Re: Toyozo HASHIMOTO, Reg. No. 03514

The M.V. "Sea King", New Westminster Licence No. 1727, was sold through the Custodian for the net sum of \$268.87.

This vessel was licensed in the name of Kamekichi HASHIMOTO. She was reported by Japanese representatives on the Japanese Fishing Vessels Disposal Committee to be licensed and actually owned by Kamekichi HASHIMOTO.

Neither Toyozo nor Kamekichi HASHIMOTO declared ownership when registering. An offer to purchase the boat was referred to Kamekichi HASHIMOTO in August, 1942, who replied "If there is an offer of \$600.00 we will consider it.", but he did not indicate who, if anyone, other than himself had an interest.

On August 12, 1943, Kamekichi HASHIMOTO was informed of the sale of the vessel, and that the net proceeds had been credited to his account.

On December 7, 1943, he stated to the B.C.S.C, "There is a boat and household goods entrusted to the Custodian."

There was no indication of an interest in this vessel of any person other than Kamekichi HASHIMOTO, until Toyozo HASHIMOTO wrote us on April 10, 1944, (approximately two weeks after the claim for funeral expenses of Mrs. Kamekichi HASHIMOTO had been referred to her husband) stating that the boat was his, this claim of the son's was supported by letter from the father, April 20, 1944.

In view of the fact that Kamekichi HASHIMOTO was in receipt of maintenance, the transfer of funds to the son was questioned, and although these funds were actually transferred to the son's account, the money has been held in that account pending production of proof that the vessel belonged to him at the time she came under the control of the Custodian.

Prior to the transfer of funds to the son's account, the claim of the B.C.S.C. for funeral expenses of Mrs. Kamekichi HASHIMOTO was paid in the amount of \$87.80, as the total credit in Kamekichi HASHIMOTO had been \$278.87, this left a balance of \$191.07 to be transferred to the son, and this sum is now in the son's account.

Of this sum of \$191.07, the sum of \$10.00 represents the proceeds of the sale of lead line. Neither Kamekichi HASHIMOTO, nor his son Toyozo HASHIMOTO declared fishing gear. As Kichijiro HASHIMOTO, of Steveston, did declare a quantity of fishing gear, not all of which has been located, this \$10.00 has been held in Toyozo HASHIMOTO's account until the ownership of the line can be established.

Re: Toyozo HASHIMOTO, #03514 and Kamekichi HASHIMOTO, #04612
File 14735 File 3515

On May 3, 1944, the sum of ^{174.72}~~\$154.10~~ was transferred from the account of Kamekichi HASHIMOTO, File 3515, to that of his son Toyozo HASHIMOTO, File 14735. Would you kindly see that this money is held, until Mrs. McArthur authorizes its release.

Would you also note that, on August 22, 1944, the sum of \$16.30 was sent to Toyozo HASHIMOTO from the funds in Kamekichi HASHIMOTO's account. This sum was shown on the requisition as being derived from the sale of fishing boat. ^{of} This sum of \$16.80 was actually derived from the sale of 50 fathoms of new lead line sold to the Imperial Cannery in February, 1943.

Kamekichi HASHIMOTO declared no property of any kind, there is no card under his name in the fishing gear index, and unless there is some evidence that, at the time of sale, the ownership of this line was proven, then I would suggest that \$16.80 of the ~~\$174.17~~ (mentioned in the first paragraph) be blocked until Kamekichi HASHIMOTO's ownership is proved.

With further reference to this lead line, Kichijiro HASHIMOTO, #03581, File 2790, declared quite a quantity of fishing gear, and appears to have been connected with Imperial Cannery. If this line was at Imperial Cannery, and was under the name of K. HASHIMOTO, then Kichijiro would seem a more likely owner.

MEMORANDUM: Files 3515 and 14735

November 21, 1944.

Kamekichi HASHIMOTO #04612 and Toyozo HASHIMOTO #03514

The fishing vessel "Sea King", New Westminster Licence 1727, was considered to be the property of Kamekichi HASHIMOTO for the following reasons:

1. The vessel was reported by the Japanese section of the JFVDC as being licensed and actually owned by him.

2. List of Japanese-owned vessels at the Port of New Westminster shows Licence 1727 issued to Kamekichi HASHIMOTO, Steveston, on September 22, 1928.

