PERSONAL PROPERTY SUMMARY

File No. 13409

June 24, 1947.

Re: Mr. Kishizo KIMURA, Reg. No. 00232

On October 29, 1942, this man signed a declaration to the Custodian. He was evacuated on October 30, 1942.

In his declaration the only chattel declared was a refrigerator left with Bowman Storage. On July 28, 1945, Mr. KIMURA informed this office that he had requested Bowman storage to ship this refrigerator to Mr. K. SAIMOTO, of Revelstoke, and he asked that this article be removed from our records of his property. It is understood that shipment was made by Bowman Storage, as authorized. It is revealed in the file that a Northwest Fire Insurance Policy for \$1500.00 on chattels stored at 2627 McGill St. was cancelled and coverage of \$750.00 transferred to Alpine Lodge, Christina Lake, B. C., so it would appear that this man removed to Christina Lake and otherwise disposed of the remainder of his chattels.

Mr. KIMURA reported that the Canadian Salt Herring Exporters Limited were indebted to him in the amount of \$1600.00. On March 3, 1943, he sent to this office a statement attached to his proof of debt. A copy of this statement is filed under date of March 10, 1943. This statement shows that the indebtedness was \$1,724.59. The sum of \$1,768.33 has been received in full settlement of this claim against the Canadian Salt Herring Exporters Limited. These funds have been credited to the account of Mr. KIMURA. *The file does not reveal the reason for the additional amount.*

He reported \$2500.00 in Victory Bonds at the Royal Bank, Main and Hastings; two \$10.00 War Savings Certificates in his own possession; 30 \$5.00 War Savings Certificates in the names of his five children. These were in his possession at the time of his declaration. He also reported an account of a few dollars in the Royal Bank, Main and Hastings Branch, and three policies with the Manufacturers' Life Insurance Company. None of these items were brought under the control of the Custodian.

The file shows that this man holds one share in the Matsuyama Company Limited. No funds have been paid in to his account from this source.

On December 18, 1942, the sum of \$200.00 was credited to the account of Mr. KIMURA in full settlement of indebtedness of Mr. Kumjiro NAKATSU, File No. 1156. These funds were remitted to Mr. KIMURA on February 24, 1943.

On March 5, 1943, Mr. KIMURA sent to this office a remittance of \$257.80 to be used in settling the liabilities of Katsuji MAKINO, File No. 5927. Settlement of these liabilities was made from the funds.

Prior to the repatriation of Mr. Ryotara KITA, Enemy File No. 1385, and Mrs. Maki KITA, Enemy File No. 1386, the life policies of this couple were assigned to Mr. KIMURA, who was to pay the premiums on the policies. This office, in letter of January 19, 1944, informed Mr. KIMURA that the Custodian would not recognize this assignment except to the extent of the premiums paid by him. At the request of the Custodian, the New York Life Insurance Company Policy #15327296, issued to Mrs. Maki KITA was sent to this office for safe keeping. On December 20, 1944, two Sun Life Assurance Policies, No. 661192 and No. 2214314, on the life of Ryotara KITA were sent to the Custodian for safe keeping. On December 25, 1945, we received a cheque for \$2,000.00 representing the maturity value of Sun Life Policy No. 661192. On February 20, 1945, we sent to Mr. KIMURA a cheque for \$93.27 to cover premium payment of \$89.22 made by him on November 3, 1943, on Sun Life Policy #661192 and interest at 3½% on this payment from

November 3, 1943, to February 20, 1945. It is understood that in accordance with the agreement reached between Mr. KIMURA and Mr. and Mrs. KITA, the premium payments on the other two policies are being paid by Mr. KIMURA who is to receive interest at 3½%.

On December 25, 1946, the account of Mr. KIMURA was debited with the sum of \$175.00 in payment of a Munro Calculator and an adding machine which he purchased from the Canadian Salt Herring Exporters Limited.

The R.C.M.P. turned over to the Custodian on January 27, 1944, a radio and a camera and case which had been surrendered by this man. The radio was sold at auction for the net sum of \$86.68 which has been credited to the account of Mr. KIMURA. The camera and case were stored at 992 Powell St. but it was discovered in May, 1945, that these articles were missing from our warehouse and are believed to have been stolen during a break-in at these premises.

This file reveals no other property of any kind.

