Japanese Evacuation Section,
506 Royal Bank Bldg.,
Vancouver, B. C.

Dear Sir:

I have received a letter concerning my property, which has been sold recently and I feel very sorry for it.

During the evacuation there had been weight limit on baggages and I left considerable personal property which they are very valuable to me. I would like to know what has been done to it and I will be looking forward for the reply.

I remain,

"Yone HOYANO"
