The following claims are on file:

Dr. H. K. WANUSE	\$17.50
DEPT. OF EDUCATION at Victoria	<u>11.25</u> <u>\$28.75</u>

(These accounts on the file of the deceased father of the above, File 3259).

The Dept. of Education, Victoria, have not sent any additional bills for tuition, but if Miss Maana MURAKI has been continuing the course since 1945, it is probable that some other outstanding bills for tuition may be expected. I have written the Dept. of Education today asking for account.

The above summary is certified to be in accordance with the information on file.

Dear Sir:

Re: Miss Naomi Muraki
Ref. No. 15893

I am in receipt of your letter of August 13th in which you tell us that the estate of Miss Muraki's father is so small that it will be difficult to pay the bill for \$24.90.

In consideration of the above circumstances, this account has been very carefully checked by our bookkeeper and Miss Muraki has only been charged for the papers which she has actually had corrected.

Accordingly, the bill has been reduced to \$17.98, and it is hoped that this adjustment will make a settlement possible.

We have recorded on the file of the deceased the following claims:

Dear Madam:

We have received advice from our representative who was recently on a visit to Lemon Creek, from which it would appear that you are enquiring as to why we have not released the \$25.60 which represents the net proceeds from sale of your radio.

An examination of your file discloses the fact that claims have been filed against you or your sister for medical services owing to Dr. H. K. Maruse, and there are additional accounts from the Department of Education.

We are waiting for a reply from the Official Administrator of your late father's estate. Until he determines if these accounts may be charged against the estate, we will be obliged to withhold your credit balance.

Dear Madam:

We are in receipt of a letter dated September 13th signed by "Eiko - Masae" and as it is not clear who has written the letter we are addressing our letter to both of you.

You enclosed an account for \$17.50 from Dr. H. K. Haruse but there is already a claim on file for Professional Services to Miss Masae Muraki for \$20.00. Is this \$17.50 in addition to the \$20.00, making a total of \$37.50? Please advise us on this point by return and to facilitate your reply we enclose a stamped and addressed envelope. *

You are aware that the affairs of your late father, Yujiro Muraki, are in the hands of Samuel A. Moore, Official Administrator, and we have so far been unable to get his agreement to any payments from the credit standing in your late father's account, namely \$132.50.

Dear Sir: Re: Yuiro MURAKI - #05386 (Deceased)

With reference to our letter of May 18th in which we advised that the Department of Education is owed \$18.00 for tuition fees, we find that of this amount \$6.75 has already been paid, leaving a balance due of \$11.25. The Department of Education now writes as follows:

"I have your letter of July 4th in which you tell me that you have received our bill for \$11.25 for tuition fees for Miss Masae Muraki's correspondence courses, and that you wish to know if there are any other fees outstanding.

There are no other fees outstanding at present. However, when Miss Muraki begins work in the second half of her course in Home Economics CCIII, she will owe a further sum of \$4.50. No papers have been received from her for correction since May 12th. I am writing to her today to ask her how she is getting along in her correspondence studies."

Will you please advise us if we may pay from funds we have on hand, namely \$132.50, the \$11.25 above referred to, and whether at a later date it will be in order to pay the \$4.50 mentioned above. As we have written you a number of letters in connection with this matter, your prompt reply would be appreciated. We would particularly draw your attention to our letters of January 8th and February 14th, 1945.

Dear Madam:

We are in receipt of your letter of the 14th of July and also yours of the 26th of June, requesting us to forward \$25.00 to the Director of High School Correspondence, Department of Education, Victoria, B.C., but regret it has not been possible for us to do this.

The reason is that the money in your Father's account, namely \$150.00, which was paid by Mr. Heiti Muraki, for a debt owed, is not yet available, as, in the first place, there is an amount of \$80.00 owing to the B.C. Security Commission for funeral expenses in connection with your late Father and, further, we have received a request from your brother, Kiyoshi Muraki, querying the amount due to the B.C. Security Commission, and also requesting the balance, namely \$70.00 to be forwarded to him.

We wrote your brother on the 20th of June on this matter, requesting him to agree to the payment to the B.C. Security Commission and asking him to sign a letter agreeing to the above, and also agreeing that we send the balance of the money to your Mother, Mrs. Tame Muraki, but he has replied on the lines indicated above. By copy of this letter to your brother he will know that nothing has yet been done with regard to the money and we suggest that both you and your Mother write him and get the matter cleared up. As no will was left by your Father no action can be taken by us in this matter unless it is agreed by your brother, so please note that we shall do nothing further until we hear from your brother and yourselves. If your brother agrees to our sending the \$25.00 to Victoria then of course we will do so, as we note that your Mother has already agreed to this being done.

We think the matter of the \$80.00 funeral expenses to the B.C. Security Commission should be agreed without delay, but as mentioned, we will await replies to this letter.

Yours truly,

P. Douet,
Administration Department.
