Dear Sir:

Our attention has been drawn to the fact that you have left the protected area, in consequence of which all of your property remaining in the protected area has vested in the Custodian.

However, before leaving the protected area you failed to provide us with particulars of your property by means of completing "JP" registration forms. In order that we may properly administer your affairs it is necessary for us to have complete information regarding them. You will find enclosed three copies of our regular "JP" form and we would ask you to be good enough, without delay, to complete these forms fully, to sign and have witnessed two of them and to return to us two copies, retaining the third copy for your own use.

In the event that you have no property remaining in the protected area, please notify us accordingly by return mail.

When filling in the items requested in the "JP" form we must again stress the need for complete particulars.

Thanking you for your immediate attention to this request,

Yours truly,

RO Alexander
Manager.

Gentlemen:

We have received a request from the above named insured for the cash surrender value of his policy which amounts to \$276.39.

The insured, according to our records was born in Japan and at the time the policy was issued was residing at 221 5th Avenue, West Side, Apartment 8, Vancouver, B. C. However, the address shown on the surrender application recently submitted is P. O. Box 638, Vernon Orchids, Vernon, B. C.

We are unable to determine whether or not our insured is an evacuee, however, there is a possibility he may have been, in view of his present address. Therefore, before effecting payment of the cash surrender value we are requesting your advise as to whether the proceeds should be paid to your office or direct to our insured.

Very truly yours,
