1 Brownie Jr. 620	)	
1 Folding Camera F73652	)	RCMP No. 639

are now in the steel cabinet in the Enemy Section.

These cameras were surrendered by Yoshimitsu YASUDA, Reg. No. 04990, File 11319, who has sent us the receipt given to him at the time the cameras were surrendered.

Yoshimitsu YASUDA has informed us that two of these cameras belong to Yoshikuni ADACHI, while the other two belong to "Y. YAKURA, formerly of 1735 Second Ave.". YAKURA would appear to be Yukitoshi YAKURA, File 11598, who formerly lived at 1737 West Second, Vancouver. We do not know, as YASUDA was not able to supply this information, which of the cameras belong to each of these men.

Re: Yoshikuni ADACHI (Mr.)

Reg. No. 00875

In his JP form dated March 31, 1943 the above Japanese person declared chattels left at 1767 West 2nd Avenue, Vancouver. Mrs. Yoshikuni Adachi declared the same chattels in her declaration of March 17, 1943 but as the house was registered in the name of Mr. Adachi the proceeds from the sale of both house and chattels were credited to Mr. Adachi's account.

Two shipments of chattels from 1767 West 2nd Avenue, Vancouver, were made to Mr. Adachi at Tashme, B. C., in accordance with the Custodian Release forms on file under dates October 21, 1943 and February 24, 1944. B. C. Security Commission receipts covering the goods in the above shipments are on file, dated December 1, 1943 and March 3, 1944, respectively.

In a letter dated December 28, 1943 Mr. Adachi informed us that Mrs. E. J. Mayhew, tenant at 1767 West 2nd Avenue, wanted to buy his dresser for \$3.00 and he requested us to go out to that address and sell the dresser to her. On August 24th, 1945 we advised Mrs. Adachi that we had received the above \$3.00 from Mrs. Mayhew on February 18, 1944, which money was credited to Mr. Adachi's account with the Custodian.

In a memo dated April 17, 1944 Mr. Spain advised that all chattels had been removed from 1767 West 2nd Avenue to our warehouse at 992 Powell Street and were included in Vancouver Auction No. 16 held on April 5th, 1944. One old desk and two old screens were abandoned as having no value as stated in Mr. Wills' memo dated April 17, 1944.

Although not declared by either Mr. or Mrs. Adachi a box of shoes were sold at Vancouver Auction #56 on December 7, 1945, and the proceeds credited to Mr. Adachi's account.

④ May 23/47
A letter dated May 19/47 on file from Yoshikuni Adachi shows above shoes did not belong to him. Accordingly, they have been transferred to Chetel Thompson (memo May 27/47).

Dear Sir:-

Re: 1767 W. 2nd Avenue,
Owner - Yoshikuni Adachi

On an inspection of the surroundings of the above house, a pipe was noticed coming from the rear wall and connecting to the 4" sewer through a hole cut in it. Apparently this connection is from a fixture in the basement, possibly a Japanese bath.

This connection should be properly made or the fixture removed. Jap baths, however, are not permissible and if one is in use here, it should be removed and the hole in the sewer sealed.

Will you give this matter your attention before the premises are again occupied.

Respectfully yours,

Dear Sir:

We are in receipt of your letter of the 19th instant requesting us to send you funds from your account as your family of seven is in urgent need of clothing.

In the course of the next few days we will be sending you a statement showing that at the moment you have a credit balance of \$47.66. Of this amount approximately \$40.00 will be required for payment of 1943 taxes. Our statement will show that rather more than \$100.00 had to be spent on your house for repairs, decorations, plumbing, a boiler and second-hand bath tub, in order that the premises could be rented--in addition we have paid 1942 taxes.

On the first of March our Claims Department wrote you as per copy of letter attached, and we regret that it is impossible for us to send you any funds until you advise us regarding the claims outstanding. We find that you have written us regarding the item of \$14.25--Vancouver General Hospital, but have heard nothing from you respecting the other three items. We therefore await your news regarding same before we can proceed any further in this matter.

Yours truly,

P. Doust,

Dear Sirs:

re: Master Sutomu ADACHI

In reviewing the above named files we observe that an accident befell the above Japanese on May 18/42 in the 1700 Block, West 2nd Avenue, Vancouver, B.C. by being knocked down down by an automobile driven by Mr. M. Gillam of 1828 West 3rd Avenue.

The record indicates that Mr. Gillam carried automobile insurance with you.

A claim has been lodged by the Vancouver General Hospital for \$14.25 for services, etc., rendered to this Japanese on account of the said accident. The Hospital Account No. is E. 41478.

This account was presented to Yoshikuni ADACHI, father of Sutomu ADACHI, and he has declined to pay because the responsibility for the accident was that of Mr. Gillam he states.

Kindly look into this and let us have your report at an early date so that this claim can be adjusted.

Yours truly,

A. McAlister,

Re: Catalogue No. 316,
1767 W. 2nd Avenue.

This property, the rents for which you are collecting, is the subject of an expected sale through your agency, the effective date of which should be December 22, 1943.

Will you be good enough to continue collecting rents and reporting to this office pending completion of current arrangements. It will be appreciated, however, if you will report as promptly as possible and at the same time will keep us up to date on all charges against the property which are disbursed through your office.

