PERSONAL PROPERTY SUMMARY

File No. 15048

May 18, 1946.

Re: Takeo KARIYA, Registration No. 12117

This man was interned on May 22, 1942 and released on July 17, 1943. He signed a declaration to the Custodian on September 24, 1943, in which he reported a bank account with the Royal Bank of Canada. This did not come under the control of this office.

A report from Const. C. D. Howell of the B.C. Police showed that this man was the owner of a house built on land owned by the Lyche Estate. This house was appraised by Gilmore-Moore as valueless and the Lyche Estate therefore do not recognize that KARIYA has any equity in this house.

In January, 1943, we received two War Savings Certificates from the Internment Camp for redemption and on February 15, 1943 the amount of \$16.22 was credited to this man's account, being the redemption value of these Certificates.

As this man was an internee at the time of the disbursement of the funds of the Ucluelet Fishermen's Co-operative Association, his account was credited with the sums of \$467.26 and \$12.01, being 1/51 of the assets of this Association.

The records of the Japanese Fishing Vessels Disposal Committee show that this man was the owner of a vessel "Marine K". This boat was sold and the net proceeds in the amount of \$1,975.00 were paid to KARIYA on April 15, 1942.

The account of this man was credited with the sum of \$12.25 in settlement of claim filed with the Japanese Fishing Vessels Disposal Committee for refund of expenses incurred at the time of the impounding of the vessel, "Marine K."

The account of this man was credited with the sum of \$110.00 received in payment of a loan to Toshio MURAO. This amount was remitted to KARIYA on September 18, 1945.

A total of \$383.48 was remitted to KARIYA in February, June, August, September, October and December, 1943, for living expenses. This office also purchased a \$100.00 Victory Bond for this man and this was sent to KARIYA on March 16, 1944.

This file reveals no other property of any kind.

This summary is certified to be in accordance with information on file.

Dear Sir:

We enclose Custodian cheque in the amount of \$24.26 which represents all the funds standing to your credit with this office.

In your declaration to the Custodian on September 24, 1943, you reported a bank account with the Royal Bank of Canada. This did not come under the control of this office.

According to information supplied to this office you had built and formerly occupied a house on the Lyche Estate at Ucluelet, B.C. It has been impossible to establish that you had any legal equity in this building.

In January, 1943, we received two War Savings Certificates from you for redemption and on February 15, 1943, your account was credited with the sum of \$16.22 being the redemption value of these Certificates.

The records of the Japanese Fishing Vessels Disposal Committee show that you were the owner of a vessel "Marine K." This boat was sold and the net proceeds in the amount of \$1,975.00 were paid to you on April 15, 1942.

The sum of \$12.25 was credited to your account in settlement of a claim filed by you with the Japanese Fishing Vessels Disposal Committee for refund of expenses incurred at the time of the impounding of the vessel "Marine K".

Your account was credited with the amounts of \$467.26 and \$12.01 as proportionate share of the assets of the Ucluelet Fishermen's Co-operative Association, this being 1/51 of the total assets.

Your account was credited with the sum of \$110.00 received in payment of a loan made by you to Toshio MURAO. This amount was remitted to you on September 18, 1945.

A total of \$383.48 was remitted to you in February, June, August, September, October and December, 1943 for living expenses. This office also purchased a \$100.00 Victory Bond for you and this was sent to you on March 16, 1944.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian and in order that you may confirm this and acknowledge the cheque we enclose a stamped addressed envelope for your convenience in replying.

Mr. Takao KARIYA,
Registration No. 12117,
P. O. Box 380,
Chapleau, Ontario.

Dear Sir:

We are in receipt of your letters of the 30th
ultimo and 10th instant and note your desire to have your funds
remitted to you.

These funds (\$460.49) are derived from the sale of
fishing vessels of which you were part owner and, therefore, represent
capital and not income. It is the policy of this office, in its
capacity as trustee, to endeavour to conserve such capital assets in
the interests, and for the protection of, the owner.

In conformity with this policy, we therefore write
to inquire whether, under the circumstances, you might not prefer
to leave these funds on deposit with us to meet some future need.
This office does not pay interest on credit balances but we are
prepared, when so requested, to purchase Government bonds, sending you
a receipt giving full particulars of the bonds so purchased, which
would be held for your account, interest being collected as due and
paid in to your account, to be disbursed as you may wish as such
interest would represent income and not capital.

As the local officials of the B. C. Security Commission
are in the best position to know your actual needs and advise you if
so desired, we are sending them a copy of this letter.

Yours truly,

Re: M.V. Loyal No. 1, and
M.V. Loyal No. 2

Dear Sir:

At the time the above named vessels owned by the Ueluellet Fishermen's Co-Operative Association were sold, it was agreed that the Custodian should retain under his control the proportion of the sale price due to the members of the Association, at that time in Internee Camps.

Under the above arrangement, one-fifty-first (1/51st) of the net sale price of the vessels, amounting to \$467.26, has been placed to your credit, and we wish to have your instructions regarding these funds. Do you wish to retain your share of the sale price, or do you wish us to return these funds to the Ueluellet Fishermen's Co-Operative Association?

We would request that you reply to this letter as soon as possible.

UNORGANIZED TERRITORY

Extract from report of Const. D. H. Howell,
in charge Ucluelet Detachment, B. C. Police, dated March
23rd, 1942, respecting Japanese at Ucluelet, Frasers Bay,
Maitland Island, Spring Cove, Port Albion, Leeches Bay
and Tofino.

REPORT

re: Japanese Property - Disposal of Ucluelet and Tofino.

UCLUELET

Leeches Bay - Lot 282 (Property adjacent to Airbase); the
following houses are situated on the property of the Lyche
Estate, controlled by S. S. Littleton, Ucluelet. Littleton
states that 25 years ago when the Japanese first moved on
to the Lyche property, a lease was made whereby the Japanese
would be allowed to build houses on the property, but if
vacated the houses would revert to the owner of the property,
however, Mr. Littleton could not show any lease to this effect
nor could any of the Japanese. The Japanese have been paying
the sum of \$350.00 (total) rent per year to the Lyche estate.
Littleton also stated that he is going to rent these houses
and forward half the rent to the Japanese, and allow them to
move back after the duration.

One half of these houses are situated over tidal waters.
Only seven of the total 19 houses habitable, the other 12
being mere shacks, however, I believe they will all eventually
be occupied by RCAF personal due to the acute housing problem.
here.

The Japanese School house, comparatively new, and the school
teachers house adjoining are the most valuable building.

The following valuations were given to the undersigned by the
Japanese but with the exception of seven of the houses the
value appears to be practically nil:

Maede, Shizu	house only	Value	\$350.
<i>Sub 775</i> Kariva, Takeo	" "	"	500.

Yoshido, Takeo	" "	"	1,000.
Koyama, Eikichi	" "	"	600.
Hamanishi, Kazuo	" "	"	400.
Hamada, Risuke	" "	"	350.
Koyama, Fukujiro	" "	"	600.
Koyama, Kumekichi	" "	"	350.
Isowa, Kenichi	" "	"	500.
School, owned by the Ucluelet Fishing Co.			1,000.
Teacher's house owned by Ucluelet Fishing Co.			1,000.

Very little property etc. left in above houses; inventories on file at this office.

3. Reference Ronald Matterson's business association with the Japanese. He understands that it is a temporary measure, a step taken on my advice until the proper authorities organized a process of caring for this property. The present arrangement is that he will look after the welfare of these houses, collect and forward rental monies and receive 15% commission.

4. In addition to the above mentioned property there are six boat floats which average of the value of \$500. at the different bays.