This summary is certified to be in
accordance with information on file.

Dear Sir:

Your account has been credited with \$16.75 received from the Liquidator of J. Kasho Co. Ltd. The final report shows that this firm owed you \$100.00, but since there was not sufficient funds to pay the creditors in full, a final settlement of 16.76% was made. Your account has also been credited with \$8.15 representing a final dividend to shareholders of the T. Matsuyama Co. Ltd., of which you were the holder of 1 share.

The Custodian is anxious to send you a cheque for the above two amounts (\$24.91), but before doing so, would you please confirm to this office by letter that the J. Kasho Co. Ltd. owed you \$100.00, and that the share you held in the T. Matsuyama Co. Ltd. (given to you by Mr. R. Kita) was a capital participating share and not just a certificate given to you for voting purposes only.

Sun Life Policy No. 2214314. R. Kita.

I beg to report you herewith that I have received a letter from Mrs. Maki Kita, wife of Ryotaro KITA, Mikekado-mura, Ichimaru, Chikugo-gun, Fukuoka-ken, Kyushu, Japan, that her husband has passed away on November 28th, 1947 at their home, and requested me to find out the procedure of preparing the document for the purpose of insurance claim.

Would you kindly report the death to the Insurance Company and also secure from them the necessary information as to the form of death certificate to be made in the present day occupied Japan?

It occurs to me that if Mrs. Kita is unable to obtain settlement in Japan due to the fact that the Insurance Company has no such facility or by any other reason, she wishes to have the payment made to her niece, Mrs. Masako Yabu, Hamilton, Ontario.

Kindly contact the Insurance Company and advise me in the matter so that I can convey the information to Mrs. Kita.

Thank You,

Yours faithfully,

DECLARATION IN REGARD TO LOST RADIO RECEIPT

I, Kishiso KIMURA of Cascade, B. C.

do hereby declare:

1. That I owned and had in my possession at 2727 McGill Street, Vancouver, B. C., a Zenith Combination Radio, Serial Number R-913215, and that I delivered this radio to the Royal Canadian Mounted Police on March 12th, 1942, and obtained a receipt therefor.
2. That I have made a most diligent search for the said receipt. I have not found the same and the sole reason for the non-production of the receipt is that it has been lost or accidentally destroyed.
3. That I, Kishiso KIMURA, am now entitled to the sum of \$86.68, representing the net proceeds from the sale of my radio.

Dear Sir:

Enclosed herewith is Custodian cheque for the sum of \$1,593.33.
This sum is made up as follows:

The sum of \$1,768.33 was received in full settlement of your claim against the Canadian Salt Herring Exporters Limited and was placed in your account with this office. From your account, as authorized by you, the sum of \$175.00 was transferred to the account of the Canadian Salt Herring Exporters Limited in payment of the Munro Calculator and Sundstrand Portable Adding Machine which you had purchased from that company. The enclosed cheque for \$1,593.33 represents the balance of these funds.

The sum of \$86.68 is standing to the credit of your account. This sum was received as net proceeds from the sale of the radio surrendered by you. This office requires either the receipt given at the time the radio was surrendered or a declaration in regard to ownership before the funds may be released. We enclose a declaration form covering the situation in the case of a lost receipt. It is possible that you may still have the receipt received at the time the radio was surrendered, but may wish to retain the receipt because the camera surrendered at the same time is referred to in that receipt. If so, you could change Section No. 2 to cover that condition, and return it to us. We will then remit to you the \$86.68. The camera, about which we wrote you on January 30, 1946, has not been recovered.

Sirs:-

RE: YOUR FILE NO. 13409, and RE:

Canadian Salt Herring Exporters Ltd.

With further reference to the second paragraph of your favor of 25th ult., regarding account owing by the "Salt Salmon Packers Association" I have found the followings from my old memorandum:

The exact name of the association is:

"SALT SALMON PACKERS' ASSOCIATION OF CANADA" having the

savings account with the Royal Bank of Canada, East End Branch, Vancouver, under:

"S-335", and the balance reported as at October 4th, 1936

was \$219.31. As I do not recollect any cheques being issued after that date, I presume the account should be still there. The fact that the account was left in that state was, I think, because the association did not meet to appoint signing officers in the spring of 1937.

Kindly check further in the matter.

