PERSONAL PROPERTY SUMMARY

File No. 13420

December 16, 1946.

Re: Saitaro KAGEYAMA, Reg.No.05422
Deceased

This man signed a declaration to the Custodian on October 26, 1942. He was evacuated on October 30, 1942. He died at Tashme Hospital on September 3, 1945.

In his declaration to the Custodian, Saitaro KAGEYAMA reported ownership of some dental equipment and furniture, left at 210 Powell Street. Prior to the removal of chattels from 210 Powell Street to Custodian warehouse, 604 Cordova Street, Dr. SHIMOTAKAHARA (owner of the premises at 210 Powell Street) marked with Dr. KAGEYAMA's name the goods he identified as belonging to him. Quite a number of items sold at auction or by tender were not declared by Dr. KAGEYAMA, but it would appear that the goods sold, from which the proceeds have been credited to the account of Dr. KAGEYAMA, were those which Dr. SHIMOTAKAHARA identified as the property of KAGEYAMA. The net proceeds from the sale of chattels identified as belonging to KAGEYAMA were \$379.42, which were credited to his account.

In his declaration to the Custodian, Saitaro KAGEYAMA reported three \$100.00 Victory Bonds in the Bank of Montreal, Main and Hastings, Vancouver. These securities were still in the care of the bank at the time of KAGEYAMA's death.

He declared a bank account #1121, with the Bank of Montreal, Main and Hastings Streets. At the time of his death, there was a credit balance in this account of \$8,728.03.

The sum of \$4.50, received as refund of B. C. Electric Railway Co. security deposit, was remitted to Saitaro KAGEYAMA on March 24, 1944.

Under date of January 26, 1946, there is on this file a copy of the translation of a document which the late Saitaro KAGEYAMA appears to have intended to be his will. This document mentions a sum of money in a trunk intended to provide for his funeral expenses. Letter of February 4, 1946, signed by Walter Hartley, Dept. of Labour Supervisor at Tashme, states that \$70.00 were found in KAGEYAMA's pillow. This money was used in funeral expenses, telegrams, etc. The document also mentions papers, and other personal effects, which apparently he had left in the care of Dr. Lew at 210 Powell Street, and which he wished to be sent back to Japan. Nothing is revealed by the file in regard to this box of personal effects.

With the approval of the Official Administrator, this office has made the following payments from the funds in this account: April 16, 1946, \$3.00 paid to Mrs. E. R. Kay for translation of the document left by Dr. KAGEYAMA; the sum of \$100.00 paid to Giichi NAKAYAMA, File 11741, who was to take the ashes of the deceased back to Japan. This left in the account the sum of \$276.42, which was turned over to the Official Administrator by cheque on December 14, 1946.

This file reveals no other assets of any kind.

This summary is certified to

on file.

CHATTEL SUMMARY

File No. 13420

December 16, 1946

Re: Saitaro KAGEYAMA, Reg.No.05422
Deceased

This man signed a declaration to the Custodian on October 26, 1942, just four days before his evacuation.

In his declaration Dr. KAGEYAMA reported one dental chair, one dental engine(Ritter) one cabinet, one table, six chairs, one bench, one ovenport, one bureau and some medical books, all of which he stated he was leaving in the care of a friend, Mr. Y.P. Lew (Chinese) who was living at 210 Powell Street. In November, 1942, Mr. Y. P. Lew signed acknowledging that these articles were in his care.

Sometime prior to February 4, 1944, the dental equipment was removed to 604 Cordova Street for storage. In memorandum dated February 4, 1944, Mr. G.B. Spain states that Dr. Shimotakahara (owner of the property 210 Powell) had marked the goods that belonged to Dr. KAGEYAMA with the owner's name.

It will be seen from the Chattel Schedule that a considerably greater number of articles were sold for this man than he had declared. Dr. KAGEYAMA; in letter August 18, 1945, implies that ^{other} articles besides the dental equipment and waiting room furniture, and his letter of August 29, 1945 indicates the possibility that not all his chattels were declared by him, as he states that he was pretty sick at the time of his evacuation.

