Re: Japanese Policyholders

I have your letter of December 2nd and wish to advise that the following parties have been interned and it would, therefore, be appreciated if you would kindly forward Forms "D" at your earliest convenience.

Shizuo Hashimoto	-	Policy 2,168,652
Hideo Hama	-	Policy 2,210,953
Utaka Shimoyama	-	Policy 2,285,387

I wish to thank you very much for bringing this matter to my attention since we have not yet received information concerning the policies from the Internment Camp.

By an arrangement with the Canadian Life Officers' Association, policies of this nature are held in suspense and premiums accumulate, but under the Regulation they are not cancelled.

If any funds are available, the Custodian, at the request of the Internee, will arrange to pay the premium and if the Internee does not desire that the premium be paid, then we will advise you and discuss the question of cancellation.

Dear Sir:-

I am writing you in regard to a cloth bag which I left behind in Steveston at the time of evacuation. It is a white home made canvas bag and is placed on the second floor of Mr. Bge store on 4th Chatter Street and 4th Ave, Steveston, B.C. I have my name on the bag but unfortunately in Japanese lettering.

I wonder if you will be so kind as to secure my white bag containing various working logs and address them to my mother in Greenwood, her address is - Mrs. Moto Washimoto Catholic Japanese Mission, Greenwood B.C.

However if it is within your powers to locate the bag for me, will you please let me know by return mail.

Thank you.

I wish to bring up another matter in question with me for quite a time. My fishing net and lines also boat equipment that I left behind at the time of evacuation are stored in Gulf of Georgia Cannery, Net House #1, Steveston, B.C.

In regard to the above, I'll surely appreciate it if you will inform me in the event that they were sold. On the other hand, if they are still untouched, please inform me to the effect.

I must thank you again for troubling you.

Dear Sir:

In reply to your letter of the tenth instant, we fail to understand the Internee's statement that his brother, Shizuo HASHIMOTO, Released Internee A-212, is the owner of the Chrysler Engine, sold by the Custodian, in view of the Internee's telegram of October 6th, 1942, stating that he, Yoshikazu HASHIMOTO, was the owner. At that time, Shizuo HASHIMOTO was also an Internee, and no doubt, was questioned as to ownership of the engine in accordance with our wire to you of October 3rd, 1942.

We would be pleased to have the Internee's comments on the above.

Dear Sir: — Rec. File No. 14736.

I would like to inquire about my engine (Trylon Motor) which was stored at the Cannery Anglo British Columbia Co. in Steveston in my brother name G. Washimoto at the time of evacuation.

This engine is belong to me but the time of storing my engine my brother was head enough on me to ~~not~~ contact but manager of A.B.C. Co. because my brother worked for this cannery at Steveston and he know the manager very well.

However, I noticed was sold sometimes ago and I believe the sold fund is credit to my brother's account with you if the engine is sold. Therefore I would like to ask you if you should credit this money to my account. I appreciate very much if you will be so kind to write to my brother to this matter. He is in internment camp 101, Hazelton, Ont. if there is any misunderstanding to this fact will you please inform to me.

Trusting this don't obligate you in any way. Hoping to favor with an early reply. I beg to remain.

Dear Sir:-

Thank you for yours of September 13th asking for the remaining credit balance in your account. This consists of \$80.00 as per statement attached and we are enclosing our cheque herewith for this sum. We regret that we have been unable to account for the net shown as unaccounted for but in this connection, the Gulf of Georgia Cannery have been particularly scrupulous in their care of Japanese nets and we fear that there is nothing more we can do.

This exhausts your account with this office and the only outstanding matter we can trace is the canvas bag which you asked for in the beginning of the year and which we regret we have not yet been able to locate.

Yours truly,

H. F. Green

Dear Sir:—

Re. File # 15048

I wish to inquire regarding to my fishing gear which I have left at the time of evacuating in 1942

At the time of evacuating I have reportedly stored these nets and fishing materials to Gulf of Georgia Cannery #1 net house in Steveston B.C. in the Spring of 1942.

However I acknowledged that after we moved away, were removed from their premises by the Custodian.

In ~~the~~ regard to the above, I'll surely appreciate it if you will inform me in the event that they were sold. On the other hand, if they are still untouched, please inform me to this effect.

And in case if there is any fund left in my account with you will you please send it to me I would surely appreciate

Thank you.

Yours sincerely,
L. Washinoto