Dear Sir:

With reference to your enquiry contained in your letter of the 12th ultimo regarding a miniature kodak, we have been making a search for your camera and regret to advise you that it is missing.

We have taken all reasonable measures for protection of personal goods, involving considerable expense in the employment of caretakers, watchmen and night patrol, but in spite of this a certain amount of breaking-in and vandalism has occurred in our storage from time to time resulting in some items being stolen. It would appear that your camera might have been taken under such circumstances.

Burglary and theft are, of course, circumstances which sometimes happen to the most careful property owners even when the owner is in residence and after taking every precaution against such possibilities.

The police have been made aware of this situation and if the missing article should be recovered you will of course be advised.

Your request and a copy of this letter will remain on our files indicating the facts regarding this matter and be available for review at any future time.

Dear Sir:

Re: Canadian Salt Herring Exporters Limited.

We are informed by Messrs. P. S. Ross & Sons, who were appointed to liquidate the affairs of the above company, that when you left Vancouver you took with you a Munro Calculator.

It would appear that this should be returned, but if you are desirous of retaining same we would have no objection, in which case it is suggested that your account be debited with an amount of \$100.- Kindly advise whether you will return this calculator or whether you prefer to purchase on the above basis.

It is also noted that there is an amount of \$99.43 due to the above company from the Salt Salmon Packers Association. We understand that while this Association has been wound up it has sufficient funds on hand to pay this indebtedness and that you would be in a position to advise us who would be in possession of these funds.

Will you kindly let us have this information so that this account may be collected on behalf of the Canadian Salt Herring Exporters Limited.

Yours truly,

F. G. Shears,
Director.

This is to advise you that the municipal taxes charged against the above described property as of 1942, were \$414.54 including several years arrears. Since that date further taxes have accumulated until there is now owing \$829.64.

These lots as you know are registered in the name of Charles H. Brown subject to a Right to Purchase in the names of Sataro Fujita, Junichi Ishi and Yoshihisa Sawada. We have however, no actual evidence on file to indicate the extent of the interest of these persons in this property. We have written to you and to other Japanese persons who were officers in the Nippon Tennis Club asking that proof be produced to this office by way of a Deed from Mr. Brown, or receipts for payment. At this date nothing has been produced.

The Custodian has obtained an independent valuation of this property and as soon as the municipal tax levy reaches that figure there will be no object in continuing the vesting, which has in the past withheld this land from tax sale. If you are interested in deriving any proceeds from this property will you please get in touch with the other club officers and have the necessary evidence sent to this office without delay.

Dear Mr. Kimura:

With reference to the claims filed by fishermen in regard to expenses incurred in bringing their vessels to the impounding areas, we have been endeavouring to place on the files of the individuals concerned a record of the claim. We have run into some difficulties in this connection and are hopeful that you may be able to help us. We believe you have a list of the claims. Therefore we are not enclosing a list. If you do not have a list we can let you have one, if it is required.

We are not clear as to whether the individual claimants filed claims in connection with the vessels concerned, or whether the fishermen filed their claims and these were later tied in with the vessels. Or it may be that, it being known that these particular vessels were brought to the impounding areas by their crews, the list of claims were made up without the individual fishermen having filed claims.

We note that in some cases men who owned more than one vessel have claims for each of their vessels, which would indicate that the expenses of the men who brought the vessels in were paid by the boat-owner; for example, Masajiro SHIN, expenses from Nanaimo in the case of the vessels "HINOISAKI" and "KIYO S".

In a case such as that of Mrs. Riyo HAMANISHI, and the vessel "S.U." (this also is in the Nanaimo list) we take it that this vessel was brought in by a fisherman acting on Mrs. HAMANISHI's behalf, and that she paid his expenses.

In some cases, the claimant is not the man who owned the vessel, but is a member of the owner's family. In such cases, we understand that the claimant incurred the expense and has not received recompense from the boat-owner.

In all cases such as the foregoing, we have filed the claims under the names of the individuals listed, taking it for granted that you had reasonable proof that these particular persons had incurred expense in connection with the vessels named in their claims.

Katsunichi KAWAMOTO, claim of \$50.25 in connection with vessel "TSUKIKUNI". This vessel was owned by Nelson Bros. Fisheries Ltd.; that company purchased her in November, 1941. We do not know if Katsunichi KAWAMOTO was using this vessel. He was the former owner. He did own another vessel but did not file a claim for expenses in connection with the other boat.