In view of the fact that Dr. Shimotakahara marked with Dr. KAGEYAMA's name all the articles belonging to him, it is assumed that the articles sold at auction and credited to Dr. KAGEYAMA were so marked.

The dental equipment identified as the property of Dr. KAGEYAMA was sold by tender on January 2, 1946, after being appraised by Mr. R. T. Muir at a value of \$175.00. Sale price was \$350.00. The cost of appraising and the advertising costs in connection with this equipment amounted to \$11.67, leaving a net credit of \$338.33, which was placed in the account of Saitaro KAGEYAMA.

The remaining chattels were sold on August 22, 1945, September 5, 1945 and September 19, 1946, by auction. The net proceeds from these sales were \$41.09, which was credited to the account of Saitaro KAGEYAMA.

The file does not reveal any chattels belonging to Saitaro KAGEYAMA as being still in storage at Vancouver.

This summary is certified to
be in accordance with information
on file.

Dear Sir:

Re: Estate of Saitaro Kageyama, Deceased.
Your reference No. 3449.

Mr. K. Kasuta called at this office today to enquire regarding disposition of the funds standing to the credit of this Estate. He advised us that he had supplied you, some time ago, with the family record of the deceased, giving complete details of next-of-kin.

If you are now able to distribute the funds to the heirs we would appreciate receiving the usual statement of receipts and disbursements, together with information concerning the heirs and the share each is expected to receive.

If the two brothers, who we understand are in Japan, are to share in this Estate, this office will, of course, be interested in receiving these funds for the credit of the individual Enemy accounts in this office.

Yours very truly,

A. G. McArthur,

Replying to yours of the 5th instant, I am not in a position as yet to give you the names of the next-of-kin or the share they will take.

Since the matter was received by me on November 29th, 1945, I have been trying to ascertain who were the next-of-kin. In your letter to me of that date you say that your file indicates that the deceased left no kin and that he was single and that both of his parents were dead.

Later, we received a document, signed by the deceased, and which apparently he considered was his Will and in which he mentions his two brothers, Shinichi Kageyama and Genjiro Kageyama and one Toyomi Kageyama. He describes this later person as "My late Nephew's daughter". In this document he says Dr. Shimotakaharo and Tanaka Karoko of Toronto, knew all about his affairs and he gives the address of Tanaka Karoko. I wrote her for information about the deceased's next-of-kin, but got no reply.

Recently I got in touch with K. Kazuta, a friend of the deceased. He claimed he knew the two brothers mentioned above, but knew nothing about the daughter of the deceased's nephew. He arranged with me that he would make enquiries, and might be able to assist me in locating her. It is possible that this daughter of the deceased's nephew may share in the estate.

Re: Dr. KAGIYAMA's chattels from
210 Powell Street, Vancouver, B.C.

We removed the chattels from 210 Powell to 604 Cordova Street as the building was to be sold. An inventory was not taken as Dr. Lee (a Chinese) agreed to take all of the chattels and store them in the basement of his home.

Months went by and still Dr. Lew did not take them away.

Besides the dental equipment there were a number of household effects; these were later sold in Auction's No. 50, 51 and 52.

The dental equipment was sold by tender December 1945.

I wrote her on the 29th ultimo inquiring whether or not the funeral had been paid and if so to let me know who paid it. Up to this time I have received no reply.

Dear Sir:

Re Saitaro Kageyama, deceased.
Registration No. 05422
Your file No. 13420.
Evacuee Section.

Replying to yours herein of the 26th inst.,
it seems to me that under the circumstances your Department could
advance out of the money you have on hand the \$100.00 to
G. Nakayama, in order to carry out the wishes of the deceased with
reference to the conveying of his ashes to Japan. ✓

The document sent to me and referred to as
the deceased's will is not a legal will that would be recognized
by our Courts. It is not witnessed, and it would therefore
appear that there is an intestacy.

