Dear Sirs:

Re: Regulations

I have your letter of December 13th with enclosures and wish to thank you for same.

The money owing by your company to the enemy firms listed will, of course, have to be blocked and held subject to the Custodian's regulations.

I assume that your company is entirely owned by persons residing in Canada and that there is no question of there being an enemy interest in same. I would, however, appreciate your confirming this.

Your co-operation is greatly appreciated.

Yours truly,

Authorized Deputy of the
Secretary of State and/or