In this case, but he denied ownership. We do not know who the claimant is KAWAMOTO. The purchaser believed it was owned by Jitsuo UEDA, (I. Katsunichi). This vessel was licensed in the name of Jitsuo UEDA or "Alma" Prince Rupert 398, listed in name of Jitsuo UEDA. Claim of \$50.25 in connection with vessel "I.N."

N. SAKAMOTO, claiming \$50.25 in connection with "N.S." Vancouver 4035. This vessel was released to B. C. Packers Limited, licensed owners. The name of Unosuke SAKAMOTO had been connected with this vessel in our port records, although according to the B. C. Packers Limited list of vessels, this boat had been operated by N. SAKAMOTO. We have a record of a Naohiko SAKAMOTO, who was employed at Claxton Cannery, Skeena River, and who may be the man in question.

First of fishermen operating company boats. who is shown as "I. TSUBU" on the Canadian Fishing Company's to locate the fishermen who had been operating this vessel, and licence being in that company's name. We have not been able vessel was one of those released to the Canadian Fishing Co., "CARLISLE 136" - we have no record of a man of this name. The Tsubu TSUBU, claiming \$50.25 in connection with

In the Prince Rupert to Steveston List:

Ishtar YOSHIDA, claiming \$12.25 in connection with vessel "TSUKIKUNI" - this man is listed in our records. The boat-owner, we believe, was Ishtar YOSHIDA. It is possible that an error was made in the given name of the claimant.

Tsunetaro OYE - claim of \$12.25 in connection with vessel "I.O." Victoria 1617. We believe this man died in hospital in Vancouver in December, 1941, and that we could not justify a claim for expenses incurred.

Totoku NITSUI claiming \$12.25 expenses in connection with vessel "KAWAMOTO" - this vessel was not moved from the Delinquent district, being unseaworthy at the time of impounding.

Hasejiro MOCHIZUKI claiming \$12.25 expenses in connection with vessel "KAWAMOTO". We have no record of a man of this name. This vessel was registered in the name of Kunitaro MOCHIZUKI, of Delinquent, B. C.

In the Delinquent List:

In certain other cases, however, some question has arisen. We deal with these individually, as follows:

13409

-3-

In the Quathiaski Cove List:

H. ATAGI, claim of \$10.35 in connection with vessel "MAYNE ISLAND" - We have no record of a man by this name. The vessel was owned by Ishimatsu ATAGI.

Susumu KOYAMA or F. KOYAMA, claim of \$10.35 in connection with vessel "KATHLEEN". Fujikazu KOYAMA was the licensed owner of the vessel. The proceeds of the sale were paid to Susumu KOYAMA on instructions of Fujikazu KOYAMA. We do not know who brought the vessel to New Westminster.

Mankichi TANINO, claim of \$10.35 in connection with vessel "M.T." Mansuke TANINO has claimed ownership of this vessel. We have no record of Mankichi TANINO.

In the Port Essington to Prince Rupert List:

Two claims of \$5.00 each have been listed under the name of Seiichi MAYEDA in connection with the "KIYOKO #27". We believe this claim has been listed twice in error, and unless we get evidence to the contrary we shall record only one claim.

We realize that over two years has elapsed since you made up this list of claims. It is possible that from your records or from memory you may be able to give us some information, however, or give us the names of persons who could supply information in connection with the individual claims that have been questioned.

We have hopes that recompense will be obtained for the men who assisted in bringing their vessels in to Steveston and Prince Rupert, and we are anxious to see that the person who is actually out-of-pocket gets the money; and not some other person who, while he may have had some connection with the vessel, did not bring the boat in and did not pay out any money in returning home or in paying the fare of the fisherman who brought the boat down in the owner's behalf.

Any assistance you can give us will be greatly appreciated. For your convenience, we enclose a stamped, addressed envelope.

Yours truly,

F. Matheson,

MEMORANDUM

To: Mr. Wright

From: Mr. Gibson

Re: Sun Life Pals. #661192 & #2214314-
Ryotaro KITA, - beneficiary Mrs. Maki KITA, wife
New York Life Pol. #15327296-
Mrs. Maki KITA, - beneficiary Ryotaro KITA, husband

Ryotaro KITA and Maki KITA, his wife were repatriated to Japan September 2nd, 1943. Prior to repatriation but in anticipation of same they endeavored to assign the above numbered policies to their friend Kishizo KIMURA.

