As we advised you in our letter to you of the 19th February, Pacific Co-operative Union redeemable shares issued in the years 1937 to 1940 inclusive, have been redeemed from time to time and the proceeds as received credited to your account. These funds you have received. The 1941 shares should be redeemed early next year, and the proceeds will be forwarded to you at that time if you will forward your share certificate to cover to this office.
