PERSONAL PROPERTY SUMMARY

Re: Kiyoshi SHINMOTO #06578

February 12, 1946.

This man did not signa declaration to the Custodian, but his wife, File 593, reported a quantity of laundry equipment and other chattels owned by her husband,

All the saleable laundry equipment was sold on December 7, 1943, for the sum of $520.00. This equipment was valued by Mrs. SHINMOTO at $8,500.00. It was appraised by Mr. Joseph Aitchison, who said that it was worth at least $500.00 to salvage and sell the main items and junk the balance. Mr. Aitchison's itemized valuation added up to $958.88. This office endeavoured for over a year to sell this equipment and it was finally sold on December 7, 1943, when the highest tender of $520.00 was accepted. This money was credited to the account of Mrs. SHINMOTO, File 593. Expenses in connection with the sale and storage of this laundry equipment totalled $144.78. Taxes of $18.84 were paid on this equipment in connection with the School Assessment on Personal Property for 1943 and 1942.

Plumbing tools, declared by Mrs. SHINMOTO, were shipped to her. Other tools were sold and the money paid direct to either Mrs. SHINMOTO or Mr. SHINMOTO prior to their evacuation.

A logging jack and drag saw were sold by Mr. SHINMOTO to Mr. J. Forbes for $85.00. This money was paid to the Custod ian on December 1, 1943 and credited to the account of Mrs. SHINMOTO.

Mrs. SHINMOTO reported the following debts in connection with unpaid laundry bills:

C. Ferguson - $40.00. This man joined the Air Force and the account could not be collected.

H. J. Walters - $60.00. This account was placed in Small Debts Court by Mr. F. E. McCarthy, of Campbell River, acting on behalf of Mrs. SHINMOTO. Three payments, totalling $15.00, were made through the Courts. This sum was credited to the account of Mrs. SHINMOTO. $5 rec'd March 16/46.

At the time inventory was taken of the laundry equipment, April 25, 1942, a number of articles could not be found. It is believed that some of the items had been returned to the wholesale suppliers, while others had been stolen, as the building in which the laundry was situated was not at all secure. Articles believed stolen were three irons.

Although the proceeds of the sale of the laundry equipment and tools and the funds collected from debtors were credited to the account of Mrs. SHINMOTO, she had declared the laundry and tools to be her husband's property. Therefore, on February 1, 1946, the sum of $362.12, representing all funds paid in to this office in connection with the laundry and tools, was transferred to a joint account in the names of Yukiko and Kiyoshi SHINMOTO, Account No. 593/13932.

The passenger car reported by the Royal Canadian Mounted Police must have been sold by Mr. SHINMOTO before the date set for the surrender of these articles as we have no record of this car.

This file reveals no other property.

DATED: February 12, 1946.

Dear Sir:-

Re: Mr. and Mrs. Kiyoshi SHIMOTO

Thank you for yours of September 6th which we regret has not been answered more promptly, due to the absence of the writer.

Our records show that the equipment of the Campbell River Laundry was sold for $520.00 on December 7th last year to Mr. Mollesen. As there was no real estate involved, the question of adjustment of taxes was overlooked and no arrangements made with the purchaser.

On turning up a previous assessment notice, we see that this property was assessed for the years 1942 and 1943 at a value of $1850.00. During this period, the laundry was not in operation and constant attempts to secure an even remotely reasonable bid met with failure. It was finally appraised by an experienced laundry engineer as having a value of $958.88. When, however, tenders were called for, the highest bid that could be secured was, as mentioned above, but $520.00. In view, however, of the fact that the equipment was on rented property for which rent was accruing and was deteriorating from lack of use, it was decided to accept this offer.

Under these circumstances, we wonder whether you would be prepared to consider any reduction in your assessment for the years 1942 and 1943 bearing particularly in mind the fact that the laundry was not operated during this period.

Mr. and Mrs. Kiyoshi SHINMOTO,
Reg. Nos. 06578 & 06577,
TASHME, B. C.

Dear Sir and Madam:

Your files with this office have been reviewed, and it is noted that Mrs. SHINMOTO, in her declaration to the Custodian, on April 4, 1942, reported laundry equipment and tools which she stated were the property of her husband. As you have previously been informed the saleable laundry equipment was sold for the sum of $520.00. Expenses in connection with the storage and sale of this equipment amounted to $144.78. Taxes of $18.84 were paid for the years 1942 and 1943 in connection with the school assessment on personal property, leaving a net balance of $256.38, which was credited to the account of Mrs. SHINMOTO.

The logging jack and drag saw, which you sold to Mr. J. Forbes for $65.00, was not paid for until December 1, 1943, when this money was paid to this office and placed in the account of Mrs. SHINMOTO.

The following Accounts Receivable in connection with your laundry business were reported: C. Ferguson - $40.00, we endeavoured to collect this account but found that this man had joined the Royal Canadian Air Force and the account could not be collected. H. J. Walters - $60.00, this account was placed in Small Debts Court by Mr. McCarthy, of Campbell River, acting on your behalf, and three payments, totalling $15.00 have been made through the Court. This money was credited to the account of Mrs. SHINMOTO.