The assignment was acknowledged by the New York Life with respect to their policy as noted on Form "D" and we advised them in our letter of January 20th, 1944 as follows:

"We beg to advise you that the Custodian is agreeable to allow the assignment of this policy in favour of Kishizo KIMURA to stand, provided that no benefits of the policy are paid to the Assignee without the written permission of the Custodian."

Assignment of the Sun Life policies were not recognized by the Company, but they have on file a letter from the assured, Ryotaro KITA dated July 21st, 1943, which in part reads as follows:

"I wish to take this opportunity in making an arrangement whereby the above policies be vested in the hands of my friend, Mr. Kishizo Kimura of this community, who will pay for me the premiums as they become due — payable to him upon maturity) and have this amendment in both cases approved of by you."

As stated the Sun Life did not put through the assignment and on August 11th enclosed a copy of the above letter from Ryotaro KITA asking us for a ruling. They were given no definite ruling on the matter and on November 20th, 1944, they wrote to us in connection with the matured endowment #661192. On November 1st, 1944, we wrote to the Sun Life quite fully, which need not be repeated here, but tell them in that letter that the Custodian cannot recognize the assignment of the above noted policy to Kishizo KIMURA except to the extent of the premiums paid by him from his own funds and we directed the Sun Life to pay to the Custodian the proceeds of the matured endowment.

(over)

Memorandum to Mr. Wright

February 20, 1945

Incidentally, before writing that letter to the Sun Life I had discussed the case with you and it had been agreed that I should write the Sun Life as I did and also to Mr. KIMURA, advising him that we could not recognize the assignment, except to the extent of premiums paid plus a fair rate of interest from the funds obtained on maturity of the policies.

Insofar as the rate of interest is concerned, we suggested 4% as being a compromise of 6% that would have been charged by the Sun Life under Automatic Premium Loans and 2% that they now agree to pay on pre-paid premiums on deposit. We also in our letter of November 1st to Mr. KIMURA asked him to send the matured policy #66192 and the Sun Life policy still in force #2214314. I might mention also that we already had received the New York Life policy from Mr. KIMURA attached to his letter of February 7th, 1944.

The arrangement as it now stands is that we hold the two unexpired policies #2214312 (Sun Life) on Kyotaro KITA's life and #15327296 (New York Life) on Mrs. Mari KITA's life and that Mr. KIMURA is agreeable and wishes to continue to pay the premiums on these policies and to be finally reimbursed to the extent of such payments plus interest of 3%. This arrangement is in line with the agreement between Mr. KIMURA and his friends Mr. and Mrs. KITA as set out in his letter of January 10th, 1944 on file 1385.

You will find attached to file 1386 regulation payable to Kishio KIMURA in the amount of \$93.27. This amount represents the premium paid by Mr. KIMURA on Sun Life Policy #66192 of \$89.22 on November 3rd, 1943 plus interest from November 3rd, 1943 to and including February 20th, 1945 of 3% amounting to \$4.05. This payment to Mr. KIMURA carries out our agreement with him insofar as this policy is concerned which you will note matured on October 1st, 1944, and for which we received a cheque from the Sun Life amounting to \$2,000.00 attached to their letter of January 22nd, 1945. This money has been placed to the credit of Kyotaro KITA, file 1386. I might mention in connection with this matured endowment and for the purpose of record that there is a dividend of \$14.54 which is being withheld by the Sun Life until such time as the company receives proof that the assured policyholder was alive at the date of maturity of the contract.

Re: Sun Life Policies #2214314

Sun Life Policy #2214314

With reference to your letter of February 12th we acknowledge receipt of money orders totalling \$115.00 to cover premium on this policy due on May 15th last. The money orders were turned over to the Sun Life this morning and we are attaching hereto their receipt for \$113.95 which includes the \$109.78 due May 15th 1944 plus interest to date. We are also attaching a cheque from the Sun Life payable to yourself for \$1.05 representing over-payment made by you and being the difference between \$115.00 and \$113.95.

