stored at these two places.

At her request the sum of \$250.00 was remitted to Mrs. UWATE on Nov. 27/45. Her balance on hand will therefore be \$15.63 after the transfer previously referred to has been made.

A number of articles not declared by Mrs. UWATE were sold at auction. These are listed at bottom of Chattel Schedule. However considering the quality of the chattels she possessed, it would not be unlikely that these should also belong to her.

The above summary is certified to be in accordance with the information on file.

Dear Madam:

We have a letter from the Department of Labour, Japanese Division, informing us that you have written to them requesting the balance of funds in your account.

We are pleased to advise you that we have recovered from Mrs. Decherty the two standing bed lamps and 1 fern stand and these have been included in our auction being held this week. The proceeds from sale will be credited to your account in the course of a few days and when this has been done we will send you a cheque for your entire balance and close your account.

Mrs. Margaret Chiyoko UHATA,
Reg. No. 06701,
P. O. Box 162,
Raymond, Alberta.

Dear Madam:

We thank you for returning the letter dated November 21st relating to your chattels and note your remarks regarding items about which you are not satisfied. On further investigation we have to advise that so far as the fern stand at 7506 Ontario Street is concerned, this was missing and is unaccounted for. You will recall that the tenant, Mr. Bettman, would not be responsible for all the goods left with him, and we are afraid, therefore, there is nothing further we can do about this item.

Dealing with the remaining chattels at 245 East 12th Avenue, left with Mrs. J. Docherty, we have been in communication with her and she advises that through an oversight on her part when your chattels were removed from the house, she overlooked the metal fern stand and two boudoir lamps and shades. These are still in Mrs. Docherty's possession and we will pick up same at a convenient time and dispose of them by auction, crediting the proceeds to your account.

This now only leaves the Silex Coffee Maker and some books you mention. We have no record at all of these items and Mrs. Docherty confirms that such items were not left in her charge. In these circumstances there is nothing we can do about these two items and we would point out that on the auction sheets sent to you it will be seen that there were a large number of individual items sold of which we had no record. With the above remarks we consider we have dealt with all your chattels, and in the meantime we enclose our cheque for \$250.00 which leaves you with a credit balance of \$6.91, which amount will be forwarded to you at a later date together with the proceeds from the sale of the two items above-mentioned.

Yours truly,

Dear Madam: Re: Mrs. M. C. Uvate's Chattels.

With reference to our telephone conversation with Mr. Docherty this afternoon regarding the chattels which were left with you by the above Evacuee, we have received a letter from Mrs. Uvate in which she states that the following items have not been received by her and are unaccounted for:

- 1 - Metal Fern Stand
- 2 - Boudoir Lamps and Shades
- 1 - Silcox Coffee Maker
- Some Books

Can you throw any light on the above? We have a note of the first two items but no record at all of the last two.

If you will kindly telephone us in the morning on this matter it will be much appreciated.

Mrs. Margaret Chiyoko UDATE,
Registration No. 06701,
P. O. Box 162,
Raymond, Alberta.

Dear Madam:

We are in receipt of your letter of October 24th and note that you wish the proceeds from the sale of the chattels that were left at 7506 Ontario Street to be credited to your account, and not left in the account of your husband. As mentioned in our letter of October 20th there is no difficulty about the above since no chattels were declared by Mr. Udate, but only declared by yourself, and the proceeds of the sale should have originally been placed in a separate account to your credit. We have, therefore, now transferred the sum of \$256.51 from Mr. Udate's account to your own, which leaves a credit balance in his account of \$329.92.

In our letter of October 12th to your husband we attached copies of Auction Sheets which gave full particulars of all items found in the basement of 7506 Ontario Street, together with prices obtained and expenses involved in the disposal of these goods, namely, auctioneer's fees, advertising and moving.

Respecting the items shown on our Auction Sheets and those declared by you, in view of the fact that apparently a considerable portion of the goods were stored in boxes and not itemized by you, it is quite impossible to make any satisfactory reconciliation with your declared items and those stored, and we shall be glad, therefore, if you will please sign the attached memo and return same to us for record purposes. In this memo we have included the goods which were stored at 245 East 12th Avenue, Vancouver.

In the meantime a cheque is being prepared for the amount now standing in your account, namely \$256.51 and will be forwarded to you at an early date. It is important, however, that you return the enclosed memo duly signed, as your account is being closed. A stamped and addressed envelope is attached to facilitate your prompt reply.

Yours truly,

Re: Chattels left at 7506 Ontario Street,

Avenue, Vancouver, B. C.

