Journal Reflection: Beliefs

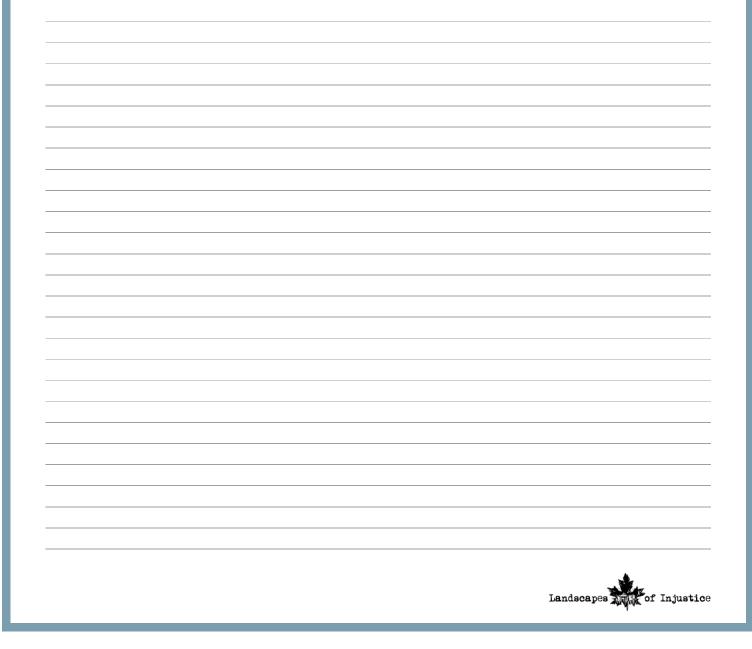

Name:_____

Consider the following prompts when you are writing your journal reflection. Remember to include detail and evidence to support your thoughts.

• Did you change your mind on any of the statements after discussion? Why did you (or why didn't you) change your mind? Choose 2 statements and explain why you believe either statement is true or false. Some starters may include:

"I believe statement #_____ is true because ..." "I believe statement #_____ is false because ..."

• What is one opinion/piece of information you heard that you had not considered? Explain