In the third paragraph of your letter you suggested that any over-payment might be credited to the premium due on May 15th, 1945; but the Sun Life do not wish to do it that way because they have a rule that they will not accept any payment on deposit for future premiums in an amount less than \$10.00. That is why they have issued you a cheque for \$1.05. The Sun Life will send to you notices of future premiums due on this policy.

Sun Life Policy #61192

We have received from the Sun Life a cheque for \$2,000.00 in settlement of the full maturity value of this policy and as agreed we will reimburse you to the extent of the premium paid by you on November 3rd, 1943 amounting to \$89.22, and we are agreeable to allow interest at 3½% on this amount as from November 3rd, 1943 to and including February 20th, 1945 in the sum of \$4.05. Kindly find cheque attached hereto covering this premium payment made by yourself plus interest in the total amount of \$93.27.

Re: Sun Life Policies

No. 2214314 - " "

With reference to your letter dated December 20th in which you enclosed the above numbered policies covering on the life of Ryotaro KITA, and premium receipt covering 1943 premium of \$89.22.

The matured policy 661192 has been forwarded to the Sun Life and we expect to receive a cheque from them covering the maturity value of this policy in the near future, at which time we will reimburse you to the extent of \$89.22, plus interest from November 3rd, 1943, (the date the Sun Life received payment of the premium) to date.

In our letter to you of November 1st, 1944, we suggested that you be allowed 4%, but in your letter of December 20th you apparently feel that 4% is too much. That being the case, please advise what rate of interest you wish to charge your friend for the use of your money in maintaining the insurance. Kindly advise us about this matter as early as convenient so that we may get this part of it cleaned up.

In connection with the payment of future premiums on Sun Life Policy 2214314, (this would also apply to premiums that you may pay on New York Policy No. 15327366) the Custodian has no objection to you paying premiums on these policies and would have no objection in connection with reimbursement to you of premiums paid by yourself on these policies at their maturity date, which is in line with the arrangement made between yourself and Mr. and Mrs. KITA before they left.

Dear Sirs,

In connection with Sun Policy 221,314,
the net premium of \$109.76 was due on this policy
on May 15th last. When paying this premium now
with accrued interest of \$3.87 up to the 31st of
January, 1945, it would require \$113.65 which you
will probably wish to pay to the Sun Life. Payment of
that you wish to carry on and pay the premiums as
suggested and as arranged with Mr. Kitz, please
advise and we will have the premium due notices for-
warded to you from time to time.

Re: Your File No. 13409, Int. 1385 & Int. 1386.
Sun Life Pols. #661192 & #2214314,
Ryotaro Kita, Insured, & Maki Kita, Beneficiary.

In compliance with your favors of November 1st and November 23rd, and the letter from the British Columbia Security Commission of December 12th, I am enclosing you herewith above policies and a premium receipt dated November 3rd, 1943 for \$89.22 paid on policy #661192.

I may say that I have not paid any further premiums, except one above, as I do not receive notices of payment due on the policies.

As to the interest on any premiums that I have paid on above and that of New York Life Policy #15327296, any rate that you feel fair is quite acceptable - not necessarily 4%, as I have no intention whatsoever to take advantage nor to receive benefit on my friend's investments.

While Kita's present status is that of an enemy alien, he is still one of my intimate friends. And knowing that these insurances represent major part of his savings, I am most anxious that these policies be kept up in force. Therefore, in this connection,

- (1) May I ask if the premiums as they fall due on the policy #2214314 be paid by you out of the funds obtained from the policy #661192 now matured? or
- (2) If such course will not be adopted by your Office, may I beg you to permit me to pay the premiums on Policy #2214314 provided such an arrangement can be made with the Insurance Company with your assistances?

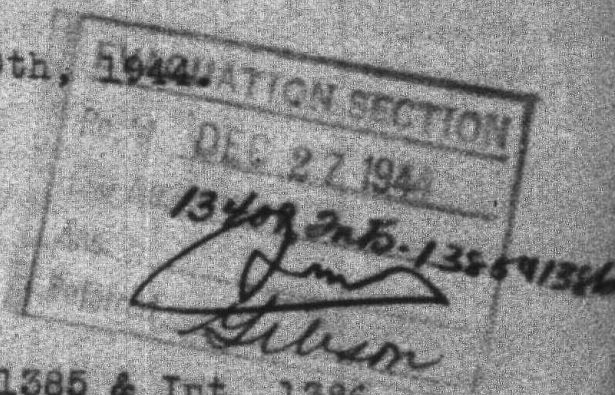

Please perceive, of course, in the case of second proposition I am definitely not looking toward using any of the money derived from the matured policy. But, on the other hand I must know that the action is within the law and also that any payment of premiums be made by me voluntarily - not compulsorily.

