Dear Sir:

Re: Policy No. 2,203,393 - Shosaku Hayashi

We have been advised by Mr. Shosaku Hayashi, holder of the above noted contract, that he is shortly returning to Japan at address:- Sugoshicho Hikoneshi Shigaken, Honshu, Japan.

He wishes to make his policy paid-up and in order to do this the Company require completion of the attached forms. You will note the forms have already been signed by Mr. Hayashi but he has not been able to secure the signature of his wife, Mrs. Kiyo Hayashi, as she has already returned to Japan. We rather doubt whether our Head Office will be able to waive the signature of the assured's wife on the forms although in all probability it will be to the beneficiary's advantage for the policy to be paid-up. We are wondering whether you could consent to the change on behalf of the beneficiary and, if so, would you kindly sign both forms and return them to us.

In case it may be of use to you, the assured's present address is C.N.R. Gang 24, Boston Bar, B. C. but we do not know the exact date on which he intends to leave Canada.

Yours faithfully,

R. LAWSON
BRANCH SECRETARY

REGISTERED MAIL

Mr. Shosaku HAYASHI,
Registration No. 08564,
C. N. R. Gang 24,
Boston Bar, B. C.

Dear Sir:

This file is up for review and we take advantage of this opportunity to give you, for your information, a brief resume of our administration of your affairs.

Real Property: You owned no real property in the protected area. Your Chemainus house was built on land owned by the Victoria Lumber & Manufacturing Company, who have never recognised any outside equity in such building, which became their property when vacated.

Personal Property: You did not declare any personal property at the time of your evacuation (February, 1942) and it was not until October, 1943, when you completed a Custodian "JP" form, that this office was made aware that you had left certain household effects in your house at Chemainus. This file consequently lacks the usual check which our local agents made as soon as possible following evacuation of owner.

From the evidence available we cannot trace these chattels. In Chemainus everything not discarded as of too little value to justify the expense of handling was moved to Custodian central storage and from there to the Japanese Community Hall at Nanaimo. The latter place was broken into and ransacked, resulting in the contents becoming badly mixed. All chattels in the Nanaimo Community Hall were either shipped to owners (when requested) or sold by public auction, but nothing has been shipped to you and your account has not been credited with the proceeds from any of the auctions held at the Nanaimo Community Hall from time to time.

On the question of theft and pilferage we might add that we have taken all reasonable measures for the protection of personal goods, involving considerable expense in the employment of special staff for the purpose, but in spite of this breaking-in and vandalism has occurred from time to time. Burglary and theft are, of course, circumstances which sometimes happen to the most careful property owners, even when the owner is in residence and after taking every precaution against such possibilities. The police have been advised of thefts and the owners of articles recovered will be advised of such recoveries.

Bank Accounts: You did not declare any Bank Account but the records of the Japan & Canada Trust Savings Company showed a balance of \$16.16 standing at the credit of your Savings Account No. H1201. This money was transferred to the credit of your account with this office.

(Over)

Mr. Shosaku HAYASHI.

June 28th, 1947.

Life Insurance: You declared a policy (No. 2,203,393) for \$1,000.00 with the Sun Life Assurance Company, which remained in your possession and under your control. The Company recently advised us that you desired to convert this into a paid-up policy and suggested that this office sign your application on behalf of your wife, named beneficiary, who is in Japan. We believe there is ample time for you, or the Company, to communicate with your wife in Japan, and secure her signature to your application, before there is another sailing available for those desiring repatriation to Japan. The Company's application form was therefore returned to them for that purpose.

Liabilities: No claims have been registered against you.

Funds: There is a balance of \$16.16 standing at the credit of your account and to enable us to close the account, in which no further entries are expected, we enclose our cheque in your favour for \$16.16.

This would appear to account for all property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this, we enclose a stamped addressed envelope for your convenience.

Yours truly,

R. G. Bell,
Office of the Custodian.