Respecting the chattels declared by me on September 10th, 1942 and which were left in the basement at 7506 Ontario Street, Vancouver, and at 245 East 12th Avenue, Vancouver, this is to confirm that these goods are covered by the Auction Sheets dated April 25th, 1945, Vancouver Sale No. 44, copies of which I have received, and also by the shipment made to me by Consolidated Truck on May 21st, 1945.

All chattels, therefore, left in the hands of the Custodian have now been accounted for.

Signed:

Mrs. Margaret Chiyoko Urate

Dear Sir,

I have signed both sheets in regarding my goods left in care of custodian. But to my estimation I had also left at 245-12th Ave a metal fern stand, 2 boudoir lamp shades, silver coffee maker electric and some books. Besides at 7506 - Ontario St. one walnut fern stand is not listed on auction sheet. Please if possible kindly look into this matter. Thanking you.

Sincerely
Mrs. Margaret Urate

Raymond, Alberta.

Dear Madam:

We wrote to your husband on the 12th instant enclosing a cheque for \$2000.00 from funds standing to his credit, and at the same time we sent him copies of the Auction Sheets relating to the sale of the chattels found in the basement of 7506 Ontario Street, Vancouver, B. C. These chattels were declared by you and not by your husband, but the net proceeds from the sale of these goods were credited to your husband's account by our Protection Department as they found that you had no account and it was thought at the time that the chattels were owned by both of you.

It may be that it is quite satisfactory to you to leave matters as they are, but should you wish to have the net proceeds from the sale of these goods placed in a separate account in your name then kindly advise us by return and we will make the necessary arrangements.

We would advise you that in any event the whole of the balance in your husband's account will be forwarded to him as soon as the file has been completely reviewed and we trust in the circumstances to hear from you that the account can be left as it is at present.

To facilitate your prompt reply a stamped and addressed envelope is enclosed.

Dear Madam:

We are in receipt of your undated communications from Tashme and seem to be having difficulty in determining exactly what chattels were left with different people in Vancouver.

We would ask you to make separate lists. All that is necessary is to mention the name of the person you left your chattels with, the address of such persons and a list of the chattels. We are not interested in what you have disposed of prior to your evacuation, all we wish to know, is what is remaining in the protected area.

Your prompt attention, will enable us to give full protection to any personal property remaining in this area.

Yours truly,

G. B. Spain

I received your letter and
copy of the goods I left at Mr. Bettman's
which is all correct but since I left
before my husband he sold the chestfield
and had my cedar chest moved to a friend's.
So the copy is correct and the long box
containing chinaware. Also at Mr. Bettman's
is a bed and vanity which my husband
left and not registered besides a coffee
table, a fern stand. Besides there must
be some mistake as I also left my
own 5 piece bedroom suite complete with
spring mattress, 2 bed lamps & 3 cedar chests
at Mrs. John Dasherly 245 - East 12th Ave.
I myself registered this furniture before
I left Vancouver at the Custodian 314 -
Powell St. So there must be some
mistake as I read the copy to make
sure, besides you may inquire at the
above address and find same articles.

Thanking you for your kind
attention and sorry for our neglect. Hoping
this will find everything correct

Re: Household goods stored at 7506 Ontario Street:

*this was
sold after I
left by my
husband*

1. Electric Washing Machine	1. Box Kitchen Utensils
2. Pc. Chesterfield Suite	1. Box Chinaware
1. Kitchen Stove	2 Lamps, (electric) 1 lg lamp & 1 reading lamp sm.
1. Box Cedar Chest CHINAWARE	1. Vanity
1. Box Garden Tools	1. Chiffonier

The chesterfield suite listed was sold by Mr. Uwatte a day or two prior to his evacuation, and the cedar chest does not appear to be among the items stored here. Further, only one electric lamp is visible, although it is possible the other may be packed with the crated items.

I am renting the premises from Mr. Uwate through his agent, (Independence Founders) and the listed items (as corrected) are packed and stored in a corner of the basement. I have no desire to unpack, check and prepare an itemized account of each article stored here, but from a rough estimate the goods listed (with exceptions as indicated) are there. They are well packed, dry and just as they were left by the Uwates. I have agreed to the storage of same on the premises for the duration, or as long as I occupy the premises.

(Signed) Albert Dettman

P. S.

There is a long box stored behind some other items which might contain the cedar chest in question. If, upon enquiry, the Uwates acknowledge having left the cedar chest in my care, then this box is most likely the one to contain it. *this box contains chinaware and*

the cedar chest was moved to a friends.
Also at Mr. Dettman's are —

*1 bed
1 vanity
2 coffee tables lge & sm.
1 fern stand.*

These are in basement with the others

Thanking you