3. When we wired Kamekichi Hashimoto, on August 11, 1943, submitting a bid, he replied, "If there is an offer of \$600.00 we will consider it.", but did not indicate that any one other than himself had an interest in the vessel.

4. When we wrote Kamekichi Hashimoto, on August 12, 1943, advising him of the sale of this vessel, and that the money from the sale had been credited to his account, he did not reply.

5. "Statement of Assets" enquiry from the B. C. Security Commission, dated, December 7, 1943, begins: "The above named states there is a boat and household goods entrusted to the Custodian."

It is true that Kamekichi Hashimoto did not declare this vessel when registering with the Custodian (Neither did Toyozo Hashimoto). Items that came into the Specified Articles category were seldom declared on JP forms, probably because these articles had already been surrendered to Government authorities.

In connection with the transfer of this vessel to Toyozo Hashimoto, it is noted that -

On December 10, 1943, we informed the B. C. Security Commission that we held \$287.87 to Kamekichi Hashimoto's credit.

On March 27, 1944, the B. C. Security Commission filed claim for \$87.50 spent on funeral of Mrs. Kamekichi Hashimoto, who had died in Greenwood Hospital on February 19, 1944.

On March 31, 1944, this claim was reported to Kamekichi Hashimoto.

On April 10, 1944, Toyozo Hashimoto asked about the "Sea King", which he claimed had been given to him by his father.

Re: Kamakichi HASHIMOTO, Reg. #04612,
Toyozo HASHIMOTO, Reg. #03514.

I note that proceeds from the sale of a boat belonging to Kamakichi Hashimoto have been transferred at his request to the account of his son Toyozo Hashimoto. This was evidently an after thought on the part of Kamakichi who didn't advise this office until April 20, 1944 that the boat belonged to his son.

Toyozo Hashimoto is now 24 years of age and a resident of Toronto, Ontario, having been released from internment on May 25th, 1943. We are informed by the Welfare Department of the B. C. Security Commission that Kamakichi Hashimoto together with two dependent children of 19 and 7 years respectively, are on maintenance at Greenwood, B.C. Toyozo Hashimoto is writing asking for the proceeds of the sale of this boat, which according to all the evidence at hand, belonged to the father at the time of the evacuation. In view of the father's present indigent circumstances it does not seem reasonable to carry out his request to transfer this money to his son who is evidently able to earn his own living. Would you therefore, be good enough to reply to Toyozo Hashimoto's letter of October 15th pointing out to him the facts as above recited and suggesting that under the circumstances he will desire to have his father benefit from the proceeds of this boat.

The circumstances of Kamakichi's financial position should have been investigated before this transfer was made and at this stage we should endeavour to have this money applied toward the maintenance of this man and his dependents.

Dear Sir:

I would like to inquire about the boat "Sea King" which I lifted at the time of the Evacuation whether it is still untouched or not. It was given to me by father when I was young. Which it belonged to my father before but unfortunately is still in his name yet

Kc. Reg. # 1727

In the time of this boat is sold will you please credit this sales of boat to my account. Will you please touch with my father "Gamelichi Hashimoto" at once to this fact. He is in Greenwood B.C. Bldg. #1.

If there is any misunderstanding to this effect I would surely appreciated if you inform me. Trusting this won't obligate you in anyway. Hoping to favoured with an early reply.

Dear Sir:

Re: M/V "Sea King", NW.1727

In reply to your letter of April 10th, we wish to advise that the vessel "Sea King" has been sold. The Licensed owner, Kamekichi Hashimoto, was informed of the sale on August 12, 1943.

As this boat was licensed in the name of your father, Kamekichi Hashimoto, we must consider the boat to be his property.

Certain claims have been filed against Kamekichi Hashimoto. If, when these claims have been settled, your father asks this office to transfer the balance of the boat money to your account, this will be done. In the meantime, the money will remain to your father's credit in our trust account.

