Mr. Kiyomi MAKATSUI,
Reg. No. 07022,
Shangnessy, Alta.

Dear Sir:

The Department of Labour, Japanese Division, has forwarded to this office your letter of February 13th in which you ask that your chattels be sold and the proceeds sent to you.

Upon reviewing your file we find that although this office requested you on different occasions to send us a declaration reporting any property which you might have left in the protected area you did not reply to any of our letters.

The file of your wife shows that she declared household furniture and kitchen utensils left at First Ave., R.R. #1, Hammond, where she had been living with her father. On July 13, 1942, this office informed Mrs. MAKATSUI that when our agent investigated this property he was not able to find any of these articles, and we asked Mrs. MAKATSUI to advise us at once as to what had been done with her chattels. We wrote Mrs. MAKATSUI on November 10, 1942, on December 2, 1942 and on December 22, 1942 asking where we might be able to locate her chattels. In our letter of December 22, 1942, we informed her that as we had not received any replies to our letters we assumed that she did not have anything in the protected area that required the protection of this office. Certain chattels have been sold which were identified as the property of Mr. YOSHIOKA. It is possible that some of the articles sold may have been yours. If you will have your father-in-law write this office and confirm that the items mentioned in your letter of February 13th were your property we will transfer the proceeds from the sale of such articles to your account.

It is unfortunate that you and your wife paid no attention whatever to the Custodian letters in regard to personal effects. We will, however, do what we can to get this matter straightened out.

Yours truly,

F. Matheson,
Protection Department.