No further extraordinary charges should be incurred without consultation but current levies usually payable on behalf of the landlord (such as water, for example) may be continued.

You will be further notified when the sale is finally completed so that whatever arrangements are desired may be made with the prospective transferee.

Dear Sir:

Re: Catalogue No. 316, 1767 West 2nd Avenue,
Lot 34, Block 218, District Lot 526.

The above lot is 25 x 120 feet to a 16 foot lane, and is level with both street and lane.

On it, is a two (2) storey frame house with full basement above ground level. The foundation, of cement is 27 x 19 feet and posts on cement footings. There is an old wood floor in bad condition and no furnace. Floor joists are at two (2) foot centres. The ground floor containing an entrance-hall, living-room, dining-room and kitchen with pantry, a back porch overhung beyond the foundation. The second floor contains three (3) small bedrooms and bathroom with tin bath and toilet only. Floors throughout are fir and peor.

The exterior of the house is of narrow siding - loose in places and in need of paint. The gables are shingled. There are no eaves or downpipes. The chingle roof is in fair condition on the East side but has been patched on the West side and front and back verandah roofs are poor. The back steps and railing need re-building.

This gernerel area is largely inhabited by East Indians and is a poor residential area - zoned for six (6) to eight(8) storey industrial use.

In my opinion a fair valuation, as at the date of inspection, 6th December 1943 - is One thousand (\$1,000.00) Dollars.

Yours faithfully,

Re: 1767 West 2nd Avenue

I understand that any Japanese effects and furniture on the premises are not included in the sale. These will be removed by the Custodian as soon as possible but in cases where the furniture is included in the lease to the present tenant it cannot, of course, be removed until he is ready to vacate the premises. I undertake to give the Custodian at least two weeks notice of the date on which the tenant is vacating the premises and to allow the Custodian access to the premises in order to remove the furniture at a reasonable and convenient time following the termination of the lease.

Dear Sir:

We wrote you on July 18th regarding cameras surrendered by Mr. Yoshimitsu YASUDA, which Mrs. YASUDA has informed us were your property. Our letter was sent to Tashme, and has possibly not been forwarded to you.

Four cameras and a camera-stand were surrendered by Mr. YASUDA. We have been informed that two of the cameras are your property, while the other two belong to Mr. Yukitoshi YAKURA, but we do not know which cameras are yours and which are the property of Mr. YAKURA. Would you kindly give us a description of your cameras.

Would you let us know, also, if you wish your cameras returned to you. We understand that yourself and Mr. YAKURA are close friends, and that you are both at Vernon. It would probably cost less to ship the four cameras in one shipment by express than to make separate shipments to each of you. The shipment could be sent prepaid and the cost divided between you, as both of you have funds with this office. Or, if you prefer, the shipment could be sent collect.

We do not know whose property the camera-stand is. Possibly you could tell us.

These cameras can be shipped as soon as we have heard from yourself and Mr. YAKURA.

The cost of mailing was fifty cents. This is being charged to your account with this office.

We did not know which of the cameras were yours and which belonged to Mr. Yoshikuni ADACHI. Therefore did not know how the cost was to be divided. Yourself and Mr. ADACHI being friends and neighbours will be able to settle this small matter between you. A copy of this letter is going to Mr. ADACHI.

Dear Sir:

We acknowledge with thanks the sum of four hundred dollars (\$400.00) which we received from our account at your office. We find, however, that it isn't enough to cover the expenses necessary when settling in a new community.

Due to the acute housing shortage, we have had to re-do an old shack to make it livable. This, in itself, is quite expensive, so totalled with all the other expenses, we find that the amount you sent us isn't sufficient to cover all our needs. We would, therefore, appreciate it very much if you would send us the complete balance of our account. We are in urgent need of it.

I hope you will comply with our requests as soon as possible.

Dear Sir:

We have for acknowledgement your letter of October 14th and now enclose Custodian cheque in the sum of \$120.38, leaving a balance of \$1.20 in your account.

A statement of your account up to August 6, 1945 was sent to you with our letter of December 11, 1945, which showed a credit of \$770.70 in your account with the Custodian at that time. Since then the following entries have been made, thus reducing your credit to \$121.58:

			<u>Dr.</u>	<u>Cr.</u>
1945	Aug. 6	Balance as per statement to you on Dec. 11, 1945		\$770.70
	Dec. 6	Cheque to you	\$150.00	
1946	Feb. 26	Proceeds auction sale		.88
	June 7	Cheque to you	100.00	
	Sept. 11	Cheque to you	400.00	
			<u>\$650.00</u>	<u>\$771.58</u>
				650.00
				<u>\$121.58 CR</u>

The small balance of \$1.20 being retained in your account represents the gross proceeds derived from the sale of a box of shoes at auction, the proceeds of which were credited to your account. As our records do not indicate that you left a box of shoes we shall be glad if you will advise if these belonged to your family, or if they were stored by relatives or friends on the premises formerly occupied by you, in order that these funds may be credited to the correct account. When replying, kindly acknowledge receipt of the enclosed cheque.

On reviewing your file we find that we wrote to you on March 31st, 1943 requesting you to send the Certificate of Title No. 40307-L relating to the property situate at 1767 West 2nd Avenue, Vancouver, to this office. Since we do not appear to have received this title and since the ownership of this document is in the Custodian, we now ask you to send it to this office without further delay.