Kindly let me hear from you in the matter.

Yours faithfully,

Kishizo Kimura #00232

Dear Sirs:

Re: Eishio KIMURA #00232

I am attaching hereto a copy of our letter written on November 1st to the above named, which will be, I think, self-explanatory.

You will notice in the last paragraph of that letter that I asked Mr. Kimura to send Sun Life Policy No. 661192 to this office and also receipts for any payments he made in connection with premiums on same. Mr. Kimura has not answered that letter and on November 3rd I wrote again by registered mail asking him to comply with our request.

We have heard nothing from him at all and I wonder if you would be good enough to contact him if you have a representative in that district and obtain from him the policy and receipts as requested.

In addition to our request of November 1st we would also request that Mr. Kimura send to this office Sun Life Policy No. 2214313 also covering on the life of Hyotaro Kite. You might ask your representative to obtain this second policy mention for us.

Dear Sirs:

Re: Policy No. 661192
Ryotaro KITA (In Japan)

Referring to your letter of October 16th dealing with the above numbered policy which endowment period expired on October 1st, last.

As mentioned in your letter you had reported this case to us in a letter of August 11th, 1943 attached to which you let us have a copy of Mr. Kita's letter of July 21st which in part reads:

"On suggestion by the Spanish Consul at Vancouver I may be included in the list of those to be repatriated to Japan in exchange with some Canadian Nationals. While this is still indefinite as yet, I wish to take this opportunity in making an arrangement whereby the above policies" (he also referred to Sun Life Policy #2214314) "be vested in the hands of my friend, Mr. Kishizo Kimura of this community, (who will pay for me the premiums as they become due --- payable to him upon maturity) and have this amendment in both cases approved of by you."

When Mr. Ryotaro Kita wrote this letter of July 21st he expected at that time to be repatriated and it was evident by his own letter that it was on that account that he desired to make this assignment.

Ruling given by Mr. G. W. McPherson, Executive Assistant to the Secretary of State of Canada, dated October 14th, 1943 covering a similar case, would apply here and it reads as follows:

"The arrangements made insofar as repatriates are concerned were that by accepting repatriation they were voluntarily placing themselves in the category of enemies and their property would automatically come under the control of the Custodian."

(over)

San Life Assurance Company of Canada - November 1, 1944.

On October 29th, 1943 our Legal Department wrote to you in connection with the above numbered policy and No. 2217314 which also covered on the life of Hyotaro Kita. We advised you at that time that the policyholder and the beneficiary had been repatriated to Japan and that therefore they were enemies within the meaning of the Consolidated Regulations respecting trading with the enemy.

Going back to your letter of August 11th, 1943 in the last paragraph you asked us to let you know whether or not the assignment could be accepted under the circumstances. The matter at that time was referred to Ottawa and on August 24th we wrote to you advising that before the Custodian will consider the question of whether or not Mr. Hyotaro Kita should be permitted to assign his life insurance to Mr. Kimura he still required full information as to the consideration for the assignment proposed to be paid by Mr. Kimura. We have, apparently, nothing further on file from you answering ours of August 24th; but we have a letter from Mr. Kimura dated January 10th, 1944 dealing with an assignment of a New York Life Policy for Mrs. Makki Kita, wife of Hyotaro Kita and the 2nd paragraph of his letter says:

"The said policy was assigned to me on the understanding that I am to pay the future premiums as they fall due, and when matured I am to receive the amount of premiums that I have paid until then together with a fair interest allowance."

On January 19th we wrote to Mr. Kimura in part as follows:

"We are in receipt of your letter of the tenth instant, and wish to advise you that the Custodian cannot recognize the assignment of the above noted policy to you except to the extent of the premiums paid from your own funds. As these are substantially the circumstances as set out in your letter, we presume that you will wish to continue to pay the premiums as they fall due."