The claim of the Campbell River Garage in the amount of $94.26 was paid from these funds, as authorized by you, in February, 1944.

We have transferred to a joint account in your names the $262.12 remaining of the funds derived from the foregoing sources, and from this account we have paid to Chika ADACHI, the sum of $150.00 in settlement of the claim against you, which you authorized us to pay to this man.

The following claims have been filed against you: O. Kondo Co.- $18.02; McLennan, McFeely & Prior Ltd. - $12.23; Retail Credit Grantor's Ass'n- $12.06; T. Naikawa Stores Ltd. - $19.24, a total of $61.57. These claims have been referred to you at various times, but no reply has been received to our letters. If these claims are in order, would you kindly authorise payment. While these claims remain on your files, a sum sufficient to cover them must be held in your account. Please let us hear from you in regard to this matter.

The Royal Canadian Mounted Police reported to this office that Mr. SHINMOTO was the owner of a passenger car. As this office has no record -

593 & 13932

of this vehicle, it is assumed that you disposed of it prior to the date on which motor-vehicles were ordered surrendered to the police.

The sum of $80.00 remains in the account of Mrs. SHINMOTO. These funds represent the proceeds of the sale of her chesterfield suite.

It would appear that we have accounted for all the property of every kind left by you in the protected area, which vested in the Custodian and, in order that you may confirm this and inform us regarding your liabilities, we enclose a stamped, addressed envelope for your convenience in replying.

Yours truly,

With reference to your letter of January 30, 1943, in which you sent to this office the sum of $5.00 which Mr. H. J. Walters had paid into Small Debts Court in connection with the claim of $60.00 placed in your hands by Mr. McCarthy on behalf of Mrs. SHIMMOTO, we wish to call your attention to the fact that this payment of $5.00 and the previous $10.00 which had been paid on this account, left a balance of $45.00.

In your letter of January 30, 1943, you stated that you were writing to Mr. WALTERS to impress upon him that he would have to do better in regard to this account. Would you kindly send to the Custodian any further funds that have been paid in to you in connection with this matter.

Mr. & Mrs. Kiyoshi SHIMOTO,
Reg. No. 06277,
[redacted], B. C.

Dear Sir & Madam

In reply to letter received from Mrs. Shimoto, we wish to advise that we have reviewed our records of your property and these reveal the following information.

While Mr. Shimoto did not report any property to the Custodian, Mrs. Shimoto reported property which she stated belonged to her husband. We enclose a statement covering funds paid in to this office in connection with the property reported by Mrs. Shimoto.

The laundry equipment was sold for the sum of $520.00. Expenses in connection with the storage and sale of this equipment amounted to $144.76. Taxes of $18.84 were paid for the years 1942 and 1943 in connection with school assessment on personal property, leaving a net balance of $356.36.

The logging jack and drag saw, which you sold to Mr. J. Forbes for $85.00, was paid for on December 1, 1943, when this money was paid to this office and placed to the credit of Mrs. Shimoto.

The claim of the Campbell River Garage in the amount of $94.26 was paid from funds in Custodian account as authorized by you, in February, 1944.

The claim of $150.00 filed by Mr. Shiba ARAGHI was paid as authorized by you from funds in Mrs. Shimoto's account.

You reported the following Accounts Receivable in connection with your laundry business:

C. Ferguson - $40.00, we endeavoured to collect this account but found that this man had joined the Royal Canadian Air Force and the account could not be collected.

R. J. Walters - $60.00, this claim was filed in Small Debts Court by Mr. Doherty, of Campbell River, acting on your behalf, and up to February 14, 1946, three payments totalling $15.00 were made through the Court. This money was credited to the account of Mrs. Shimoto.

From the above sources there was credited to the account of Mrs. Shimoto a total of $620.00. From this account were paid out funds totalling $407.88, as shown on the statement, leaving a balance of $212.12. Since the laundry equipment, logging jack and drag saw were reported to be the property of Mr. Shimoto, this balance of $212.12 has been placed in his account.

The sum of $85.00 received from the sale of her chesterfield suite has been credited to the account of Mrs. Shimoto.

Mr. & Mrs. Kiyoshi SHIMOTO - Page 2 July 16, 1946.

In the last few months we have received from Small Debts Court a total of $20.00 on the claim filed by you against Mr. H. F. Holmes. This money has been credited to the account of Mrs. Shimoto. We have thus received a total of $25.00 on the claim of $60.00 against Mr. Holmes. We are hopeful of receiving the remaining $15.00.

The following liabilities have been filed against Mr. Shimoto:

O. Kondo Company	$18.02
Matsuura Hotsuki & Price Ltd. ...	12.23

At the present time a free balance of $162.63 is standing to the credit of Mr. Shimoto. While the account of Mrs. Shimoto shows a free balance of $200.00.