There is some doubt about all the next-
of-kin. As soon as I can ascertain the information required,
I will apply for Letters of Administration.

I have written Miss Tanaka Koroka of
Toronto. She is the party the deceased mentioned in the document
that he signed as the person who could furnish all information
required.

Would you kindly let me know who is
holding the bank book so that I may get it.

I understand the Department of Labour
have paid for the funeral. If so, could you secure for me a
copy of the receipt as I will require it for the auditors later
on.

Mrs. Key's husband has been called to Washington, D.C. for training preliminary to assignment to a post in China so that the prospect is that she will be leaving Canada for China within a couple of months. Further of recent correspondence in connection with the above, we have now received a reply from our Tashima Supervisor with reference to the writer's suggestion that the deceased might have left some monies in his trunk as quoted in the Will. (copy attached)

We would particularly draw your attention to the request from Mr. Nakayama, one of the Executors, for \$100.00 to take the ashes of the deceased to his brothers in Japan. It is likely that Mr. Nakayama will be repatriated soon, and from personal conversations the writer is convinced that he will not carry out these provisions of the Will unless he first receives this allowance.

From the desk of WALTER HARTLEY - SUPERVISOR. To MR. D.W. SIMMONS - COMPTROLLER.

Subject ESTATE OF SAITARD KAGAYAMA #95422 Date FEBRUARY 4, 1946

Your memo of February 1st to hand. I have checked into this matter and find that there was no money in the trunk, but there was \$70.00 on the pillow at this man's head when he was found. The witnesses present when they opened the trunk was Dr. Shimokura, Mr. Nakayama, Mr. Tehara and Mr. Komiya.

This money that was found on the pillow was used in funeral expenses and telegrams, etc., and was not sufficient to cover the funeral expenses. Mr. Nakayama, one of the executors of this will, spent considerable amount of his own money in this connection, and asked me if it would be possible for him to get at least \$100.00 from this Will to take Kageyama's ashes and small personal effects to his brothers in Japan.

The clothing effects that was in the trunk has been distributed to the different friends as designated by Kageyama.

RE: Dental Equipment

Dear Sir:

We have your letter of the 11th instant with reference to the dental equipment for which tender is now taking place.

We regret being unable to give you any description and would not care to indicate the condition. It will be available and open for inspection at any time you care to make an appointment.

If you are unable to visit Vancouver for a personal inspection, perhaps you could enlist the services of an agent in Vancouver who could do the needful for you and supply you with a report on the equipment.

RE: DENTAL EQUIPMENT

When you were in Vancouver, you discussed with the writer the disposal of your equipment, dental chair, etc. We moved the equipment temporarily to our warehouse, and we understood that your Chinese doctor friend, Dr. Lew, would remove it later and hold same for you.

We require the warehouse space at present, and if you do not intend to re-locate and open your practice in the East, we would suggest that you communicate with Dr. Lew and ask him to arrange the removal of the equipment, or authorize us to sell by auction in the near future. Your prompt reply will be appreciated.

Re: Dr. HUI SHING KONG

In reply to your memo of the 28th ultimo, the dental equipment has been removed to our warehouse at 621 East California Street, and will be held there pending further instructions from you. This dental equipment is not the property of Dr. Hui Shing Kong but belongs to Dr. William Huggins (File 100-100000). There was no difficulty in removing these articles because Dr. Hui Shing Kong on his last visit to the warehouse marked Dr. Huggins's name on all the articles that belonged to the latter.

In the same building downstairs at 211 Powell Street, Dr. Hui Shing Kong stored a considerable quantity of dentals belonging to his son-in-law Dr. Hui Shing Kong (File 100-100000).

Before the keys to the premises are handed to Mr. Lin Hoo, some steps will be necessary to protect Dr. Hui Shing Kong's dentals. I do not know who has the key to 211 Powell Street, probably Dr. Lin Hoo would have it.
