RE: UNOSUK AMANA, Internee

Dear Sir:

We interviewed this internee at the Edmonton Barracks of the Royal Canadian Mounted Police on May 30.

He is an unnaturalized Japanese. He has therefore no right of application to the Minister of Justice. He speaks English with difficulty, and our interview took place through an interpreter. The internee was brought to Edmonton from the Geiker Camp at Blue River, and he was previously employed by (Sahoy) Kato of 791 Cadova Street, Vancouver, for whom he had been working some seven years. His assets include:

- 1) Cash, about \$33.00.
- 2) Life insurance - Sun Life Assurance Co.
Policy 20-Pay Life, on which he had been paying for about 5 years.
- 3) Clothing and personal effects.

The internee advised us that the life insurance policy was in the custody of Sahoy Kato of 791 Cadova Street, Vancouver, his former employer; also his clothing and personal effects are contained in a trunk in Kato's custody. He stated that he was content that the clothing and personal effects should remain in Kato's possession.

We have not written to the Sun Life Assurance Co. to block any payments from the life insurance policy, as it occurs to us that this has already probably been done when the internee was moved to Geiker Road Building Camp. Unless we hear from you to the contrary we will assume that we are to take no further action in this connection.

In view of the paucity of the assets, the cash balance was left in the hands of the police, and we are closing our file.

Yours very truly,

It was noted that there is a debt for personal

an account for \$79.24 and the payment was approved by the

According to information supplied to the Custodian, the above party has been interned and his Life Insurance Policy has, therefore, vested in the Custodian.

By an arrangement with the Canadian Life Officers' Association, policies of this nature are held in suspense and premiums accumulate, but under the Regulation they are not cancelled.

If any funds are available, the Custodian, at the request of the Internee, will arrange to pay the premium and if the Internee does not desire that the premium be paid, then we will advise you and discuss the question of cancellation.

Dear Mr. Shears:

RE: UNOSUK AMANA.

Inv 14773./05975

While perusing this file we find that we have paid Messrs. Winspear, Hamilton and Co. the sum of \$5.00 covering their professional services, in this case, for the period from April 1st, 1942, to October 31st, 1942. As we had no money at this end, the account is therefore overdrawn for this amount and we would appreciate receiving a cheque for said amount, at your convenience, as we understand that you hold some moneys for Mr. Amana.