Considering the above circumstances the Custodian cannot recognize the assignment of the above noted policy to Kiyohiro Kimura except to the extent of premiums paid by him from his own funds. Therefore we request you please to pay the proceeds of this matured endowment to the Custodian of Enemy Property making

your cheque payable to the Custodian, for the account of Ryotaro Kita. We in turn will be responsible to see that Mr. Kimura is reimbursed for any outlay that he has made in connection with maintaining this insurance by the payment of premiums.

With reference to the dividend of \$14.54 which had accrued at maturity, we also request you to pay this dividend to this office for the account of your policyholder Ryotaro Kita.

The directions herein are made pursuant to the provisions of the Revised Regulations Respecting Trading with the Enemy, 1943.

For your information we are enclosing herewith a copy of our letter of today's date to Mr. Kimura.

Thanking you for your cooperation,

Yours truly,

Dear Sir:

Re: Sun Life Pals. #661192 & #2214314
Ryotaro KITA
Maki KITA - Beneficiary

We understand that Ryotaro Kita, in a letter dated July 21st requested the Sun Life to have the above numbered policies covering on his life assigned to you. We further understand that he deposited these policies with you for safe-keeping, on the understanding that you would pay the premiums as they fell due.

Please be advised that the Custodian cannot recognize the assignment of the above noted policies to you except to the extent of premiums paid by you from your own funds. With regard to these policies we wish to advise that they now vest in the Custodian and we must ask you to forward them to this office for safe-keeping. Referring specifically to Sun Life Policy No. 661192 we are advised by the Sun Life that this policy matured on October 1st. We have requested the Sun Life to pay the maturity of that policy and accrued dividend to this office.

In a letter dated January 10th, 1944 written by you and referring to a New York Policy No. 15327296, this policy covered on the life of Mrs. Maki Kita which, as you know, was a subject of an assignment from Mr. Kita to yourself prior to her repatriation. I understand that the circumstances in connection with this policy are exactly similar to those effecting the Sun Life policies mentioned above and I notice that paragraph No. 2 in your letter of January 10th you say that the said policy was assigned to you on the understanding that you were to pay the future premiums as they fell due, and when matured you were to receive the amount of the premiums that you had paid until then together with a fair rate of interest allowance.

(over)

Mr. Kishizo KIMURA

November 1, 1947.

In connection with Sun Life Policy mat-
uring October 1st, we are prepared to allow you any
money that you have paid out in premiums to maintain
this policy and also as agreed apparently between you
and Mr. Kita a fair rate of interest. The Sun Life
are paying 2 1/2% on pre-paid premiums on deposit and
on the other hand, if the premium had been charged
against the policy it would have cost Mr. Kita 6%.
I would suggest that a possible 4% would be a very
fair rate of interest to allow you for the use of
your money in maintaining this insurance, which in-
cidentally is 1% more than you could have received had
the money been invested in, say, Victory Bonds.

Kindly let us have a receipt for any pre-
mium payments made on this policy by yourself along
with the policy itself as requested above.

The circumstance stated in the second paragraph was explained to Messrs. P. S. Ross and Sons who audited the affairs of the company. However, because I did not have their official authority to take possession of the War Loans, they are still left with the Bank.

Dear Miss Matheson:

Re: Vessel "K.N." 591, N-040 C.

Kunijiro Nakatsu, Owner.

With reference to the above vessel which was considered a Total Constructive Loss and owner having filed his claim for \$550.00 for the said loss, I have had an assignment of payment to the extent of \$200.00.

As you will remember, this assignment was made to me by the owner in lieu of the money I have loaned, after consultation with Mr. McMaster, to him when he found it necessary to have the said sum as his family was evacuating to Greenwood, B.C. At that time, money for the Total Constructive Loss claim had not come, but was said to be forthcoming in a near future.

Because I have already filed the assignment form with the Japanese Fishing Vessels Disposal Committee and I did not expect difficulty in receiving the sum from the Committee if payment for the claim is received by them, I did not report the said claim assignment with the Custodian when I evacuated Vancouver on October 30th, 1942.

To date, I am still waiting for the said sum. Therefore, would you kindly look into the matter and help me out so that I will be able to get my remittance on the assignment as soon as possible?

Thanking you for your favor, I am,