Yours very truly,

Dear Sir:

In reply to your letter of May 28th, we wish to advise that the M. V. "Sea King" NW.1727 was sold for the sum of \$325.00. This was the value placed on the vessel by an experienced marine surveyor.

While no commission or administration expenses were charged, out-of-pocket expenses; such as, wharfage, watchmen's wages, survey for valuation, etc. were charged against the vessel. These amounted to \$56.13.

The balance of \$268.87 was credited to the account of the licensed owner, Kamakichi Hashimoto, your father. Since yourself and your father have notified us that this boat, although licensed in the name of your father, was your property, we have transferred to your account the sum of \$174.77, holding in the account of your father the sum of \$94.10 to cover claims which have been made against him.

The money credited to your account, therefore, amounts to \$174.77.

Dear Sir:

We are in receipt of your letter of November 15th,
in regard to the M/V "Sea King".

You state that your father gave you this vessel
when you were nineteen. That would be in 1939. Would you
kindly let us know if any payment was made by you to your
father in connection with the transfer of the vessel. If
so, what was the nature of the payment.

You will realize that all the evidence we have in-
dicates that the vessel was the property of your father, and
the letters from yourself and your father in April last were
the first intimation we had that anyone other than your
father had an interest in the boat. In view of your father's
present circumstances, more definite proof of your interest
in the "Sea King" is needed before the funds from the sale
can be sent to you.

If you have receipts showing payments made by you
in connection with this vessel, or can refer us to some dis-
interested party who could support your claim to ownership
of this vessel, we would then give consideration to your
request for the funds received from the sale of this boat.

Dear Sir:

In our telephone conversation this afternoon you mentioned that you believed there had been two men by the name of K. Hashimoto connected with Imperial Cannery, and that your company had held a mortgage on a vessel belonging to one of these men. This mortgage had been paid off by a son of K. Hashimoto, who had worked at Sunnyside Cannery. We are wondering if you could supply any further information about this.

The man in whom we are interested is Kamekichi Hashimoto. We do not know that he was ever connected with your company. He was born in 1874. He was the owner of the vessel "Sea King" New Westminster Licence 1727. He had five sons; these were:

Yoshikazu, born in 1912, owner of M/V "Sea Rock" operating in the Skeena River, possibly in connection with the Anglo-British Columbia Packing Company Ltd.

Takashi, born in 1913, owner of the M/V "T.H." NW.069-L, which was sold to your company in March, 1942. A balance of \$243.75 due to your company was settled at the time of sale.

Shizuo, born in 1916, owned M/V "Marine Chief" which was sold to your company in May, 1942.

Toyozo, born in 1920, and Hidemu, born in 1922, were fishermen.

If your company held a mortgage on the vessel "Sea King", and this mortgage was paid off by one of Kamekichi Hashimoto's sons, we would be pleased if you could tell us which one paid off the mortgage. One of the sons claims an interest in the "Sea King". Your mention of the mortgage was the first foundation we had for the claim. Therefore, while we realize we are imposing on your good nature, we would appreciate any information you can give us.

Mr. Kamekichi HASHIMOTO,
Registration No. 04612,
Greenwood, B. C.

Dear Sir:

We have your letter of December 4th asking that funds be sent to your son. We understand that the funds referred to are the proceeds of the sale of the vessel "Sea King."

This vessel was licensed in your name, and when, in August, 1942, we submitted to you a bid on this vessel, you replied, but did not inform us that you were not the owner. Then again, in August, 1943, we advised you of the sale of the "Sea King" and that the proceeds of the sale had been credited to your account, but you did not write and tell us that this money should go to your son. In addition to this, it would appear that, as late as December, 1943, you stated to the British Columbia Security Commission that you owned a boat entrusted to the Custodian. All this leads us to believe that the boat was actually your property at the time the boat came under the control of the Custodian.

Unless you, or your son, can show that the boat was transferred to your son in return for certain valuable considerations, and inform us of the nature of these considerations, we do not see how we can recognize your son's claim to these funds.

On November 21st, we informed your son that proof of his interest in the vessel was needed before consideration could be given to his request for the funds received from the sale, but we have not, to this date, received a reply from him.

Yours very truly,

F. Matheson,
