PERSONAL PROPERTY SUMMARY

File No.13421 Feb. 4/47

RE: Sumiye TOMONAGA, Reg. No. 08936

This file reveals that Mrs. TOMONAGA owned no real property in any protected area of B. C. and carried no Fire Insurance.

CHATTELS: Miss Sumiye TOMONAGA made her declaration to the Custodian on Nov. 7/42 and was evacuated on Nov. 27/42. Miss TOMONAGA declared no chattels. However a piano, six power sewing machines with accessories and other effects were moved in her name from 374 W. 4th Ave. to storage. The piano and bench were shipped at the request of Miss TOMONAGA. The other effects were sold and the money credited to her account. However as the father and mother were the ones who declared the chattels, the proceeds were transferred to the account of Mrs. TOMONAGA and no funds now stand to the credit of Miss TOMONAGA.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

RE: Yuse Mrs. Shigeyuki) TONONAGA, Reg. No.09567
Saniye TONONAGA, Reg. No. 08936
Shigeyuki TONONAGA, Reg. No. 08272

Chattels were declared by Mr. and Mrs. TONONAGA as shown on Chattel Schedule on file.

The articles which Mrs. TONONAGA reported were stolen from her home during time she was in the Immigration Bldg., have apparently never been found by the Police. However Mr. Spain states in undated memo that Mrs. TONONAGA said these goods were not of any special value.

Of the four items reported in storage at Cromes, the washing machine, hemstitching machine and the buttonhole machine were removed to our storage warehouse and sold at auction on May 2/44 for the net sum of $146.91 and this sum has been credited to the account of Mrs. TONONAGA.

Of the items declared as being at 374 W. 4th Ave., the piano and bench were shipped on May 20/43. The electric motor, wall clock and time clock were sold at auction for the net sum of $63.24 and this sum credited to the account of Mrs. TONONAGA.

The desk,desk chair, kitchen range, shoe box, paper patterns and the 2 beds declared by Mr. TONONAGA, were not found by the Custodian. It is quite possible that these goods were taken with her or disposed of by her prior to the evacuation of Mrs. TONONAGA and her daughter.

The cupboards,tables, card rack, ornaments, and vacuum cleaner tools, inventoried by the Custodian, are missing. It may be that these were not saleable, but there is no memo on file stating they were discarded. I have checked the file of Mrs. Isam OKANO, File 9777, who also had goods at this address, but none of the goods missing would appear to have been credited to Mrs. OKANO.

The 6 power sewing machines, 12 pulleys and 6 shafts, were advertised for sale by tender and sold for the sum of $150.00 and this sum was credited to the account of Mrs. TONONAGA.

The following expenses have been paid from the credit of Mrs. TONONAGA:

Cost of advertising sewing machines in papers	$8.00
Cost of appraisal	5.00
Storage owing to Cromes	30.00
	$43.00

Her total credit from sale of chattels was $360.15. This sum less the deductions of $43.00, leaves a balance of $317.15 now in her account.

The above summary is certified to be in accordance with the information on file.

Mrs. Inke TOMOSAGA,
Reg. No. 09567,
Rosebery, B. C.

Dear Madam:-

We have received your letter of December 1st written by your daughter and note the contents. In accordance with the policy of orderly liquidation laid down by Ottawa, the Custodian has been engaged in disposing of the effects and equipment of evacuees since September 1943. Our intention to do so was fully publicized in the New Canadian and by notices posted in the Interior Housing Settlements during the early summer of 1943.

You will recall that neither you nor your daughter were particularly helpful to this office or the evacuation authorities in November 1942 but we have since then done our best first to protect and subsequently to dispose of your property.

Your power sewing machines and equipment have now been sold either at auction or by calling for tenders and we shall shortly be advising you of the net proceeds credited to your account.

Yours truly,

H. F. Green

Re: Mrs. Take TOMONAGA
Miss Sumiye TOMONAGA

You may be interested to note letter from Mrs. Take Tomonaga written by her daughter attached hereto and stating that she has written to Ottawa to confirm the policy of liquidation.

You may recall this case as the wife and daughter refused to move from the protected area and claimed to have had a large sum of money stolen while detained in the Immigration Buildings. The attached memorandum to file summarizes transactions that have taken place so far and if you will kindly return the files to me, I will send a brief answer to Mrs. Tomonaga.

Re: Mr. and Mrs. Shigeyuki TOMONAGA
Miss Sumiye TOMONAGA

Mr. Tomonaga, file 3079, declared some effects in the rented premises at 374 W. 4th Avenue among them a piano and vacuum cleaner. He was evacuated on September 23rd, 1942.

His wife and daughter, our files 13341 and 13421, were less tractable and refused to move from the protected area and were placed in detention.

The daughter, Sumiye, declared on November 7th, 1942, no property. A piano, six power sewing machines with accessories and other effects were shortly afterwards moved in her name from 374 W. 4th Avenue to storage. The piano and bench, obviously those declared by her father, have since been shipped to Rosebery for the kindergarten there. Certain other effects have been sold at auction and the proceeds credited to her account after deducting charges due on effects left with Crones. These funds should be transferred to her Mother's account as they are more correctly payable to her and this is being done.

The wife, Take, also registered on November 7th, 1942, but was most unco-operative and refused to sign the declaration. She later claimed that while in detention, the vacuum cleaner declared by the husband, other sundries and a large sum of money, were stolen from 374 West 4th Avenue. This was fully reported on by

Mr. Spain on her file under date of November 20th, 1942.

Some of the sewing machine factory equipment has been sold at auction, some advertised and no acceptable tenders having been received, sold against an independent appraisal.

Chattels may now be regarded as closed on the father's file, those declared by him having been either disposed of (in all probability) by his wife and daughter after his evacuation, stolen and shipped as above, or moved to storage in the daughter's name. Chattels on the daughter's file may similarly be regarded as closed, transactions thereon being transferred to file 13341.
